The ELOHIM-creator will repeat a historical asteroid event as in 2288 BC.  
Once more He will destroy a civilization.

Like Sodom and Gomorrah will end in **Judgment of God's Wrath**

1. Worldwide, our education system has brainwashed this generation in an unscientific atheistic evolution religion, which morphed ancient divine laws of Good and Evil into Relativism. This is causing the destruction of our environment toward total extinction of mankind. God's creation has been genetically assaulted with GMO, cloned vegetables screwing up genetically domestic animals on a massive scale and destroying every **FOOD** for future mankind. Worldwide corrupt, totally evil conglomerates spliced-out in secret the embedded reproduction intelligence in most seeds now enforced in gene-patents stamped on every vegetable and fruit to make obscene profit putting many organic farmers out of business. Worse, it is causing the **termination** of original life forms for the next generation. The gross eradication of irreplaceable original food gene-intelligence and grossly changed the human species with a **half-human & half-animal**, is in blatant conflict with the Eternal ELOHIM. That evil provocation will be judged once more in **God's Wrath** as foretold by ancient Hebrew prophets Isaiah, Zechariah, Jeremiah & Zephaniah - *pay attention (70) seventy times "ON THAT DAY"*.
2. Most are unaware that we are at the end of the prophesied Apocalypse 2008-1015. So God once more has sent a modern Jonah fire marshal to the town square to WARN mankind, "Wake up and be saved!" Because our civilization deliberately refused repeated warnings, it will be destroyed with a similar Noah event when an asteroid ended 5 February 2287 BC an Atlantis Civilization. Watch once more! It will happen; we should believe Jesus' prediction.
3. To make a WARNING credible Jonah-II came into the Web-town-square with a **Big Fish** announcing a major science discovery in this century of **Free Energy** embedded in gravity and splitting water to gain Hydrogen. Not understanding a rejected BIBLE containing history written in advance will prove that Yeshua-Jesus predestined a date for calamities to begin. Corrupted global governments still suppressing TRUTH exchanged for LIES will be judged. A free Internet now opens the doors of forbidden knowledge gaining a superior science perspective of God's Plan for Mankind ignored for centuries.

### **New Science Discoveries Prove Jonah's Last Warning: A New Divine Civilization is Coming Soon**

This will be the last opportunity to examine a very important announcement of GOD'S WRATH that has been published on the WEB since 2005, expanded now to thirteen free Babushka egg concept books. These books were mainly written to widen a knowledge horizon of inspired divine prophecy, but overlaid with selected new science discoveries from a large technology science pool never done before.

The ELOHIM Creator repeated history many times in his Torah-Bible when mankind became totally evil and violated his laws gave WARNING before he executed his Wrath. Now He has given us a last chance to recognize the legal stipulations of his covenant made with mankind linked to modern computerized high technology.

Therefore I now ask, why is Jonah's message sent from God disregarded? For example, the ancient prophet Jeremiah warned repeatedly the king why ELOHIM was so angered. Once more in our time, he will duplicate a correction when his commandments are desecrated again. Why ignore the consequences and still suppress old forgotten laws postulated by Newton?

Many universities, TV preachers and Rabbis in synagogues rejected it; therefore, they remain inexperienced in Bible prophecy. Predicting future events is usually wrong because they do not realize that our earth-axis wobble recently stopped on 21 December 2012, which would change any Daniel-John prophecy projections, and not matching our Gregorian calendar. Why disregard, what is foreseen by Jesus as, "the date of your death" now uncovered in true science?

Worldwide over 50 Governments and 300 universities have been warned, but are still afraid of the global Oil-Coal-Nuclear Cartels which rebuff the proof of free and green ENERGY? Why do they ignore Gods blessings and reject a big Jonah-FISH, disregarding free electricity extracted from gravity and hydrogen fuel split from ocean saltwater?

The ELOHIM announced his intentions and used the modern Internet town square and sent a number of Torah educated messengers with hi-tech witnesses. Why ignore his big Energy Fish that should have been a credible Warning? What is coming next year will resemble Sodom and Gomorrah and again involve an asteroid linked to a terrible historic date verified by science, which triggered (5 February 2287 BC) Noah's Flood. It destroyed the Atlantis Civilization of a much higher advanced technology. Billion of people perished except eight people building a boat believing God. Notice, once again, a judgment of God's Wrath is appointed for us and will appear suddenly to repeat the same event. What is saving You?

Please take the time and check out that the prophesied intense birth pangs of the Apocalypse will last only 150 days, the birth is very short and is followed by ten days of destruction calculated from science. It is recorded in Revelation (Rev.

17:5) but was planned by a secret Masonic society linked to a Mystery of Babylon which morphed into the seven-headed evil serpent of New York City's FED Bankers printing fiat-illegal money. They initiated a computerized One World Order to gain Absolute Power. An insider leaked how they operate in The Death of Money.

[http://moneymorningtv.com/rickards/ocho.php?pub\\_id=454975&s1=gdnmmp3](http://moneymorningtv.com/rickards/ocho.php?pub_id=454975&s1=gdnmmp3)

Therefore, do not blame God when MAN-MADE calamities match Bible prophecy and will uncontrollably accelerate to totally destroy our 21st Century Civilization, which is guaranteed to go down like the unsinkable Titanic. The group of evil world FED-bankers has power over every technology using illegal capital to devastate the only planet in the universe where LIFE exists. Watch the satellites when disappeared to avoid a nuclear exchange will paralyze a military complex technology and silence the TV-Web, thus will not show the climaxing Last Days of a ruined civilization to prove that the Creator did not cause a final collapse.

The ELOHIM will permit anything to a point but now reviewed what Mankind has invented through advanced science, which was collected by technical inventor Jonah-II in (Pearl #233). Many science-invention witnesses were gathered to demonstrate why the earth's environment will completely disintegrate terminating Life. In addition, every global court witness this German scientist presented is linked to mankind's mismanagement, ignoring Noah's forgotten divine covenant still in force.

We have allowed ourselves to grossly violate a binding divine contract made with ELOHIM and modified His complex gene intelligence into horrid half animal & half humans, therefore becoming total EVIL. When wickedness rises to absolute critical levels, having reached the final consequence of willful devastation of the worldwide environment, then ELOHIM will counter with the law of nature as confirmed with a big fire blast from space. Demonstrated before in history to end Evil like Sodom and Gomorrah?

Remember, this earth is still his property, and He will terminate the global madness of suffering to experience divine Mercy if you survive the Apocalypse.

To preserve original genetic Life on earth, God will once again use an asteroid. He only needs a few pure species-pair animals or seeds stored in an icy underground Norway bunker. The UN has collected to safeguard an irreplaceable diversity of unmodified SEEDS, to prevent a broken food chain, and to start over again repeating Noah's ark. But this time the emerging Third Civilization will be different, as the original EVIL embedded in the Kosmos will be removed and forgotten. Satan will be bound in the netherworld to show angels that mankind's sinful nature can be redeemed.

Future mankind will live in perfect intended harmony while knowledge is greatly increased in Gods Kingdom on Earth incredible being blessed to sustain 1000 years of peace. No money and property ownership will exist, as all wealth is held in common. ELOHIM the Creator will start over again and save some of mankind who are worthy to continue LIFE on

EARTH but this time without evil.

I was recently watching a thousand year history of Islam on TV and saw how they continuously robbed, stole and murdered their neighbors, totally obedient to Satan disguised as an Allah imitation linked to a Koran based on Babylonian religion. I was stunned and numb watching the video. It is shocking to witness the genocidal butchering of God's covenant people seeing how millions of Jews and Christians have been murdered over and over for centuries in so many countries. Worse is the surrounding nearby powerful nations governed by politically corrupted evil leaders always eagerly making business deals with terrorist murderers right up to our time corresponding to American politics? Seeing the rawest form of EVIL will frighten most normal people into blaming God: Why are thousand and thousands innocent people allowed to be tortured and killed believing in "God's Love" revealed in the Gospel? (John 3:16)

As a hungry young refugee myself escaping the Stalin persecution, now late in life, I still feel the depth of sorrows repeated worldwide in refugee camps again. Millions have duplicated this history many times, as Satan's Islam destructive wicked religion has never changed since the dark Middle Ages. Committing painful genocide again and again supported by Western Governments that typically exploit them to make obscene money in selling the latest and expensive hi-technology weapons. They ruthlessly evil invent mercilessly modern techniques to kill efficiently more people. Watching a history show on TV, my sensibility of Christian faith was shocked and tested severely to find some answers.

I was reminded how the Bible recorded another Jesus-Satan rendezvous in the Gospel. This encounter revealed that Satan's domain has been ruling this earth ever since Adam and Eve. While Jesus lived and ministered on this earth he healed people from all manner of diseases and drove out many demons to wrestled back from Satan's domain what the Kingdom of God had lost. That is mirrored today in many global Christian charities to continue the battle. All the painful diseases, pestilence, wars even weather calamities like floods and earthquakes are caused by Satan explained in the Book of Job.

Scientists too imitating Satan can upset and change the global weather pattern by modulating the jet stream with powerful microwave antennas HAARP and will blame it on Global Warming. An ignorant public is wondering why extreme icy winter is so far south causing later horrendous floods manipulated to raise obscene profit for the Oil-cartel.

**<https://www.youtube.com/watch?v=RwRm-jxbKOM>**

Now I understood why God confused the languages at Babel and divided mankind into separate ethnic cultures so that Satan cannot possibly kill all at the same time. As he kills thousands and millions of God's people on one side ever since Cain murdered his brother Abel and has continued for 6000 years, so God in his oversight will make others prosper in a different global corner and have children. In spite of wars the world population has increased to over (7) billion people to balance Mankind again.

Check the history of God's Plan for Mankind, which must be viewed in a bigger picture. My grandkids learned that God

designed our mortality small or old and must be inoculated with a good dose of evil to pass on immunity to the other Jod-dimension side. When arrived, after the resurrection, they must first pass the White Throne test, and perhaps there they will get the answer as to why they were singled out and killed so young and had to suffer so intense?

Evil will be judged in detail, nothing is forgotten as books are opened like YouTube video. All is replayed to the detail for the last day on earth now better informed exposing what happened after we die never preached in church, read page 83 Babushka Egg #1 (Hell, Purgatory, Fegefeuer).

To get my answer of the other butterfly side, God urged me to check out his Bible and read that the life story of Yeshua-Jesus replayed like a TV movie. The Creator sent his Son to be born on earth in Daleth dimension. Not even two years old his parents had to flee to a foreign country to save his life just in time as thousand of babies were killed by soldiers in His surrounding village Bethlehem with Satan behind the slaughter.

Growing up in a poor hill country, but determined to become a scholar, he memorized the whole Torah, not having money for books, before he was 12 years old. During his public 3-½ year ministry he was surrounded by thousands of poor people when free food was offered and healed their sickness, driving out the demons that caused so much suffering. When he sent out 70 helpers to announce the Kingdom of God had arrived, only 12 came back to stick around, and one betrayed him. Wherever he went, he was closely watched to be trapped by a fanatic religious Temple establishment fearing loss of prestige misapplying the Torah changed into synagogue futile traditions practiced even today.

A 2000 year old unshaken TRUTH still does proclaim that God's son, Yeshua-Jesus, came to redeem mankind to offer forgiveness of all sins and to remove Satan's chains of sin by making available the free choice to live forever in God's house in a newly prepared heaven-earth. He promised there will be no longer pain, sickness or death if you pass the test accepting His Mercy unto Life. His Resurrection, recognized in a natural system, cannot be logically disputed.

It was a high price to pay for Yeshua-Jesus to show that the ELOHIM is absolute LOVE to become subjected to mortality and at the hands of cruel soldiers, trained by Satan, permitted to torture the author of all LIFE on earth. It demonstrated that God has absolute Love for mankind when he allowed himself to be horribly abused, flogged and crucified. At the end of the Time dimension, everyone who died will see a video of Jesus' life and witness the shocking evidence still seen on his back, the nails and side wounds forever visible against the background being a blessing to thousands of families in every generation now 2000 years.

Worse, he was rejected and betrayed by his friends even being forsaken by his heavenly Father, atoning for the whole Kosmos creation "SIN" judging evil. The movie will replay the full Gospel account of his life on earth and the purpose why God created mankind for everyone to understand what was suppressed by many false religions and perverted by an atheistic evil One-World-System. Watch God's Wrath!

Going back, if those who were unjustly murdered and

persecuted even as a child could now compare the creator who stepped down to our level too, suffering under evil to experience the same and showed the way out to God's Mercy. Death is the enemy of life, as God did not spare his son to save me and pay my sin-debt expenses causing eternal Death. Yeshua-Jesus explained that the consequence of death will be abolished... "no more pain and sorrows."(Rev. 20)

Once Mortals pass the White Throne balance test with the Book of Life opened and are qualified for a future Jod existence, they will be very privileged to live forever in God's house. The ELOHIM desired to have intimate fellowship with redeemed mortals to share a new creation with those who trusted him during the terrible evil time of the 21 Century Civilization rebellion.

Check out the prophesied dating events collected in Babushka-Eggs & Pearls ignored in most Christian churches to widen a knowledge horizon if you have the endurance to be educated in science. One thing is sure that even Satan will come to his end and beg ELOHIM for his final option "take my life away." To be totally isolated in Hell as a rational being and forgotten in a vast universe is horribly dreadful.

Pay attention that only the creator can give or take away "LIFE." God will ask Satan the final question, "Why are you alone, where are your friends, why has everyone abandoned you on their own choice and took my option offered to anyone being created in my image? You were specially favored and formed as the mighty highest Cherub-angel surrounded with power and prestige. Why have you rebelled and caused evil upsetting totally the whole angel society?"

The Creator fixed a KOSMOS problem in a temporary Daleth Time-dimension but it cost a lot more. He left the Heh-heaven dimension and bought a field of buried treasures on a ruined earth to save mortals like me damaged by sin desiring to become whole asking for His GRACE to receive eternal Life, and wish to become an appointed Saint with a special heritage. (Rev. 21:7)

"See, I am coming soon; my reward is with me, to repay according to everyone's work. I am the Alpha and the Omega, the first and the last, the beginning and the end." Blessed are those who wash their robes, so that they will have the right to the tree of life and may enter the city by the gates.

Outside are the dogs and sorcerers and fornicators and murderers and idolaters, and everyone who loves and practices falsehood.

"It is I, Jesus, who sent my angel to you with this testimony for the churches. I am the root and the descendant of David, the bright morning star." The Spirit and the bride say, "Come." And let everyone who hears say, "Come." And let everyone who is thirsty come. Let anyone who wishes take the water of life as a gift. The grace of the Lord Jesus be with all the Saints. (Revelation 22:12 NRSV)

We learned that the Bible has embedded a lot of novel science and comes with a detailed Plan for Mankind, but why

is it suppressed by the Christian church establishment?

After the Apocalypse birth, a new and never experienced righteous divine civilization will start with God's Kingdom on Earth now dated with science. The last global events described in (Matt. 24-26) will then make more sense.

The guilty verdict was settled in the ELOHIM Court Case recorded by an appointed prosecutor. God's Plan for Mankind will be concluded with this last Jonah message: "Repent" and seek Yeshua-Jesus now crowned KING and ask for his Mercy freely given.

## **A Letter to Christian Churches Pointing to a 5-Month Apocalypse (Babushka Egg Pearl #226)**

Worldwide many Christian churches have grown into mega congregations, some with TV audiences in the thousands, in an escalating population having crossed the seven billion mark back in 2012. But Western Civilization became atheistic like over-ripened fruit in harvest time now rotting to be cast out. Even Christendom has lost its salt preserving influence no longer exerting a sanctuary on its society.

God, the ELOHIM, has sent a second Jonah onto the town square to wake up an atheistic society with a WARNING that became corrupted by evil. Pay attention! God placed in the sky an unusual tetra blood moon constellation historically matching only with Hebrew festivals. This phenomenon is not repeated in 500 years, which is proof of it being a last WARNING to our civilization. The computerized One World Order will end with the last tetra blood moons prophesied in the Bible: **17 September 2015**

<http://www.youtube.com/watch?v=HXUqfNQ3J0o>

In addition, for the skeptics, God has prearranged many witnesses like ancient bronze clocks exhibited in various museums as well as many science witnesses forecasting the Apocalypse, all matching a number of Bible prophecies. Take your time to watch some good YouTube videos that all date an awful cosmic event in history matching a Virgo Constellation. **23 September 2017**

[http://www.youtube.com/watch?v=\\_1y\\_hLqVxf4](http://www.youtube.com/watch?v=_1y_hLqVxf4)

Worldwide, mankind has benefited from a 2000 year-old Christian influence changing a world, establishing basic human rights, creating many charities. Why now forbid globally the free expression of the Christian faith and undermine its credible influence on a society that once brought blessings for all mankind? Why is it suppressed internationally in this generation? Why has this generation become so totally corrupt in violation of God's ancient standards recorded in his book?

This will force God, the ELOHIM, to interfere with the affairs of mankind once again as they practice a wicked evil technology, which is destroying much Life on earth. Globally the environment is poisoned with food resources and ocean life is fast declining permanently now endangered by genetic manipulation, guaranteed will force all existence on this planet to terminate all LIFE and thus become extinct in the universe.

A similar event is recorded in history during Noah's time. It caused God's Wrath, which was demonstrated with an asteroid, (5 February 2287 BC) destroying that atheistic society without a trace. Why will our hi-tech civilization not refrain from making the same GMO mistakes, consequently bound to experience God's Wrath once more? They will not escape, just like many of Noah's relatives, of whom many were righteous resembling true Christians but missed the boat because they were unconcerned, having parties, eating and drinking instead of heeding the words of Yeshua-Jesus. Theologian wake-up!

Again history is repeated in watching YouTube on worldwide TV NEWS, why are Christians being intimidated on a global scale, many persecuted, tortured and murdered by corrupt, polarized governments, especially in the Middle East by terrorists. Most Christian schools, if not demolished, are compelled to teach unscientific evolution theories concocted as facts, which has brought forth a generation that is totally atheistic, educated, destructive and rude on a global scale.

As a successful hi-tech inventor motivated to investigate suppressed science so deadly to the environment, collected many scientific facts from across various physic disciplines linked to the Bible. It revealed that many forbidden scientific statistics usually lethal to Life which is grossly offending the ELOHIM. My discoveries were summed up in thirteen (13) free Babushka egg concept books matching hundreds of Bible prophecies from a true science perspective ignored by global governments and most Christian churches still mired in denominational doctrine confusion from the Dark Age.

Both establishments allowed an evil programmed Satan-driven technology, now out of control, which is bound to terminate most LIFE on earth; much of this is already exposed on a free Web. The global destruction of mankind will soon culminate in a crescendo to the Throne of Heaven, ending in the last Armageddon war prophesied for next year.

That is proven by many collected prophetic Bible verses now announced by a Jonah big Fish to better understand our political world system pointing to free ENERGY being suppressed. They all indicate countless violations of divine laws; leading to a dire penalty, watch God Wrath.

Our 21<sup>st</sup> Century civilization is in gross conflict with the ELOHIM's contract made with mankind. The time has come to conclude the prophesied Apocalypse and will now respond next year and watch his fury to end this atheistic society. He must save original LIFE for the next generation thus totally will destroy every screwed-up genetic modification globally controlled by a conglomerate evil Monsanto octopus cartel.

But God's Grace sent forth once more to the global TV town square another Jonah-II with a Warning to announce the exact time of Jesus' arrival to earth. He will clean up His house and repeat God's Wrath to purge mankind once more from all evil by sending another asteroid already in orbit.

Only those who are appointed will survive and become a witness of the First Resurrection which consists in collecting the "Saints" Yeshua selected, those with more oil (Matt. 25). They were destined for God's Kingdom on Earth celebrating Gods Plan now implemented coinciding with Yeshua-Jesus birthday, just in time to save mankind once more, as dated by Jesus Christ Himself and recorded in His Word.

Christians should investigate a little of science linked to Gods Wrath, dated 17 September 2015, but will end three days later in the last Hebrew festival Sukkot matching the last super blue blood moon and a sun eclipse. In addition it will align with 23 September 2017 linked to a Virgo constellation in the sky matching a major Hebrew Jubilee. That special Hebrew holiday suggest that a survived Israel will be celebrating (5) five events: 1.The coronation of a King, 2.laying the foundation stone of Ezekiel's Temple, 3.The fifty year Jubilee linked to 4.The 70th Anniversary Independence of Israel & celebrating a returned 5.Shekinah Glory.

A friend of mine asks: why do we need five witnesses to establish facts? The meaning of the number five in the Hebrew Alphabet Number System (HANS) is Heh - the other side, like a hologram in physics defining a higher level. In any court of law only (3) three witnesses are required to establish truth. But proving a Bible interpretive doctrine needs a higher level linked to the Kosmos Law governing all of God's creation revealed in the Torah-Revelation.

Consequently, the Christian church has become comatose accepting false prophecy teachers not educated in science. They are avoiding the issue of God's Wrath even though it is dated by Jesus Christ, mostly responding, "No one knows the time," misquoting a Bible verse. Unbelief and false doctrine have closed the door of understanding God's Plan for mankind. Why have Christians shown no interest in the many witnesses presented by science and embedded in the Bible? They are now collected in thirteen Babushka egg concept books written by a retired seasoned inventor-scientist.

Surely, God has all along been pointing out a date, proven by science, to wake us up from sleep. Yet they will not even believe Jesus will keep silent, going about business as usual, not bothered about the "Five witnesses" required establishing TRUTH.

Being brainwashed and forced to adapt with the surrounding culture where the divine laws of good and evil have been morphed into relativity by blurring the difference between good and evil, denying the ancient rule of fixed divine laws. As a result, they have fallen into ignorance and utter folly.

Why have Christians become so ignorant? Why is money, greed and prestige more important to theologians who are untrained in science? Worse, why keep alive the denominational quarrels from the Dark Ages? If the modern Christian faith were to be put to trial, could it pass the legal court system, while avoiding the five witnesses requirement to establish a sound doctrine to better understand the Bible?

When false Christian dogmas were introduced, not matching Truth, why was the Word of God not investigated with five witnesses to prove a clouded doctrine case? It twisted the Bible interpretation into theological confusion forcing many Christians to become victims of lying corrupted scholars from the atheistic evolution religion camp, which now globally control the education of our children sliding to inferior levels in utter ignorance. Compare an 8th grade exit examination hundred years ago with a college degree and getting worse.

No wonder Christians have lost the contest. They have ceased to stand up and fight, especially in America and lost the Constitutional right of public prayers now forbidden with the Bible expelled from the classroom encouraged by US Congress for 150 years. A computerized generation has grown up, poorly educated, brainwashed by atheistic unscientific fairy tales void of any logic. Entrapped Christians now have lost their privilege and became comatose too; consequently they will perish like Noah's relatives who missed the boat. It is orchestrated in the virgin story and could have been avoided "I never knew you", declared by the King-Yeshua not having enough entitled oil.

What perverted the Christian faith? Why did many Christians vote for corrupt atheistic politicians to high office down to the school-board level? Why allow God's Word to be adulterated to make it conform to a more fashionable language? Going overboard, mistranslating the Bible, perhaps for extra profit, motivated some domination publishers to sell more Bibles intentional blurred the Christian faith resulting in confusion as to believe that Yeshua-Jesus the Creator of the universe does "not know the time" of His promised return?

That lack of true bible knowledge in Christian churches caused being unaware of "a date" of God's Wrath not even mentioned in synagogues. It is avoided by theologians who do not understand Bible periods timed and cross-referenced to ancient calendars? It is sad that most TV preacher-merchants of faith are stuck in a hundred year-old misunderstanding repeating in ignorance a mantra, "No one knows the time," still postulating favored opinions of some Christian dogma mish-mash, ignoring again as usual the five witnesses needed. They will surely fail a passing Bridegroom, unaware of his schedule. Similar to a damaged groove of an old record that only plays the dented track over and over never realizing there is music on the other side.

Why do many preachers not believe in dating the Apocalypse? One should ask them: Have you ever visited museums to learn about a dozen ancient clocks that do tell time being educated in science linked to an exponential declining earth axis wobble calendar by Jesus Christ BC/AD?

Why not be knowledgeable in a little science to identify how prophesied Bible dates are calculated still using a Julius Caesar calendar who measured an earth axis wobble which was fixed only last year. It can be done without computers.

Just check the ancient bronze 32 gear Antikythera clock over 2000 year old now decoded after 100 years in my third Babushka egg concept book. Remember, if the righteous watchman keeps sleeping, ignoring all warnings therefore is sinning but notice the consequence.... he will die. That is serious. The Bible verse in (Ezekiel 18:26) spells out various conditions of life and death meant for theologians not believing what Jesus said.

The time has arrived where God will separate the wheat from the chaff. If you desire to honor the Lord maybe you should discard speculated opinions in so many prophecy conferences deficient of five witnesses. Advocates of such speculations quietly ignore the five Bible eyewitnesses required to prove a favored Christian spiced up doctrine case in any court of law. They will be surprised to be found out guilty thus wrong not educated in true science.

Many grandiose plans fueled with big money may be useless because they oppose Jesus' teachings, ignorant of the schedule of the Bridegroom's appearance. Only those who belong will be awake at the His arrival, and will be separated from the religious play-actors fake theologian. Becoming a true saint will involve having sufficient oil indicating being appointed by the King. Why were some virgin surprised? (Matt. 25) There is an advantage in having more oil, for thus we shall know the scheduled date of the Bridegroom's arrival.

Yeshua-Jesus is coming back from his Heh dimension Kosmos in a gigantic 1800-mile large UFO known as Star of Bethlehem renamed the New Jerusalem. Looking closer to visit earth again that traveling huge golden Royal spaceship city (Rev. 21:10) functions like an Air Force One. Shaped for speed is a brightly lit pyramid seen worldwide to greatly shock everybody. (Rev. 6:12-17) It will announce the reign of Jesus Christ as King of kings and Lord of lords. A divinely planned civilization will now become a reality and result in restricting Evil, causing peace on earth to last 1000 years.

Please don't be offended, especially preachers in the public TV square, but God's business is very serious - similar to the Apostle Paul facing an atheistic crowd in Greece. This is your last opportunity. You've only got one year to go to announce a final Jonah's warning that could save some from God's Wrath now dated with unusual moon and solar eclipses in the sky as taught by science. Watch an extraordinary Nisan 1. solar eclipse (**March 20, 2015**) and compare it to the ancient Babylonian sun religion embedded in the Vatican which has shaped Western Civilization:

**Fossilized Customs -  
The Pagan Source of Popular Customs, Lew White:  
[www.fossilizedcustoms.com](http://www.fossilizedcustoms.com)**

But trusting the Bible could gain you a huge reward if you believe what Jesus said (Luke 21:32). Perhaps you could learn a little more about the Hebrew culture and holidays. Mised Christian should notice that only the "Saints" will witness the biggest event: Jesus Christ's return to earth, now dated in agreement with science, **September 28, 2015**, also matching a Hebrew holiday structure divinely instituted. Thus you will know the embedded Bible schedule. But if you are a Christian and want to survive make sure you are appointed a "Saint."

God's Plan for mankind is regulated like a business running on a schedule. This opportunity from science matching the Bible will not last forever. Only if true science is overlaid with prophecy a date is thus exposed matching what Jesus said:

**“Truly this generation will not pass away  
till all has taken place.”**

One generation is “70 years” as proven by (Job 42:16) and many Hebrew concept witnesses linked to some science specialties for scholars. But if you can think in simple logic, count from Israel's rebirth 1947/48 and apply Jesus' sayings:

(1947/48+70=2017AD)= Feast of Tabernacles 15 Tishri 5778

Why do modern day prophets, speakers, theologians not investigate Jonah's WARNINGS concerning dating God's Wrath nearing its destination, as the ELOHIM must first terminate Evil embedded throughout the Kosmos before The King of kings arrives? There is still time to read some Babushka egg science booklets collecting hundreds of historic facts from physics which have never been postulated.

I recommend you read them backwards, as the ELOHIM revealed a little here, a little there like (Isaiah 28:9-10), which took 10 years to collect while dictating to a modern scribe. This is the first time that hidden Bible truths are revealed from a science perspective and corroborate why God created a universe like a smaller egg growing to the next bigger with the same picture concept belonging together, illuminated by knowledge to enhance the story of God's Plan for mankind. It was meant for this last generation destined to perish.

My hope is that some will learn why God created man, applying true science embedded in the greatest 6000 year-old history book of mankind. Applied science should teach more about history, like tracing the Egyptian-Aztec-Chinese hieroglyph each telling a story of their culture mentioned in Babushka eggs. When God confused the languages some developed more flexible alphabets, while only the “fossilized” Hebrew Alphabet Number System (HANS) still shows what was retained from before Noah's time 2288BC.

Theologians who wish to widen knowledge horizons and to be better educated should investigate why God's Wrath will destroy again our earth, just like the Atlantis Civilization disappeared, hit by a historic asteroid dated with ancient clocks (5 February 2287 BC) causing a number of earth axis “wobbles.” These facts not taught in fake science could prove the Bible to be right. To verify it check out why Julius Caesar inserted 62 days and projected a date of 21 December 2012. That made it possible to set a Bible date accurately, confirmed with NASA GRACE Satellite instruments. This will help anyone interested in finding better answers to explain God's Plan for mankind, concepts never allowed in church or taught in synagogues blinded by a 2000-year veil.

Collecting this material took some effort, resulting in thirteen (13) Babushka concept books introducing a better story of God's Plan for Mankind linked to the first and culminating in a crescendo Babushka Egg #13 to prove a date ending with God's Wrath **17 September 2015**.

This will be the last Jonah message to warn an atheistic hi-tech, computerized world. It exposes their evil lies, which

have put this planet in danger of extinction, threatening the very existence of all LIFE. It should wake up the many slumbering Christians too should be scared to repent thus gaining a little time. Hopefully being convinced what is written in the sky of four (4) blood moon signs and two sun eclipses matching Hebrew holidays not repeated in 500 years linked to (Isaiah 2)

Expanding a Torah-Bible vision (Revelation 14:6), many angels will announce the last seven trumpets message linked to a rapture misunderstood by many theologians, which is unknown to Rabbis. It could be better explained by watching a 360-degree roundabout movie with different perspectives.

If you stand in the middle you can observe one side, the Heh dimension (heaven), and at the same time the other side, Daleth (earth - this world in this time), all to terminate this last 21<sup>st</sup> Century Civilization with an asteroid already in orbit as projected by science. Not only will Satan be bound in hell, but the KOSMOS, heavens and earth will be purged of all EVIL forever totally eliminated. That was never preached in church but could gain knowledge linked to Babushka Eggs #11&12.

It will usher in the greatest cosmic climax everybody will see worldwide: the Star of Bethlehem levitated in the clouds, immensely big, estimated over 1800 miles across, a royal City Satellite (Rev. 21:9) blocking the sun and hovering over Jerusalem again for ten days as prophesied in accordance with science to finalize God's Wrath even dated with star constellations → **17 September 2015**.

Everybody on earth will see that huge spectacle in the sky, shining immensely more brightly than the sun converting the darkest night gleaming with light. All will be shocked to see a Kosmos-Satellite announced previously seventy (70) times “ON THAT DAY”, by four prophets Isaiah, Zechariah, Jeremiah & Zephaniah exposed in Babushka Egg #11).

The Torah-Bible reveals that the majority of the world's populations never heard the story of Gods Plan for Mankind. Every mortal will receive a new resurrected body on the Last Day and is evaluated in a balance of “Good and Evil”.

But God looks deeper and will check our acquired immune system that was programmed to detect evil. Some left-behind Christians should have known much more of God's Word if not appointed to a one notch higher Saint. A faulty misleading denominational faith lost the advantage, being on same Satan level believing too. All Mortals will be evaluated with a balance but not all are equal. God treats every soul uniformly but on their level. Pay attention:

When all our sins were forgiven by Yeshua-Jesus now only weighted in a balance how much “evil” was inoculated. The immune system will protect a future Jod dimension life and will snuff-out evil in the bud like recessive genes could germinate again upsetting a KOSMOS.

Thus, Christians have the reward system screwed up, because it is not taught in church. Much confusion exists as to who is to be raptured, who to be resurrected or left behind at the last and seventh trumpet blast to perish in the final Apocalypse.

Maybe what will be snatched and carried away are mortal baby children being separated from shocked parents who will be left behind. Only those covered by a covenant or being sinless will be saved from Judgment. Perhaps babies could

get piggy backed by a SAINT called the “First Born” by the angels. Millions of mortal baby-children will be presented to the heavenly congregation before a brilliant lit ELOHIM Throne. The Saints will be offering according to Hebrew festival customs: the “First Fruit harvest”. When the Satellite (10) ten-day wedding party is over, the Saints will return with their precious mortal First-fruit and come back with the Lord Yeshua-Jesus from a city suspended in the air.

A unique divine Kingdom will now repopulate the earth with special anointed babies branded as holy being raised by survived Israel and the Saints. A new emerging population will speak only one single language, reversing the Babel language of confusion and brought back to the original state which is Hebrew originally spoken by Adam and Eve.

But while the immensely large Golden City hovers in the clouds with the earth passing underneath. The biggest event will happen read Revelation describing the prophetic journey passing right and left on a roundabout movie screen.

Pay attention: Yeshua-Jesus revealed the end of this atheistic One-World system in judgment. All mortals who have sinned will be killed and “utterly perish” including many Christians, only the elect are saved. (Matt.24:29)

<http://www.youtube.com/watch?v=lf9yzHwOeUc>

A righteous divine Kingdom on Earth is starting a new civilization. Much that is described in (Matthew 24-26) will now make more sense. The ELOHIM Court guilty verdict case has been settled by a prosecutor appointed by God and concluded with Jonah’s warning Babushka egg concept books #10, #11 & #12 and many Pears, like #107, #168, #200).

## **Pearl #666-**

### **A Possible Forecast Ending God’s Wrath**

Jonah II came into the Internet town square 10 years ago to reveal the APOCALYPSE of seven years (2008-2015). It will end next year in God’s Wrath. ELOHIM appointed a retired hi-tech inventor using modern science to harmonize what was hidden in the Bible. This method unlocks knowledge and exposes dating to try to end theological confusion. Many have forgotten that the Bible history was written in advance according to a logical, planned schedule like a train with different time zones.

Christian should watch YouTube videos to discover the biggest reason why the Apocalypse will be ending next year. An evil driven high-technology is demonstrating mankind’s worst violation forbidden by ELOHIM guaranteed to incite God’s anger in a dreadful encounter to stamp out the GMO rebellion.

Many atheistic scientists now proudly reveal to the public to show their recent results of countless experiments succeeded in creating new species half human-half animal.

[https://www.youtube.com/watch?v=zcCh\\_7sP66c](https://www.youtube.com/watch?v=zcCh_7sP66c)

Consequently, Satan will soon gloat, “I am more powerful than ELOHIM, screwing-up his creation.” God will not procrastinate! Watch next year: a new baby will be born, “God’s Kingdom on Earth.” It comes with a placenta, an evil corrupted world system, burned with fire. The other side of the coin is the reversal of what has gone wrong in the angel Heh-dimension when Satan and 200 million government administrators rebelled against the established heavenly Order, dated on the Julius Caesar calendar (4488 BC).

It created EVIL for the first time still infused in the KOSMOS. But according to God’s Plan for Mankind EVIL will be terminated in God’s last war. First settled in heaven by the Arch-angel Michael continued on earth helped by 4 Death angels together, will destroy the army of Arch-angel Apollyon from the bottomless pit who escaped with his demonic angels to devastate the earth in five months (Rev. 9:5) now dated with true science... à 17 September 2015.

But the main reason to fix this Kosmos problem was demonstrated when the ELOHIM created a seven-cycle universe linked to mankind in a special earth. But it will be perfected in a two stage system (caterpillar-butterfly), as some will be chosen to be a Saint. The angels called them the Firstborn; analogous to the five virgins with more Oil appointed by the king ordained to co-rule a new heaven. Chosen to higher office, they must suffer more being well acquainted with evil to refill the vacancies replacing the previous Lucifer administration that rebelled, one third became evil imprisoned in hell now escaped. Only those graduating from sainthood with more oil will become governors which disappointed many left behind Christians.

The Saints will be trained as judges during God’s Kingdom on Earth to watch for “recessive-Sin” genes embedded in the immune system which could reappear sometimes in the future. Being specially chosen they will suffer much more, many are beheaded by Islam controlled by Satan being destined to protect a restored KOSMOS to make another rebellion impossible, as angels could no longer be trusted replaced by the one notch higher Saints.(Rev.6:9)

Two major highlighted events among many could lead to the end time of God’s Wrath. Investigating the Plan for Mankind with true science, I came up with a schedule even embedded in the zodiac sky. Search some YouTube videos gone ballistic with new discoveries, a Virgo constellation, tetra blood-moons, and sun eclipses all matching the first Jubilee discovered ten years ago proven with two witnesses:

**22-23 September 2017**

<http://www.youtube.com/watch?v=HXUqfNQ3J0o>  
[http://www.youtube.com/watch?v=\\_1y\\_hLqVXf4](http://www.youtube.com/watch?v=_1y_hLqVXf4)

Other implications of the endgame were recently discovered on TV. They should be construed to be only an opinion when logically aligned with the current events stated next.

A short time ago the first tetra blood moon of the zodiac sky gave warning, but the matching NEWS was delayed a little and reported a few months later July 2014. Global TV NEWS headlined that a huge stockpile of deadly bacterial poison gas bombs were captured by al-Qaeda terrorists in Afghanistan left by the American Army going home. Was that done on purpose? Plausibly, the next blood moon event could match

the second bad NEWS: perhaps ISIS terrorists got enough enriched uranium for an atomic bomb - also deliberately left to be captured, a presidential Bush family dynasty would know about. Why?

The answer could be linked to NYC 9/11 with a Shemithah warning projected by Rabbi Jonathan Cahn that started the Apocalypse 2008 with a big financial global crash in NYC.

When the (7th) Shemithah (Jubilee) is overlaid with prophecy mirrored in ancient calendars could match a New York City disaster perhaps corresponding to the "tree holiday" now dated in Pearl #251 (**5 February 2015**) which could reflect the same event that destroyed the Noah civilization on (**5 February 2287 BC**).

It is coupled with the history of ISLAM, a pale green rider (Zechariah & Revelation 6:1-7) and watch some YouTube videos on Islam to provide a closure of the Apocalypse circle concluding in God's Wrath - now five witnesses again:

<https://www.youtube.com/watch?v=gGF8213KIL8>  
[https://www.youtube.com/watch?v=uhtO\\_AYXOFY](https://www.youtube.com/watch?v=uhtO_AYXOFY)

To create artificial fear in the USA, the 9/11 disaster was engineered by the Bush family dynasty to get (11) eleven presidential emergency degrees approved by Congress in a newly formed Homeland Security Agency. It will eventually replace the US Constitution with Marshal Law enforced by a joint military-police authority to shut down a non-functional corrupt US Congress.

Again a stained American Government will fill up once more the prepared detention concentration camps with undesirables as in 1941, except this time will purge many Christians holding on defending a US Christian Constitution only to repeat history similar to Hitler's Germany.

A biased - do nothing United Nations endlessly lament, and a habitually undecided Islamic President Obama favors Hamas terrorists controlling Gaza. Why are they not helping a democratically elected Israel surrounded by millions of hostile Moslems bent on erasing Jews off the map? That will global backfire and wipe out a free America never to recover.

Soon we could see chaos on TV as thousands of Jews will be killed by modified Gaza rockets stuffed with that bacterial poison gas along hundreds of none detectable erratic low flying 4 electric motor toy drones being radio controlled carrying anthrax.

It will get worse for America; a crude atom bomb previously captured by ISIS terrorists explodes in NYC harbor to kill the big Satan. To buy an A-bomb is easily available from corrupted Pakistan-North Korea generals getting big money to retire in the Bahamas. When the US Army will wake up and react is your guess, but for America to survive might counter with nuclear bombs, too?

That would continue a prophesied scenario of global lawlessness now with Marshal Law imposed in the USA injurious to the global FED bankers, affect the Saudis' oil distribution and devastate the Stock Market casinos, like three flies with one squat. Three previous apocalyptic horse riders already left the barn like white-Vatican, red-Socialism, and black-Capitalism now foretold that one quarter of

mankind is killed by a green-pale Islamic horse rider breaking the 4th Seal in Revelation. (Rev. 6:7)

Atomic explosions will create electrical blackouts and lead to massive starvation and unrest. Worldwide Islamic sleeper cells implanted in many mosques will be activated; especially Islam is favored by the White House, thus repeating history of a Trojan horse. To prevent future terrorist threats must act to knock out imminent potential trouble in Afghanistan, Pakistan, Syria, Iran, Iraq, or Turkey. It will end with 5 month extra terrestrial Three Woes from the demonic underworld foretold as stated in Bible prophecy. (Rev. 9:12)

To stop the nuclear flywheel gaining speed, the Russian or Chinese must knock out the satellites controlling the military hardware. Consequently that will destroy the computerized space-technology to obsolete the Web.

Modern warfare will revert to manual as they can no longer navigate ships and airplanes with forgotten old-fashioned sky observations. It will traumatize the global Military Industrial Complex and tail spin a shattered and bankrupted worldwide economy now causing massive starvation as Oil is strangled and will affect a wide-reaching electrical blackout, along with water, food, service gone, creating chaos.

A One World Order controlling a powerless United Nation linked to FED banker war-criminals, now bankrupted can no longer finance a world economy unable to fight an outdated "low-tech" war. It will give the signal for ISLAM that the time has come. Prophesied marching 200 million angry people shoulder to shoulder with swords and clubs inflamed with hatred to kill all the Jews in Israel. A provoked mob of many nations stirred up by a deceptive Anti-Christ-Vatican alliance will concentrate in Armageddon conflict ending next year in God's Wrath.

The Hebrew prophets predicted the last genocide of Jacob's Trouble where half of Jerusalem will be overrun, murdering four (4) million Jews on the way, no longer protected by a decimated Israeli army run out of ammunition and options. But watch the sky only Jews and sinless babies will survive the last atheistic evil Civilization on earth.

**7th Trumpet → 17 September 2015** (Isaiah 66:15, Ps. 110:5)

Then the Seven Revelation trumpets will be heard worldwide blasting fearful God's Wrath in a gigantic UFO encounter from space with no escape. The golden pyramid city over 1800 miles across will hover over Jerusalem and visit again, described in the Gospel as the "Star of Bethlehem". But also comes to rescue and save a remnant of Israel as described in Babushka eggs #10, #11 & #12 detailed documented in special Pearls applying science.

Like Hebrew Teth overlaid, a new Civilization is born, God's Kingdom on Earth, but a baby is linked to a bloody placenta of the atheistic One-World-Order destroyed by

## God's Wrath THE JUDGMENT of YHWH ENDED

Isaiah 43:1-28 - Isaiah 44:6-8 (NIV)

"But now, this is what the Lord YHWH says - he who created you, O Jacob, he who formed you, O Israel:

"Fear not, for I have redeemed you; 'I have summoned you by name; you are mine. When you pass through the waters, I will be with you; and when you pass through the rivers, they will not sweep over you. When you walk through the fire, you will not be burned; the flames will not set you ablaze. For I am the Lord YHWH, your God, the Holy One of Israel, your Savior; I give Egypt for your ransom, Cush and Seba in your stead.

"...Do not be afraid, for I am with you; I will bring your children from the east and gather you from the west. I will say to the north, 'Give them up!' and to the south, 'Do not hold them back.' Bring my sons from afar and my daughters from the ends of the earth - everyone who is called by my name YHWH, whom I created for my glory, whom I formed and made." Lead out those who have eyes but are blind, who have ears but are deaf. All the nations gather together and the peoples assemble (to end in my Wrath). Which of them foretold this and proclaimed to us the former things? Let them bring in their witnesses to prove they were right, so that others may hear and say, "It is true."

10 "You are my witnesses," declares the Lord YHWH, "and my servant whom I have chosen, so that you may know and believe me and understand that I am he. Before me no god was formed, nor will there be one after me. I, even I Am the Lord YHWH, and apart from me there is no savior. I have revealed and saved and proclaimed - I, and not some foreign god among you.

You are my witnesses, "declares the Lord YHWH, "that I am God. Yes, and from ancient days I am he. No one can deliver out of my hand. When I act, who can reverse it?" I Am - the Lord YHWH, your Holy One, Israel's Creator, your King." This is what the Lord YHWH says - he who made a way through the sea, a path through the mighty waters, who drew out the chariots and horses, the army and reinforcements together, and they lay there, never to rise again, extinguished, snuffed out like a wick. "Forget the former things; do not dwell on the past.

See, I am doing a new thing! Now it springs up; do you not perceive it? I am making a way in the desert and streams in the wasteland. The wild animals honor me, the jackals and the owls, because I provide water in the desert and streams in the wasteland, to give drink to my people, my chosen, the people I formed for myself that they may proclaim my praise.

22 "Yet you have not called upon me, O Jacob, you have not wearied yourselves for me, O Israel. You have not brought me sheep for burnt offerings, nor honored me with your sacrifices. I have not burdened you with grain offerings nor wearied you with demands for incense. 24 But you have burdened me with your sins and wearied me with your offenses. "I, even I Am YHWH blot out your transgressions, for my own sake, and remember your sins no more. Review the past for me, let us argue the matter together; state the case for your innocence. Your first father sinned; your spokesmen rebelled against me. So I will disgrace the dignitaries of your temple, and I will consign Jacob to destruction and Israel to scorn.

44 "But now listen, O Jacob, my servant, Israel, whom I have chosen. This is what the Lord YHWH says - he who made you, who formed you in the womb, and who will help you: Do not be afraid, O Jacob, my servant, Jeshurun (Yeshua), whom I have chosen. For I will pour water on the thirsty land, and streams on the dry ground; I will pour out my Spirit on your offspring, and my blessing on your descendants.

6 "This is what the Lord YHWH says - Israel's King and Redeemer, the Lord Almighty: I Am-YHWH, the first and I Am the last; apart from me there is no God. Who then is like me? Let him proclaim it. Let him declare and lay out before me what has happened since I established my ancient people, and what is yet to come - yes, let him foretell what will come. Do not tremble, do not be afraid. Did I not proclaim this and foretell it long ago?

You are my witnesses. Is there any God besides me? No, there is no other Rock; I know not one."

(Daniel 2:34, 44-45, & Psalm 83)

## Updated World Cuckoo Clock

God's Plan for Mankind was first recorded by Enoch the seventh generation from Adam before writing of the Hebrew Alphabet was invented. He did not live long and disappeared perhaps into the other dimension? The name Enoch in Hebrew means "education" and was a brilliant multi-dimensional scientist, architect of the Great Pyramid in Giza and has inbuilt in stone advanced space knowledge and only recently discovered his higher mathematics not yet improved.

Some Babushka Egg Pearls have highlighted a number of Enoch's events reflecting a superior knowledge in a biblical three dimensional Kosmos-universe defined as Heh-Daleth and a future Jod dimension typical embedded in the Hebrew Alphabet Number System (HANS). He passed on information from before Noah's time identified as the Atlantis First Civilization, which ended in God's Wrath.

That ancient society was far more technically advanced in GMO capability which grossly violated a divine ELOHIM covenant made with Adam, thus judged with a historic asteroid dated on the Julian calendar 5 February 2287 BC.

This is verified in many ancient gold-bronze-stone clocks exhibited in many museums and recently proven by NASA. But why is it ignored by atheistic fake sciences, which rather believe in baseless atheistic fairytales suppressing history.

A pyramid has a base of four corners plus four sides coming together at the apex, totaling five, symbolic of the Kosmos Heh-dimension. The capstone is represented as Yeshua-Jesus-Christ, the eternal Word made flesh. He is the owner and, similar to any ball game, also the referee of two team players. One is Satan and his Demons and the other party are Mortals and the Saints.

The structure of the infinite Kosmos is reflected in a five-sided pyramid design. That unusually pyramid outline is mentioned in the Torah by prophets Enoch and Ezekiel and better described on the end of the New Testament (Rev. 29:9) purposed like Golden City about 1800 miles across previously known as Star of Bethlehem. It functions like a presidential AIRFORE ONE. It was meant to visit the Daleth-dimension traveling through space at high velocity littered with debris of forming galaxies and floating rocks and asteroids. The pyramid is a practicable design for the Elohim to travel in style at extremely high speed and needs a pointed nose like a rocket.

On the bottom is the motor fueled by infinite energy described in the first Genesis verse started with  $\infty$  Light which was placed on the first creation day in the universe. The metaphysic explains how all the galaxies are formed and fueled with  $\infty$  energy to crystallize into matter converted by a Time-dimension check it out in the Babushka Egg #9.

That of course is not taught in universities embroiled in atheistic evolution lies to darken a Mind to keep students ignorant. Any design is purposed to reflect a one notch higher intelligence to understand the metaphysics even Newton postulated. Why can we not read the other 50% Newton's laws he writes about concealed by the establishment?

On one pyramid corner follow the edge going up representing Satan domain linked to a Heh-dimension to crosses over the apex down to the other diagonal base corner.

The mortal mankind party is on the next corner, but will mirror a Daleth-dimension repeated passing over the capstone too still missing in Giza to indicate Jesus Kingdom is still future. The base has embedded a clock to compute Gods Plan for Mankind within a Time-dimension. The German black-forest clockmaker invented a clock with extra features and even included the sound of a cuckoo.

That is a useful illustration converting Enoch's pyramid Knowledge in a familiar world clock illustrated on page 3. Thus there is a cuckoo clock to evaluate a temporary TIME dimension hidden in the base of the pyramid, but all is linked to the history of a divine Kosmos explained with symbolic familiar science.

But pay attention, the world-cuckoo bird announces twelve (12) o'clock the Apocalypse, which also symbolizes one notch higher "the Lake of Fire." That is the time when all EVIL in the KOSMOS is terminated. No kidding, it will happen next year if you survive the asteroid ending the five month demon possessed Apocalypse only Satan is kept jailed. The clock started to tick when Satan rebelled in 4488 BC (Julius) and will end 3018 AD, exactly 7000 Hebrew calendar years.

The Torah-Bible too has embedded a math system like reflected

in the great Pyramid that is a base-7. Our binary computer language is a base-2 also established during Enoch ancient time, the Julian Caesar Roman calendar was original a base-10. Angels live in the Heh-dimension =5 (the other side) and were original cloned like dinner plates, some with a special gold color, full of light like Lucifer, but all were created to live eternally as a Time-dimension did not yet exist.

When Lucifer-Satan rebelled it caused EVIL which got a cuckoo clock ticking, but created two problems like the extra clock features. One, as Angels were designed to live forever, but if someone sinned is immediately cast out into the outer darkness prison to remain there forever and "Forever".

However God is not vindictive, but absolute Love, thus the ELOHIM invented another option. He inserted a DEATH option in the Kosmos not violating a free will for each individual can now choose and make a decision. He created two options: Mercy unto Life and Mercy unto Death. Only the Creator-God can give or take away Life because of his Mercy. If an angel finds himself in outer-darkness forever, he can now choose to merge according to the laws of physics into a lower Daleth-dimension and indwell a mortal body in order to die according to entropy, which is a better option then to live in outer darkness forever. (Luke 8:26) This bible verse could explain demon possession.

When Satan caused a rebellion in 4488 BC the ELOHIM created a different replacement for his administration, which became vacant when Satan followers were removed and put into a netherworld prison. But Satan and some lesser evil demons were appointed to become a teacher to tutor "Evil" to the mortal newcomer MANKIND. That required that the new Mortal-beings were designed this time on a two-stage cycle.

To avoid a future Kosmos rebellion once more, the newcomer must experience a caterpillar stage designed first to be acquainted with and recognize evil. Consequently all must be inoculated with a good dose of evil to acquire an embedded immune system useful for a future butterfly-life to be born into a new dimension "Jod." The Bible clearly states that all demons or fallen angels kept in prison all will be released during the end of the Apocalypse.

But the above story in Luke explains that some demonic possession in mortals like now seen in many ISIS terrorists during the apocalypse is further explained by Jesus and said will be the worst time on earth never to be repeated again. The appointment of some demons in history is to teach and inoculate mortals with evil to embed one notch higher an immune system in the butterfly stage of resurrected mortals to recognize evils in the future Jod-dimension and snuff it out in the bud. Evil can therefore never reappear once more.

But that appointment to teach evil to mortals is also an opportunity to escape the netherworld prison. They want to possess anything what has life like 2000 pigs crowded in one unfortunate mortal Jesus med on the lake to gain an option to die. The demons begged not to be forced to return to the netherworld but asked to end their life in a herd of drowned pigs.

That same option is offered in the last days of the Apocalypse to enter those who have been marked by the privileged political World-Peace-Party (the beast) favored to get food and gasoline for survival to end in God's Wrath.

Explained from history Mortals lived separated from angels

now born in an incubator placed in the Daleth-dimension which started first in a beautiful Garden of Eden now worldwide poisoned and destroyed by mankind who became evil. The creator selected a suitable earth somewhere in the night sky on the edge of a vast universe among the many galaxies with the lights "ON". God placed on the fourth creation days an appropriate sun to maintain Life with a moon to measure time. The moon cycles were captured in ancient decoded clocks exhibited in many museums. My kids like the cuckoo clock because it has a noisy bird and used by his granddad as an illustration to widen a Bible horizon.

A Time-dimension world cuckoo clock was embedded in the four corner pyramid which defines our mortality with a beginning and end. It was first framed by the angel domain, Heh-dimension, ending in a Daleth-dimension on our earth which is our mortal home. But, because of redemption, which is the Kosmos apex of the pyramid, the ELOHIM created a new future Jod-dimension.

Yeshua-Jesus foretold in the Torah-bible a New-heaven and a New-earth bathed on the metaphysic resurrection principle illustrated in many events in physics postulated with many Babushka eggs. Rational created beings do not operate like a robot, but were purposed to have choices like a clock was designed for a schedule.

We still live in the Daleth dimension being bound by clocks, except some are curious and want to be better educated to understand what LIFE and what DEATH is all about, being mortal must go through the cocoon. Some Saints are caught in the middle which is every Christian dream will bypass the death experience not that terrible.

But the King will only chose five appointed virgin gifted with extra pressed immune oil for a special position. (Matt.25)

Everyone born Mortal is destined on a journey to the Grand Resurrection and hopefully will pass the White Throne balance test to be given a new body for the other Jod-dimension linked to Eternal Life only revealed in the Torah-Bible. Or you have another choice to believe in an atheistic evolution religion invented by Satan who has always been a liar. The Apostle Paul quoting Isaiah faced the same problem. (Acts 28:26-NRS)

'Go to this people and say, You will indeed listen, but never understand, and you will indeed look, but never perceive. For this people's heart has grown dull, and their ears are hard of hearing, and they have shut their eyes; so that they might not look with their eyes, and listen with their ears, and understand with their heart and turn — and I would heal them.'

As for me, believing the Bible consequently was a better choice. Have another look at the Worlds Cuckoo Clock, but with the lights ON in your mind, which continually will expand a vision to understand Gods Plan for Mankind linked to YOUR chosen destiny.

Please answer the most vital question if you are not convinced of this scientific dating: Will you be on the other Jod-dimension side? It is finally better explained in the forbidden Babushka Concept Eggs. I hope you are convinced learning a little bout God's Plan for Mankind linked to true science.

## **Pearl #248- Epitaph of the Big Jonah Energy Fish**

This last Pearl will review a number of events to usher in the prophesied Apocalypse. Worldwide contemporary high-tech education and scientific research have been under the ruthless control of powerful atheistic, priest-like bankers. Though only a handful in seven billion people, they have internationally conquered most governments. They gained power by printing an unlimited world currency, usurped in 1913 by a family of invisible FED bankers dolling out lucrative bailouts to the industrial elite and huge grants to dishonored politicians. They especially favored many global universities with bonuses when researchers complied with their atheistic evolution religion to keep the masses ignorant, compliant and comatose.

### **The Death of Money - Interview Jim Richards**

[http://moneymorningtv.com/rickards/ocho.php?pub\\_id=454975&s1=gdnmmp3](http://moneymorningtv.com/rickards/ocho.php?pub_id=454975&s1=gdnmmp3)

It created a demented mindset which shaped the 21st Century civilization into a spiritual abyss ending in a computerized, evil One World System. The consequences of unscientific evolution opinions, twisted by unrestrained paid off scientists no longer aiming to discover truth, have become destructive to a global society. This is bound to end in total bankruptcy, proven by the global environment already grossly failing, thus ending our scientific advances.

International NEWS daily reports hot spots of revolutions destroying the livelihood of thousands. Many have been murdered by corrupt governments fighting desperate people, who feel so oppressed that their young people turn into terrorists not knowing they are manipulated by a big power elite hiding within corrupted governments. Millions of women and children who managed to escape are stranded in refugee camps, living in tents as many cities have turned into rubble, devastated like Germany in 1945.

This last generation is now racing hell-bent, destroying the global environment in utter disregard of humans and animals forced to breathe dirty air and drink polluted water deadly to a life existence. Why allow the poisoning of every farmland with toxic chemicals to enrich the evil Monsanto octopus cartel and its noxious sisters causing uncontrolled massive cancers and odd diseases linked to many Salmonella food recalls barely reported in the media?

Powerful evil conglomerates are destroying most food seeds by genetic manipulation. They spliced out the reproductive genes, exchanged for cloning, which will cause a global collapse of the food chain, leading to massive extinction according to Newton's law.

Operating internationally beyond the law, these unstoppable tax favored cartels are now united in a global Oil-Nuclear-Military Complex brotherhood elite, bribing judges and senators by making them instant millionaires. It all started 80 years ago when access to free energy was denied.

It was first invented by Tesla-Hoffman now hell-bent, determined to end all LIFE on this planet. When LIFE is terminated on a massive extinction scale, God the ELOHIM

is not sleeping but watching over his creation ransacked by greed. Guaranteed, He will repeat Sodom and Gomorrah.

Notice, once more He has sent another Jonah onto the Internet town square with a message that says: "Stop messing up and destroying my house, the only place where LIFE exists in the universe." If you want a proof, just look through the Hubble telescope and look at lifeless 407,702 galaxies and planets collected in a massive NASA computer among billions of galaxies impossible to categorize.

Again history is repeated when corrupt mankind is forcing God the ELOHIM to intervene for a second time to end this civilization in order to save life and the environment for future generations to last another thousand years. GOD'S WRATH once prophesied and linked to divine revelation has arrived. The ancient Bible shaped human history for 6000 years, why has it been silenced? It taught every child what is "good" and "evil" to survive.

Why has it been perverted and reduced to immoral Relativism? According to the ignored ancient Bible wisdom, even Newton's physical laws will demonstrate the consequences of the human failure, ending in an Apocalypse of self-destruction as prophesied of old.

Being an inventor-philosopher, I started to investigate the many evidences of suppressed science in conflict with university LIES usually covered up by impossible theories. Blind-sided students are compelled to accept an unscientific evolution religion favored by world bankers, endorsed with grants.

Money has corrupted and brainwashed uninformed professors who willfully deny Newton's entropy laws, exchanging them for a stupid evolution monkey theory. They argue that the natural downward laws of thermo-dynamics could evolve to higher energy levels, a theory believed by a brain-dead majority against all logic and common sense and contrary to physics.

This demonstrates defective, closed, fruitless minds no longer functioning. They cannot fathom or comprehend that intelligence, a precursor of divine laws, is linked to infinite LIGHT energy. This fact is confirmed and reported in the very first verses of the 6000 year-old Bible (Genesis 1:1) telling how the universe was created. Why is it rejected?

The alternate "logical option" left is speculating that the universe and all LIFE only found on earth, has evolved from a NOTHING or, as recently postulated, from a mysterious black void not yet defined by science. Only morons will smash Atoms in CERN costing billions and billions, yet after 40 years they have not discovered anything that makes sense. You could compare it with someone smashing an egg on an anvil with a big sledgehammer, who then theorizes how a chicken could develop from the smashed residue stuck on the wall (Nebelkammer).

As a hi-tech inventor, I use many analogies to widen science horizons for my grandkids. Science education is distorted by a relativism that suppresses the fundamental laws of nature. Consequently, society has become ignorant, pliable, oppressed and controlled. It will all end in something like witnessed in Islamic cultures where they murder anyone not submitting to a primitive medieval belief system.

Modern hi-tech atheism is heading in the same direction. This sort of thing is impossible to coexist with a Christian-based Western Civilization. Keep watching the NEWS and see how this will end up in global self-destruction, provided that Newton's laws are still in operation.

To widen science horizons for my grandkids, why not start with the forbidden Bible? It is not allowed to be taught in our schools anymore, yet reveals metaphysical knowledge explaining the Kosmos. In it, I discovered forgotten true physics that needed to be linked to paraphysics to make it visible to ignorant scientists. Why were Newton's writings suppressed when he mentioned some Bible concepts?

To explain nature concepts in simple terms and to delineate truth as opposed to so many lies taught in universities at a PhD level, just pause in front of a mirror. It will reveal that the three dimension reality in front (perhaps you) is reflected in a two dimensional image I call physics. Everything that is living reality is reflected in the mirror, but in reverse. As you focus on the reality, standing in front is not only dual but has embedded something hidden on a higher level.

We all have an invisible MIND implanted in a paraphysical body which cannot cause a reflection in a physical mirror. But a mind can only become noticed - visible if connected to an energy source called "Life", as dead bodies do not move. It is still a mystery, disclosed only to Bible readers. The invisible paraphysics cannot be seen in the physical mirror image perspective and can only be observed by action or movements compared to what was learned from history. All is controlled by an invisible "cosmic intelligence center" recognized in a hidden MIND operating in the metaphysical dimension of a higher order like a Holographic Universe.

[https://www.youtube.com/watch?v=IMBt\\_yfGKpU](https://www.youtube.com/watch?v=IMBt_yfGKpU)

You must have the light "ON" to understand the invisible laws always cascading according to entropy. A lower entropy level is seen here as a mirror reflection. But the switch for the lights to be ON in your MIND for a higher understanding is activated by the ELOHIM mind expressed in a number of my Babushka Egg Pearls continually amended by added data.

Just think: 80 trillion DNA's in our body need intelligence to form a specific protein. Proteins are formed by atoms aligned with others forming molecules, also needing intelligence in a full circle. Similarly, according to technology, if only one byte of information is missing, like in your computer, it will morph into a computer virus now totally useless. In analogy, the many evolution lies are just missing intelligence completely lacking common sense, as proven in computer programs. "Garbage in gets garbage out".

Applied to GMO technology, LIFE will terminate on this earth as it is diminished in every seed bearing generation since cloning only has 50% embedded information. I have already seen this in my garden: when I bought modified plants they soon died. I am also hearing complaints from many bankrupt farmers. According to Newton's law it will all demonstrate that once the criminal Monsanto octopus cartel has run out of the original seeds needed to repeat the gene modification process, it will soon be out of business too. Farmers now unable to buy modified seeds will start

worldwide the collapse of the food supply waking up everybody from sleep. Being perplexed as to why the shelves in the grocery stores are getting empty and more expensive, doubling the price every month.

It will be too late as replacing the lost Gene pool information for the next generation of our children will have been permanently lost. On top, to make it worse, the human race is programmed to die slowly with a mutation rate of degenerating genes and chromosomes up to 10%, causing cancerous diseases no longer responding to antibiotics. The environment now grossly abused and poisoned is fast collapsing causing massive extinction.

Only God the Creator could start over again or could choose an Apocalypse to get rid of an "evil generation" just in time to prevent the collapse of the human race –fact true scientists know about but are afraid to voice for fear of losing a job or prestige. Watch the extraordinary tetra four blood moon warning sign in the sky (4 April 2014) not repeated in 500 years! Watch a YouTube video and realize the Apocalypse has started and read the latest forbidden Bible information linked to true science collected in Babushka eggs concept booklets #11 and #12 free on the internet if still around:

<http://www.youtube.com/watch?v=HXUqfNQ3J0o>

When investigating free energy in space with telescopes now seeing galaxies with the lights "ON", we could theorize that if infinite  $\infty$ -energy is spinning like a chain carousel, thus it is energizing and creating a universe according to physics. My grandkid loves the chain carousel; when looking inside all is stationary and fixed like we see a motionless universe looking at the sky. But our vision could be fooled when we feel gravity seated in the hanging chain contraption while it is in fact turning outward. If you want to prove gravity experimenting in science jump off a building, but consider that it will make profit for the undertaker. Telescopes prove motion too.

Check the Aztec precession constellation turning 25,625 year cycles postulated by atheistic science but overlaid with ancient gold-bronze clocks in museums now decoded is measuring 7,500 bible Hebrew years matching Julius Cesar correcting a wobble calendar inserting 62 days and Pope Gregorian fine-tuning adding 14 days more to end. When the wobble is no longer moving, 21 December 2012 may have solved a number of mysteries for some.

Only when infinite energy is moving analogous to electric generators producing electricity, can the many galaxies be formed, eventually ending in a planet like our earth. When energy is being directed with the lights "on" it will start the process of conversion forming atoms, verified by Newton's gravity laws. Crystallized atoms will condense into over 100 elements recognized in Fraunhofer's spectral lines, dissecting light which was categorized in a Periodic Table. That process reveals a purpose demonstrating a design which points to a divine intelligence denied in atheistic universities ignorant of physics linked to the metaphysics.

An added mystery is my MIND embedded with LIFE that cannot be defined in reflections of a physical mirror. Ignorant professors believe all appeared from a NOTHING, on the

grounds of stupid evolution fairytales enforced by corrupt world bankers paying off an atheistic university and government elite with lucrative grants. When lies are infused into a young mind it will pervert morals leading to a destructive world view not respecting life.

My grandkids, not having PhD degrees, understand "science based on logic" much better. They learned that a complex cuckoo clock could not possible evolve from a NOTHING, like fantasized in an unfeasible "big bang" theory postulated by so many brain-dead professors who believe that the two laws of thermodynamics could be reversed.

Most universities teach, and are convinced, that by applying physics they can prove that a NOTHING started with a big bang, which then evolves into SOMETHING. But again they forget that first there is a need for intelligence as a priority according to Newton to tell the energy which direction to go, either on an implosion or explosion path. Consequently, my grandkids who have learned to think logically say that there must be a Kosmos designer to explain the existence of intelligence.

Notice that complex gears inside a cuckoo clock telling time for mortals (another mystery) are designed according to physics. But here comes the clincher which is controlled by a higher MIND able to manipulate the parapsychical invisible chain energy (gravity force) and which needs to be wound up once more to make it run. A cuckoo clock linked to a cosmic energy source will not run without intelligence replicated and embedded in the MIND of my grandkid or illustrated by DNA forming trillions of proteins.

That creation logic principle is denied in corrupted atheistic universities. Being so ignorant they do not know why the Platinum IPS World Standard Kilogram in Paris and its six sisters became obese after having been safeguarded for 135 years in an isolated steel underground vault to avoid fraud. And why would university peer pressure suppress the fact that light was measured to be 300 times faster by high-tech instruments? Check the Princeton University NEWS.

More unending mysteries exist globally in museums which exhibit priceless, ancient gold-bronze clocks. They are afraid to decipher them, which could prove the Bible to be right. Being brain-dead, not curious to find out why so many prehistoric clocks with strange double dials were built in a way not matching our clocks. One Antikythera clock in a Greek museum has three dials and 32 bronze gears, dated before Christ.

All ancient clocks measured a moving earth axis wobble not taught in our schools. This phenomenon should be seen in connection with Julius Caesar, 54 BC, who corrected a prehistoric calendar by 62 days. Later in 1500 AD, Pope Gregory fine-honed it once more by adding 14 days to become our accepted world calendar we all use. But measuring time from a biblical prophecy perspective has been expanded in physics, still a paradox today, explained in Babushka concept Egg #7. Now better explained the nature of time forming atoms and elements is still avoided by atheistic university PhD lecturers having no scientific answers in a student confrontation. Why did the earth axis wobble come to an end on 21 December 2012?

It is now confirmed with NASA satellite computer GRACE technology able to convince and educate even a skeptic? Complex space instruments measured an earth axis still moving 14 hours several years ago. How did Julius Caesar calculate it without computers?

Photographing galaxies with the Hubble telescope, we still do not have a good theory of why the lights are "ON". Could a static photographed universe be revolving, moved by infinite light now converted to electromagnetic energy just like a motor-generator is demonstrated in physics in a mirror image? Or what is a strong force linked to a weak force bathed in gravity - also magnetic?!

Why is magnetized water producing 30% extra food for farmers? When used by commercial chicken ranches they reported that it reduced the mortality of chickens giving higher profit. Lastly, where does the energy come from in the sun, which is getting smaller, heating up space as measured originally by Kelvin?

To sum it all up, let me speak of the greatest mystery linked to free Electricity invented by Nicola Tesla. It was produced totally free of charge from magnetized gravity linked to an unlimited outer space energy trail, all starting from an infinite central Kosmos energy source. I believe invisible energy comes out of the black hole of our Milky Way galaxy, photographed and made visible in a number of pulse star galaxies. Perhaps it could be transferred by neutrinos? Just follow the Babushka egg trail for a much better theory available free on the Web for the benefit of future generations of mankind.

For example, if you want to understand free electricity it is really a simple process. Even my grandkid understood it. It needed only some copper wires made into loops and a magnet that must be moved through many loops. Oscillating back and forth gets a (+/-) pulse. Or the right turn loop gets a (+) pulse and the left turn a (-) pulse. If the magnet moves faster, it will get bigger amplitude, and as it is directed to the higher resonance frequency it grows to higher levels of free energy potential.

If you want to convert extra energy it gets better when stronger Neodymium-Iron-Boron magnets are used. But when the pulsed current is returned in the previous winding, it will double being higher biased. If the doubling bias is repeated and redirected in the other turning generator windings will always double in each loop too.

Eventually and very shortly it reaches a resonance frequency a million times higher, resulting in dangerous electrical levels. That could fly a Concord jet with free fuel with a modified UREE #16 jet engine. Being a previous high-tech inventor I designed (16) sixteen UREEs for various applications as described in the Babushka concept book # 9, available free on the Internet. It was also sent with a courtesy letter to the White House for evaluation by NASA scientists. Instead a reply, got a visit from the IRS being thoroughly audited WHY? Being retired without an income for 10 years?

Once more, electricity is generated in the Hoover Dam when water runs through a pipe compressing gravity which is turning turbines. That gravity force can be tamed and made portable by recycling compressed air inside a green steel bottle of the size used in a wheelchair. Air pressure

perpetually moved to drive electric generators produces permanent free electricity too. It was meant for big applications like freight trains or jet planes running on free energy.

However, electricity can be converted much more easily in another utilized invention designed in a number of smaller UREE generators to produce electricity - still cheaper and totally free.

By using familiar uncomplicated low technology one could manufacture portable small generators outfitted still using super magnets, Neodymium-Iron-Boron now placed next to rotating low inertia wire loops resembling a printed board armature of DC motor tape drive invented 20 years storing computer data.

But the greatest benefit is obtained from obsoleting massive outdoor wires of transformers hanging on poles superseded by long distance steel towers transmitting million of volts all ending ultimately in a Hoover Dam grid with generators. The whole outmoded infrastructure is very expensive to maintain due to corrosion occurring in time and frequent interruptions in bad weather. It could be totally obsoleted and replaced with UREEs if the global, corrupt government elite would allow it.

To prove my point, investigate how Nicola Tesla drove his car with free wireless electricity extracted from the air 80 years ago. He had an antenna just like modern wireless Internet and telephones. Why were his 700 patents confiscated by the US government elite, Senators being paid off by a corrupt Oil-Nuclear Cartel?

Why was a German scientist by the name of Hoffman silenced splitting water to hydrogen gas? After discovering a free infinite energy source, why is it still denied or only allowed in rockets when Sputnik showed up?

Why is this superior fuel not applied to polluting automobiles creating dirty Diesel smog globally destroying the environment, becoming deadly toxic, and worse, causing enormous climate changes melting icecaps faster?

Being evil to the core, these people force seven billion people to breathe poisoned air. According to the laws of physics, this amounts to ruthlessly killing the next generation of children. Why is this vast "free" ocean energy not allowed to replace firewood no longer available for two billion people, thus still suppressing what Hoffman invented 80 years ago?

The cheapest free clean Hydrogen gas should replace destructive deadly fracking technology extracting dirty contaminated Gas-Oil from rocky sand. That fracking method evil to the core will permanently destroy globally many productive farms by poisoning the food supply and destroying the aquifers for the next generation.

We are lucky the Internet, not yet forbidden, has hundreds of engineers on YouTube showing a thousand new experiments of "free electricity" that can no longer be concealed by corrupted universities being paid off to teach stupid evolution fairytales, always hoping for another Judas Iscariot grant from the controlling octopus Energy Cartel.

To explain free energy seen in galaxies, we should examine what the very first verse in the Bible says, revealing that the

invisible infinite light energy source is the beginning of creating a universe cascading to a lower entropy, invisible, piercing the darkness of space linked to the TIME dimension defining our mortality.

**Then God said, "Let there be  $\infty$  light"; and there was light. {on a lower entropy} (Genesis 1:3)**

Once more, when  $\infty$  light energy moves and penetrates a time dimension, it will gear up to crystallize into creating atoms with odd shapes of galaxies. Energy passing through the dark of space according to two thermodynamic entropy laws will be reduced to a visible light frequency embedded in the time factor now transformed to elements measured in Fraunhofer spectral lines eventually condensing into mass glued together by magnetic gravity.

An expanding universe from NOTHING is just false speculation as proven by analyzing photographed galaxies with the Hubble telescope, which only shows reverse entropy forming matter from infinite light converted to vapor, condensing and becoming dust and coalescing floating debris in vacuum. Eventually, emerging mass will move activated by magnetized gravity to form cold planets resembling our solar system and earth, as counted 407,702 times in NASA computers, in accordance with the Second Law of Thermodynamics.

But Life-SOMETHING in a higher entropy order was passed on to us from the ELOHIM, replicated his image in a three-dimensional mortal mind entropy controlled by miniaturized divine intelligence. I hope you have a MIND with the lights "on" reading my Babushka books.

It ends with a special report recognized in the creation of mankind, embedded with a little ELOHIM-MIND in a full circle which breathed into Adam a divine "intelligence life" impossible to define, a good story to widen knowledge horizons. It is the same model replicated like an atom or explained to my grandkid his cuckoo clock needs a kick to start energy to flow from space just like Adam formed from dust all the DNA gene-gears in place to make our heart ticking still connected to the ELOHIM source. Energy continually is flowing with embedded intelligence in you and me not understood by impossible evolution fairytales which cannot explain the nature of Life not matching DNA.

It is a shame that modern knowledge is controlled by corrupt hi-tech atheists still stuck like an old record groove to play the damaged music track over and over, believing in unscientific evolution fairytales. They will never realize there is music on the other side. Being corrupt, they can only enforce unscientific opinions of demented scientists with a strong police force in every institution of higher learning.

As a previous scientist and inventor, it is getting nearly impossible to have any logical discussions with scholars or theologians when their minds are no longer rationally functioning, having their lights "off".

Eventually free Babushka egg concept books will be read by everyone. They will learn about the revealed "Truth" embedded in the Bible describing a totally new atom theory. That theory explains how free energy from space is transferred wireless like in high-speed computers and telephones, not difficult to understand.

I wonder how long it will take for an evolution brainwashed 21st Century society to figure out that a huge Hoover Dam is now replaced with a cheap, low tech UREE generator in every house or linked to a single roof solar panel driving a small motor generator. No longer will they need the energy cartel ripping off the consumer.

Various UREE generator versions have been proposed for driving your car or flying a jet airplane with free energy. These inventions are still denied by the atheistic establishment. - NOT POSSIBLE!

These people will not allow obsoleting their pollution poisoning and deadly nuclear businesses ripping off the consumer. They have degraded themselves to absolute evil; causing so many world wars fought, suppressing free energy now 80 years old and proven by many YouTube videos.

Basically, they deny perpetual motion, but if allowed, and is connected turning a generator, will get unlimited, non-polluting, smogless green electricity totally free. Why have electric generators never been improved for 100 years? All needed a redesign using stronger magnets.

Why are hundreds of windmills in Europe, costing billions, still not connected to the grid? Is it because one tiny UREE generator in your basement garage could give you free electricity? Are Siemens dinosaur windmills obsoleted too? The Ultimate Renewable Energy Engine (UREE) now discovered will fuel the next civilization once the energy cartel has been eliminated by the ELOHIM.

He is coming back to earth just in time to clean up His house with an Apocalypse asteroid. Once more God's Wrath will be poured out, terminating an evil generation, consequently ending similar to a historic ancient atheistic Atlantis Civilization which totally disappeared in the Mexican Gulf being hit by an asteroid on 5 February 2287 BC, being judged like Sodom and Gomorrah.

Jonah's WARNINGS point out a historic God's Wrath once more. Today's modern high-tech world resembles the corrupt Atlantis civilization during Noah's days, which totally perished without a trace. Many archeological discoveries proved what the Bible recorded that Noah's generation was more advanced in GENE technology, which became the reason for their total destruction.

Our generation is doing the same now collected many technical facts in **Genetic Modification Exposed!** which is the 4th Babushka concept book. Examine how the ELOHIM in the Heh dimension will repeat what happened in history and use the same method again. Have you noticed that a 52 Km rock in space is aiming toward earth? Will you listen to Jonah's Warnings? Watch out for a calculated date from science matching bible prophecy. 17 September 2015!

Bible prophecy explained including a perspective from science became (12) twelve Babushka egg concept books. They better explain the purpose for our existence, to discover why we were born in the only place in the universe where LIFE could exist. This is all linked to how physics is related to metaphysics.

That should widen a knowledge horizon looking at mankind's history, investigating galaxies connected to atoms all fuelled

with {∞} infinite energy in a 360° degree perspective to summarize the many complex concepts explained on a level even atheists can comprehend - all available free on the Internet.

God's Plan for Mankind in the Bible has predestined a critical juncture event meant for a last generation, a generation to be judged because it is totally evil. It will not require much intelligence to recognize when fundamental Bible based laws have been rejected worldwide and replaced with an Islam religion favored by a corrupted UN General Assembly.

One third of our world's population is governed by Islamic Sharia law, which will hack off a hand or head with a sword, without a trial, controlled by Satan, a murderer from day one.

Sharia law is demanding to kill all Christians and Jews and even using their own children strapped with explosives to destroy randomly innocent human beings following the Koran. As demonstrated on TV during the Islamic Spring, we witnessed daily car explosions killing people, burning schools, churches and synagogues, their women horribly subjugated, suppressing basic human rights.

Why tolerate globally an inhuman, medieval religion called Islam flooding Europe? Why is a cruel inhuman primitive Islam religion favored in the UN World Council while condemning the tiniest democracy ISRAEL? They became the largest research technology center and since 1967 collected 300 Nobel-Price laureates blessing the world? Wake up! Even in America, a 200-year old Christian based Constitution – the envy of the world – has legally been twisted. A new generation has grown up, disconnected from the old Bible-based tradition, changing American culture into an atheistic society.

Americans have murdered 60 million unborn babies in abortion mills for profit, selling baby body parts to greedy gene manipulators. In the pool of slaughtered children how many science geniuses like Einstein, musicians Beethoven and Bach, Nobel Prize laureates would have been born helping out our destroyed economy for a better life. America's prisons are overcrowded with misled youth and worse, they have voted in an Islamic Trojan horse in the White House with irreversible consequences. Study history.

It might take a little more time to logically understand the principle of our present world politics made pliant by an evolution religion denying that we were created as higher beings, but have become degenerated, believing a LIE.

Why not be better educated and watch some free Internet YouTube videos proving what is postulated in my Babushka egg concept books?

## **The Apocalypse has arrived!**

Summing up, the many knowledge principles based on the Bible and projecting science in a physics mirror, which reflects a parapsysics reality of the metaphysics higher level, you will see a parallel of history being repeated. We are all in the same boat, being mortal. Like Sir Isaac Newton once said,

"Hypotheses non fingo." It could be summed up once more with these Bible words:

***We have made a covenant with death signed in Hell an agreement ... and have made lies our refuge and in falsehood we have taken shelter...***(Isaiah 28:15)

The divinely inspired Bible pointing to the root cause of worldwide corruption, the many conflicts and wars, an environment dying, worse, causing extinction by changing globally the food by Genetic Modification and rejecting free energy for 80 years, ALL was triggered by a LIE embedded in an atheistic evolution religion. Even Dr. Albert Einstein was deceived by the establishment.

When we Mortals deny the Creator who gave us LIFE, just think for once with logic and reason, and if you are educated a little, you will see history repeated not having learned the lessons. It will have "global consequences".

You must understand this, that in the last days distressing times will come. For people will be lovers of themselves, lovers of money, boasters, arrogant, abusive, disobedient to their parents, ungrateful, unholy, inhuman, implacable, slanderers, profligates, brutes, haters of good, treacherous, reckless, swollen with conceit, lovers of pleasure rather than lovers of God, holding to the outward form of godliness but denying its power. Avoid them! (2 Timothy 3:1-9)

### **Once more?**

The Lord saw that the wickedness of humankind was great in the earth, and that every inclination of the thoughts of their hearts was only evil continually. And the Lord was sorry that he had made humankind on the earth, and it grieved him to his heart. So the Lord said, "I will blot out from the earth the human beings I have created—people together with animals and creeping things and birds of the air, for I am sorry that I have made them. And God saw that the earth was corrupt; for all flesh had corrupted its ways upon the earth. (Genesis 6:5-12)

Soon the many prophecies in the Bible will be concluded in the early morning hours with fire in the sky announcing GOD'S WRATH. But the sky will be centered by a bright Morningstar indicating the birthing of a New Civilization, dated by forbidden science.

A returned Jesus Christ, King of kings, Lord of lords will demonstrate in great supernatural cosmic power the arrival of God's Kingdom on Earth. He promised peace on earth to last a 1000 years and, halleluiaah; Satan bound in hell as explained on a higher level in Babushka Egg #1 to #12. And for a full rounded 360° vision the many Pearls #165, #169, #225, #233. Check it out on the Internet - still free.

\*

There's **Ida**. She's roughly 32 miles (52 kilometers) across. An asteroid like her would spell big trouble for our planet if she ever got the notion to visit.

Science measured two Ida orbits first calculated 4.84, which was prophesied to appear around Jerusalem and mathematically projected:

$$(21 \text{ December } 2012) = 2012.97262074 + 4.84 = \mathbf{2017.81262}$$

Image courtesy NASA/Jet Propulsion Laboratory  
<http://sci.esa.int/science/www/object/index.cfm?fobjectid=2306>

But watch once more the YouTube video (page 2) WARNING of four tetra blood moons. Pay attention to the last blue blood moon dated 28 September 2015, which will end the Apocalypse with a calculated second orbit of 2.25, a little shorter as measured by a Russian scientist. It matched the Apocalypse date when EVIL will be removed forever from the Kosmos linked mortal entropy (Egg #12).

If we accept a 97% orbit accuracy with gravity exponentially increasing velocity, we only have a 13-17 day orbit difference. When we use the Hebrew Moon calendar holiday structure, it is narrowed down to a special day which is a partial sun eclipse on 1 Tishri (13 September 2015) ending the 7th Harbinger anniversary to start a new civil Hebrew calendar corresponding to GOD'S WRATH matching Jesus' projected date to end the Apocalypse, please note the equation below {70 years}:

**ISRAEL 1947/48 – UN Resolution**

*“Truly this generation will not pass away till all has taken place.” (Luke 21: 32)*

**God’s Wrath ← 17 September 2015 ☉ 22 September 2017 → New Life**

**Thirteen** Babushka egg concept books explore recent scientific and biblical discoveries that have never been discussed before in the halls of universities. Just as a Russian toy egg containing multiple smaller eggs with the same picture illustrates scaled concepts, these books discuss these new concepts - mostly using everyday language.

The familiar Russian toy concept was applied to recent new scientific discoveries and when analyzed and compared to physics alongside metaphysics, which is forbidden in our universities, it revealed that much of the fundamental science is embedded in the Bible.

In addition, another new discovery of great interest was uncovered, particularly for theologians. Its functions are similar to a **Rosetta Stone**, which opened up a new scientific perspective that matches Bible prophecy. The ancient **Hebrew Alphabet Number System** (HANS) works like a code, which assisted in straightening out the mixed-up pages in Revelation. It rearranged the text in a chronological order, which revealed a much better picture in the puzzle of prophecy.

That ended theological confusion about what lies ahead and predicts the end of our civilization with the impact of an asteroid (which is already in space) on **17 September 2015**, not only coinciding with prophecy but also that date is embedded in the zodiac sky and sun eclipses calculated by science.

Combining and aligning scientific methods with prophecy, we can now understand scripture much clearer, which also supports the mathematical calculations used to accurately forecast the Apocalypse, now ending. It is in line with Daniel's prediction that indicates that in the end times, a Wise Club would appear, and its members would know what the total "Plan for Mankind" is from a scientific perspective. Our civilization has grossly violated God's covenant once more, again incurring **God's Wrath**, just like the previous Atlantis civilization during Noah's time, which perished with the impact of an asteroid on

**5 February 2287 BC.**

Our civilization is firmly entrenched in an atheistic, liberal-socialist, Hegel-Marxist, capitalist-hybrid system, which has perverted a 6,000-year old divine order that was given to mankind and is the central focal point as to what is **good** and what is **evil**, something which any child knows. There is now willful degradation of this, spinning it into a **third-point** politically correct **worldview** where everything became **relative**. That crossed the line with God the Creator, Who has announced **Judgment** that will end this most evil generation causing massive extinction by genetically altering the original food-chain for mankind already started collapsing to destroy all life on earth for our grandchildren. Check the global destruction statistic of genetic modification ending in total evil **half human-half animal species**. That is causing once more **Gods Wrath** like Sodom and Gomorrah guaranteed now dated:

**17 September 2015.**

If you want to survive and build your own boat like Noah, read the Babushka books, which are designed to highlight many prophesied events that are linked to science, which has never been done before. The Apocalypse warning is posted by Jonah-II with a **Big Energy Fish** to make it credible for the skeptics.

**Gods Wrath** will end "This Age" next year with an asteroid consequently it is now high time to do some serious reading perhaps could survive or be spiritually prepared. Do not base your faith-beliefs on a local church pastor or ignorant TV theologians funded with big money. Decide for yourself of the last opportunity to investigate forbidden science discoveries to be convinced that Bible prophecy will end next year. Very little time is left ending our 21st Civilization announced by a big Fish Jonah-II Warning. "God's Kingdom on Earth" was promised by the King of Kings, Lord of Lords Yeshua-Jesus Christ.
