

## The Revelation of Yeshua the Coming King

**The countdown of “THAT DAY” has started.  
It was detailed 70 times by four (4) prophets and Daniel’s  
scrolls linked to John's book**

Last Warning 10 April 2017 before the  
First Jubilee Year - 1 Tishri 5777-5778

Watching outlawed YouTube videos linked to **Sound Bite #17** revealed that God is now forced to remove everybody from this planet being genetically contaminated once more resembling Noah’s time 2288 BC as stated in **Genesis 7**. The media have ignored that nuclear radiation has spread worldwide, which has permanently damaged the human gene pool and the entire living ecosystem causing massive extinction.

Thus, the Creator ELOHIM will not permit this civilization to continue to the next generation! Now seen worldwide, unforgiving nature cannot overcome the aftereffect meltdown of global radiation in Chernobyl, Fukushima and a hundred facilities severely leaking, kept quiet. It will change the “Reproductive-Genes” thus causing extinction. Massive Death is now shown in Nature, the cause of build-in absolute laws that even God cannot change. Otherwise could not be omnipresent controlling full circle his Kosmos.

It is big and shocking but seen on many YouTube videos now demonstrating that Lucifer-Satan has finally succeeded, researching prophecy, that this is the last generation of mankind to perish because we are repeating the trespass of absolute divine Laws. Nuclear radiation causes painful diseases followed by early death to end in extinction for a zillion of sub specie creatures moaning for restoration. Many warnings from a science perspective were explained by Jonah-II in 14 Babushka eggs concept books and globally ignored like **Pearls #244, #233, #240** linked to GMO patents. It will soon cause a food chain harvest collapse followed by massive starvation worldwide, as nature cannot be changed on the gene level to less than 100% intelligence. Thus, considering the next generation of mankind and loving “all” of his creation, ELOHIM must like a surgeon, cut out the cancer using God’s Wrath once more resembling Sodom and Gomorrah as the only solution. But he is adding Grace available free for everyone receiving Eternal Life. His offer will continue as long the Word of God is proclaimed that widens a knowledge horizon looking for timeless safety.

**According to the Torah-Bible Scripture:**

The Apocalypse will end when a prophesied witness Elijah has appeared in Jerusalem, thus “Your” days on earth are numbered! Choose wisely: An atheistic New World Order system or Yeshua-Jesus the Christ is Your only option for Eternal Life dated on a corrected Hebrew Calendar 2018 which is a Jubilee year starting over with a Torah acceptable society.

**An open letter to TV- pastors**

Numerous letters were sent without any response to TV-Pastors in the past years to warn the 21st Century Civilization from God’s Wrath repeated again like a number of times in the Torah-Bible. Why are theologians ignorant of ELOHIM who wrote and preserved his divine word for 6000 years of the history of mankind. Why not consider this warning sent to Christian Shepherds as a witness for YHWH being responsible to warn an atheistic - New World Order.

Why still insist on teaching false denominational dogmas based on Satan’s lies and deception from the Middle-Ages. Why avoid YouTube videos which present the final Plan for Mankind still not preached in church? The modern web can now better explain what was foretold by the Daniel-John prophecies linked to true science. **Pearl #279, #110**

Remember all mortals will stand naked on the last day before the White Throne to be evaluated for their “intent”, to either receive “Mercy onto Life” or “Mercy unto Death”, but a Shepherd will be judged on a higher level. When more is given – more will be asked.

This is like the sinking Titanic when very little time was left and you hear the last song of the ship’s orchestra:

**Nearer my God to thee ...**

Repeated once more is a last warning from a science-Torah perspective appointed by a penname Jonah-II.

Please, consider your eternal REWARD; will it match a Bible verse?

**Jeremiah Chapter 23, Ezekiel 3:20, Matthew 25:32-42**

Sincerely Yours, only a servant of the highest Penname Jonah-II
