

Part 5. What is the Plan for Mankind? (6-21-2023)

Please review again the Plan for Mankind, which ends the prophesied Apocalypse. Perhaps the heavenly Two Witness Prophets will soon arrive for 63 days dated after summer solstice 2023. (**day/month /yr.**)

Thus at the Endtime the Creator will eliminate an old calendars in Yeshua's Kingdom past the 120 Jubilees (6000 yr.). Hence He will close the Time-cycles to start the new *Jod* Dimension (**Rev. 21**), and remove the Sun & Moon, which will burn in a fiery Sea. When a Sun is no more will change nature too in divine Law. Why not read the oldest book on a flat Earth (not a globe) either trusting fake science or is dated on the World Cuckoo Clock. (**Pearl #215**, page 22 - **Mark 13:32**)

The Torah-Bible states that people will again speak one language during Yeshua's Kingdom. Perhaps some Babushka Egg Concept Books and amended Pearls will be translated in the meantime by angel scribes? The new creation is meant for a resurrected Mankind to live forever in the endless *Jod* Dimension. The Creator YHWH desires a new Universe where *Evil* and *Death* are eliminated, and he is worshipped forever by a large assembly of Saints. (**Heb. 12:22-29**)

Examining the Torah-Bible will be different for future generations related to real knowledge. I suggest buying some videos (**Pearl #211**) like SOUND of MUSIC (by Rogers & Hammerstein) as the Creator overlaid will not marry a nation Israel, but a nun Maria like the Saints. In another video, PRETTY WOMAN (15th Edition), where Israel is playing the 2nd fiddle (corporations) changed by a 10yr. old lawyer (ten nations) ending overlaid again in a "Saint" marriage. The next generations like Noah will learn about real science during Yeshua's Kingdom, watch a video – *A Walk in the Clouds*. (DVD Essentials)

At evening I had difficulty going to sleep but woke up 5 am and said to the Lord, "I am ready to die, to meet you" with a thought that a sovereign Yeshua-Jesus can delay his schedule. Therefore reasonable wondered when Evil was planned by the Archangel Lucifer-Satan becoming "absolute", but true calendars are not allowed on the Web. Thus have problem with earliest instruction linked to the prophesied Judgment day with *three Woes* (**Rev. 9:12**) as the Apocalypse is soon over to change mortality useful for Yeshua's Kingdom. (**Isa. 65:20**)

So, please follow the trial path of the heavenly 'Two Prophets' to express Truth for the Plan of Mankind from a divine perspective. They will preach the eternal Gospel and investigate the last real events for *Good & Evil* or *Probation* to evaluate an atheistic Civilization.

Thus outlined some bankrupt problems described in Babushka Egg Concept Books or amended Pearls, starting the Kingdom of Yeshua. Please review the next causes of the Apocalypse where worldwide millions of sinful people will be killed, surrounded with fake science. The following page described the missing events (**Pearl #213**, Part 4) as this amended Babushka Egg Concept Pearl is not-yet-finished. It will show the last Society is controlled divinely by YHWH with His Son Yeshua to remove '*Evil*' stated in many verses of the Torah-Bible.

Jonah-II described the two (2) prophets Enoch - Elijah, both were sent to heaven still mortal (**Gen. 5:24, Mal. 4:5, Matt. 17:1-8**) to record ancient scripture and history for Mankind dated () They are appointed to end a “World Judgement”, teach the Eternal Gospel to an evil atheistic Civilization and start the Kingdom of Yeshua. They will close the Apocalypse by dividing 70 days and split current events to seven (7) days **Wrath** of YHWH ignoring trials stated on page 10. His Wrath was amplified in 14 chapters of Revelation like His Son Yeshua who walked 14 stations in Jerusalem to Golgotha to die on a public cross. Please watch a video *Passion of the Christ, Pearl#211*.

The Judgment of the World will soon end and most people living today will *die*, though many receive Eternal Life by a Resurrection to start the Kingdom of Yeshua. Some acquire *Probation* (**Rev. 2 1:3-8**), being evaluated for **Good & Evil** since Adam, but others, being evil, will murder the two Prophets and not be resurrected to eternal Life.

All events will happen when two prophets Enoch & Elijah from heaven arrived back to Earth (**1 Pet.1: 3-5 & 2:9-10**). Perhaps Enoch built in ancient time the Great Pyramid in Egypt, but is utilized by forgotten “**levitation**”. Maybe will help an Ezekiel Pyramid Temple raised in Jerusalem by a huge earthquake (Luke 21:11) while obsoleting cars replaced to driverless taxis without wheels using again levitation.

Recently an old scientist erected in his garden a huge stone gate without a crane which became a tourist bus stop. But will not reveal **levitation** constructed without a permit, was murdered by a local government California - Los Angeles (**Pearl # 901-1, 2, 3, 4, 5**, - page 10). Hence the other Prophet Elijah will be preaching the Eternal Gospels (**Rev.14:6-7**) and also use levitation, like a floating axe (**2 Kings 6:1-7**), while various locations being revealed again now to the Israel military where hundreds Islam missiles are hidden and stored. (**2 Kings 6:8-19**)

Revelation 14 tells the story of the Creator YHWH and his Son Yeshua the Lamb, who has two jobs, King and High Priest to appoint 144,000 Priests. (**Rev. 7:4-8**) He will end the Apocalypse with a huge **Harvest** (**Rev. 14:14-20**) by four-faced Angels, page 10. (**Ezek. 10:14-20**) Israel becomes the First Fruits harvest (**Rev. 14:1**) and is joined with a 2nd harvest (Verse 12) by 200 million Saints (page 6) which is bordered by (7) Holy Days that became a future equinox birthday of Yeshua. Perhaps relates to a thousand cities for the *Jod* Dimension restarting a glass pyramid Temple recorded (**Ezek. 40 - 48**). Maybe the population spike (**Pearl #126**) was huge and increased to remove an atheistic evil society (**Rev. 4:7-8, 9:14, Ezek.10:14-22**). Thus recognize Solomon who was the wisest & richest king on earth (**1 Kings 3:5-15**). At the end of his life he became the greatest fool and lost *Eternal Life*.

Consequently the Torah-Bible recorded the first World Judgment of Noah’s Flood which rained for (40) days. It is now overlaid in Revelation of a future Yeshua’s Kingdom which changed an economy organization being controlled by divine Laws. (**Mark 13:19-37**)

Part 4. What is the Plan for Mankind?

The Creator YHWH selected another Jonah-II (91 yr. old) to “warn” an atheistic and evil society on the Web that our World-Civilization will see again a re-adjustment similar to Noah’s Flood. (2288BC - 4311 yrs.) Therefore will date the Kingdom of Yeshua before the Apocalypse and foretell that most people will die in divine Judgement as stated in His Torah-Bible. It was presented in many Babushka Egg Concept Books and Pearls, thus saving my life based on fake science like colored pictures of phony galaxies. During the past dozen years, the last seven events were wrongly calculated; today is 17 May 2023.

It detailed 45 days of Daniel’s scripture during the *Daleth* Endtime. (**Dan. 12:13**) The Creator is repeating a Genesis story (**Gen. 1:14-17**), which is related to the Second (2nd) Equinox 2023 found in my Bible.

He stated an “Abomination” which is probably fake science, but it is linked to YHWH’s last job, like Satan’s “desolate set up” being judged with a humanized computer image on the *Daleth* Earth. I am trying to date the last event of 1335 Days from 2018 AD from Sukkot, a sacred day (21 September 5782) and a population spike (**Pearl #126**) while adding some Videos (**Pearl #211**) will calculate nine (9) months to the summer Solstice 2023. (3yr. +7 month + 26.47days + 3.5 days)

It will launch Yeshua’s Kingdom but on a New Hebrew calendar with re-assigned seven (7) Holy days between Equinoxes, which finishes the Apocalypse with the 120th Jubilee? (*Please see the World Cuckoo Clock picture.*) (**Pearl #106**, page 4) Finally, I now can postulate the last date when Yeshua appears on a moving calendar of “Time cycles” after writing seven (7) events up front in Part 4. It is similar to a recommended video, *My Big Fat Greek Wedding*, that overlays a Bible story? Let’s review and windup the final events of the Apocalypse with *Three Woes* in Revelation linked to the seven days YHWH’s *Wrath*. When the foretold heavenly Two Prophets arrive, 63 days (day / month / yr.) God’s Creation will end again like in Noah’s Flood where the Creator closed the door for 10 days of the Ark and concluded a corrupt World Judgment with few survivors. (**Gen.6:1-21**)

1. Satan is thrown out from Heaven chained under the *Daleth* Earth.
2. A city is nuclear destroyed, maybe is New York City? (**Rev. 18**)
3. Expect millions of Angels in spaceships reduced by 1/3. (**Rev. 12:4**)

Thus many Apocalypse pangs are stated in 14 chapters of Revelation, ending Mankind, judged by 7 days of His *Wrath*, as countless people are tested whether *Good*, or if *Evil*, then killed, linked to a greater number (not Evil) to receive Probation in a future *Resurrection* to *live forever* in Babushka Egg Pearls. (**Rev. 14:13**)

Therefore Yeshua will start his Kingdom after His birthday amended in seven Holy Days between equinoxes of a New Hebrew Calendar. He will plant once more and built a beautiful new Garden for the countless resurrected Saints living forever (**1 Pet. 2:9-10**) for an eternal *Jod* Dimension. (**John 5:19-47** and **John 21:25**)

Prof. Edward Hull MA LLD. FRS. Barnes & Noble Publishing Inc. 1995

Part 1. What is the Plan for Mankind?

The oldest book, the Torah-Bible revealed that the eternal invisible Creator YHWH desired to be become visible. He is known in His Creation by seven names in a Hebrew Alphabet Number System like 1) Nissi –Refuge, **Exod. 17:15-17.** 2) Jireh-Provide, **Gen. 22:12-14, PS. 23:1-2.** 3) Rapho-Heals, **Exod. 15:26, Matt. 9:21, 1 Pet. 2:24.** 4) Shalom – Peace, **Judg. 6:24.** 5) Raah-Shepard, **PS. 23:1-6.** 6) Tsidkenu-Jehovah, **Jer. 23:5, 1 Cor. 11:30.** 7) Shannah-Lily, **Ezek. 48:35, John 8:12, Matt. 5:14.**

Thus, His blueprint has two sides like a paradox recorded in the first pages of Genesis detailed in Heaven and Earth. It is similarly described (**Pearl #213**) with **Resh - Emerging Head + Judgment** (200+13). It was designed with purpose in a suitable plan meant for Angels and Mankind to the *Daleth* and *Jod* Dimensions. The divine book explains why He created an Angel World, which became corrupted. Therefore, the Creator replaced it with mortals **Adam** and **Eve** at beginning of Life with two Trees in a Garden that signified a system two cycles (*caterpillar-cocoon-butterfly*). The other Tree will provide you with **Eternal Life** and end His story in seven days **Wrath** stated in 18 chapters of Revelation (*not meant for Christians*). Perhaps many people receive **Probation** after Death to populate the *Jod* Dimension.

The Creator YHWH will finalize Humanity in His **Torah-Bible** written by forty (40) Prophets recording the history of Mankind. Perhaps a future Rotunda will exhibit and store soil from Golgotha in a massive golden Urn similar to the Ark of the Covenant with Ten Laws in stone? (**Heb. 9:1-5**) The prophesied dual Plan of an Angel World is replaced by a mortal one with 120 Jubilees across 6000 years, completing Yeshua's Kingdom. It is the last transfer station to build (3.5yr.) and light up a glass pyramid Temple (**Dan. 12:10**) settling the Apocalypse and obsolete Evil and Death for a diverse creation. Maybe is produced with the same infinite light energy cascading in three (3) arrangements like Heaven - Earth to improve an immense new *Jod* Dimension with a future eternal space City. (**Rev. 21:22-27**)

Mankind is similar to molded clay vessels, one will be good, equal to Sainthood, but the majority of people are in the middle position will acquire Probation with three population spikes described in Babushka Egg **Pearl #126**. The other side is **Evil** and wicked (**Exod. 20**) causing the *Second Death* (**Rev. 22:10-15**) according to 10 Commandments. Once more, the Potter forming Life will declare & decide if a mortal human is **good** or **evil**. "If righteous, is resurrected and will live endlessly." However most will get **Probation**, and if **evil**, will perish and die. Yeshua begins his Kingdom (**Rev. 19:11**) riding high on a white horse as a King, not on a donkey. A heavenly horse is linked to some Saints modifying genes to improved nature with divine Laws, like their favored pet animals to enrich life for a *Jod* Dimension.

To expand divine knowledge many Prophecy verses are detailed in Babushka Egg concept Pearls. Look up in the sky for the arrival of the heavenly Two Witness Prophets with millions of angels in noisy space vehicles to start the 7-day **Wrath**. A door will be open again (**Rev. 4:1**) in the solid frozen dome to announce the birth of Yeshua's Kingdom.

What are Bond-Slaves & Saints? (1/2, 2023)

This Pearl is really a sequel of **Pearl #215** which begins and ends with the last word in Revelation explaining what a Saint is mentioned in the Torah-Bible. I think the number of Saints to govern in Yeshua's Kingdome and a new universe; will replace 200 million 'evil' Angels in an abyss (**Rev. 9:16**) with a resurrected Mankind. But divide it by 6000 years. ($200,000,000 / 6000 = 33333 / 365 =$ each day) Hence worldwide the Creator YHWH selected 45 couples for Sainthood with different cultures. Like Adam & Eve were destined to rule the worlds with Yeshua and populate a future *Jod* Dimension with many families. It is revealed in a paradox of a Hebrew Alphabet Number System is linked to *Resh* = 200 [like insufficient] of three (3) population spikes at the Endtime. (**Pearl #126**) The Creator desired a purpose for Mankind so He created mortality in two cycles (caterpillar - butterfly) ending in a *Daleth* Time Dimension. It exposed humanity to **Evil** because of the corrupted Angelic realm thus is exchanged by Servants. (**Rev. 1:1**)

The cost of a slave was established when Judas Iscariot paid 30 silver coins (**Matt. 26:14-16**) as overlaid in ordinances (**Exod. 21**), and Joseph being sold into slavery. (**Gen. 38:1**) Some of my friends are professors in theology, educated in the prevailing fake science altering calendars, thus they do not know how to date about the Apocalypse. Quoting (**Deut. 18:22-23**) saying if a person's predictions don't appear, he must be a false prophet maybe is an opinion of Moses? (**John 8:13**)

Please check the Prophet Ezekiel, who recorded much more - whenever the Creator YHWH said, "son of man". Thus many Christians are ignorant about what a resurrected Saint is. I hope that I am invited to some Saint parties on the other side linked to **Dan. 7:9-14, Rev.19:1-10, or 21:1-8**. But notice everyone is dressed in a white tunic (**Rev.7:9**) like famous people Billy Graham or Lazarus will lose their identity (**Luke 8:19-32**). Perhaps sufferings exposed to everyone will find a telephone in their pocket with direct access to the King Yeshua, making a bigger new universe named in HANS like a *Jod* Dimension.

YHWH appointed once again a Jonah (II), now over 90 years old having survived Death many times being protected by the Creator. He is still writing Babushka Egg Pearls; maybe this is the last one? Born in Germany during Hitler, immigrated to Canada and became an inventor/scientist. After a complex life, he retired using a computer to prove a coming judgement where most evil mortals will again perish.

The Torah-Bible and true science, which is similar to a railroad track with two rails made for balance. As an inventor, I was interested and discovered that the prophesied Apocalypse birth pangs will soon arrive after 4311 years, maybe after the summer-solstice 2023

2023 END-TIMES PROPHECY - <https://www.youtube.com/watch?v=aw2p06bgyKg>

Dating God's **Wrath** is not popular because everyone is educated in fake science and falsified calendars. Israeli scribes chronicled the oldest history book for Mankind on earth, supervised by the Creator YHWH. He recorded many referenced timeless verses in His divine Torah-Bible. Subsequently Christian denominations will not properly investigate the last book of Revelation of God's Word for modern Israel.

This extensive revelation is greatly expanded in 18 chapters of Revelation, which explain God's **Wrath** is shorter than seven years? (**Rev. 9:5** – $150/20 = 7.5$ days) The last word in Revelation "Saints" is still a mystery because ignorant theologians believe they are that "event".

Pearl #212 *Forgotten Videos* - A) Bible, B) Religion, C) Science Question.

The other rail is linked to Grandfathers to discover true History with cosmic science Laws found in any old Torah-Bible. Yet Truth is well preserved but misunderstood by Christian theologians trusting in fake science like a picture of three (3) monkeys that don't see, hear & talk. I bought a video ***Sound of Music*** analogous to Yeshua who will marry either a Baroness - Israel or Maria a nun - Saints with seven (7) children like matching Probation to live in a foreign land. But dating seven days of divine **Wrath** stated in Revelation: it will wind up Western Civilization with a New World Order ruled by Yeshua until the *Daleth* Time Dimension is burned in a prophesied Lake of Fire.

The Torah-Bible revealed the Big Bang theory, which is not possible without intelligence, to tell which direction to go, to expand or shrink? Many cultures have forgotten true science and knowledge; thus 1000 videos are no longer allowed on YouTube? The atheistic Elite is destroying worldwide cloned GMO food seeds. They only permit deceptive fake Physics-Metaphysics that discontinue the Thermodynamic Laws and perpetual motion Rules visible in nature. They forbid a blue light filter on solar panels that would give more output. Consequently a government science department, like Stanford University - SLAC or dead CERN, never taught free infinite **Energy** buried in nature, which is linked to a new postulated Atom theory with a mathematic formula $\infty E = m (+\infty C / -\infty C)^2$. Why suppress free **Electricity** for 100 years, or split ocean water to get unlimited Hydrogen gas with a resonance frequency (**Pearl #240**), receiving benefits of magnetic Water not allowed (**Pearl #131**). Maybe a filter of solar panels could be linked to a rainbow with seven colors (**Rev. 4:3**) to compete with free **energy** of UREE motors? They no longer teach Physics on a modern Web obsoleting unrestricted power, batteries, capacitors or crystal micro speakers invented recently by Dr. Heil? Why generate most electricity by dangerous Uranium in nuclear fissions and not utilize a safer Thorium element, or magnets with flywheels? They would perhaps produce the same energy if linked to limitless Gravity coming from space combined with magnetism?

FEMA used microwaves to modify the Jet Stream causing current destructive events like earthquakes, draughts or bogus planets, as our earth is flat and not a globe. Broadcasting 40 years of phony Moon walks and displayed a fake Hubble space telescope on public TV. They obliterate the environment of the earth so that cloned seeds don't germinate, which changed GMO Technology? Why forbid free **Electric Energy** suppressed for 100 years? It could be converted to infinite light linked to Fraunhofer spectral lines which are postulated in an Atom theory. (**Gen. 1:3**) The speed of light will change all the laws in nature joined to the last Jubilee on earth ending "Time". A Torah-Bible has more information available of Yeshua's Kingdom please read amended Babushka egg Pearls of a new *Jod* Dimension.

Part 2. Probation for Mortals (John 5)

The Creator YHWH appointed a Jonah-II to chronicle the Endtime (**Dan. 12:1**) and forecast an Apocalypse date quoting the Torah-Bible like **adonijah** – Lord is Jehovah (**Zech. 14:9**) worth a few inspirations. (**Mal. 4:1-ff, Rom. 8:28, 12:2, Matt. 28:19**) But there is bigger problem in heaven. (**Rev. 12:7-10**) The Archangel Michael is fighting a war with Lucifer who loses, thus is thrown to Earth receiving God's Wrath. (**Rev.20:1-3**) It is linked to the last Jubilee of Yeshua's Kingdom to prepare Mankind to live forever in the *Jod* Dimension. Consequently, the next generation will see Yeshua riding on a heavenly white horse of an eternal King (**Rev.19:11-16**) to lead His domain, a new Creation.

To sum-up the main foretold points of the last Pearl concerning the coming World Judgment; please follow the Plan for Mankind - what will happen to you, as millions of people will die by Divine Law. It will be similarly, like only one family survived Noah's Flood (2288BC).

Hence equally most mortals will receive **Probation** during Yeshua's Kingdom ending in the new *Jod* universe. It is revealed in Revelation (*not written for Christians*) and very short like a paradox explained in longer 18 - chapter linked to Ten Commandments of **Good & Evil?** (**Exod. 20:1-20**) Please read some verses to be convinced on probation? Many Pastors trusting in falsified denomination will soon agree with me as stated in HANS=12 in every Torah-Bible. (**5-Heh+7-Daleth**)

- 1.) Seven Ages of Creation (**Gen. 1:1**)
- 2.) Seven Seals (**Rev. 6:1**)
- 3.) Seven Thunders (**Rev. 10:1**)
- 4.) Seven Bowls (**Rev. 16:1**)
- 5.) Seven Days of YHWH Wrath (**Rev. 17:1**)

Thus **Probation** is hidden (*not known by theologians*) as the "Time" in heaven is running 20x faster as explained in 20+1 days? (**Dan. 10:4**)

- 1) Ananias and his wife Sapphira lied to the Holy Spirit (**Acts 5:1-11**) that missed **Probation** after Death is identical to a '**Green Card**' video?
- 2) A good woman, Dora, died and was resurrected by Peter (**Acts 9:36-43**)
- 3) Yeshua resurrected Yairus little girl. (**Mark 5:35-43**)
- 4) Yeshua resurrected his friend Lazarus. (**John 11: 38-44**)
- 5) The prophet Elijah resurrected a little boy. (**1 King 17:21-22**)
- 6) The witch of Endor called up the dead prophet Samuel (**1Sam. 28:3-25**)
- 7) The prophet Ezekiel speaks to dry bones of a field. (**Ezek. 37:1-10**)

The Web will soon disappear and end, consequently the YouTube already eliminated hundreds of recent science videos. Therefore the Creator YHWH planned what he wanted, linked to a Torah-Bible described in Babushka egg concept Pearls. It is revealed in current events and finalize in a divine prophecy for a future Mankind. Yeshua has two offices: in the *Daleth* Dimension as King of Kings - Lord of Lords and is the author of all *Jod* - **Life**. Revelation recorded the last warnings of Two Witnesses soon to arrive from heaven ($1260 / 20 = 63$), living thousands years still kept alive. (**Rev. 11:2-3**) They will announce that Yeshua is ready in 70 days ($63+7$) to start His Kingdom which dated (7) Holy days between Equinoxes on a New Hebrew calendar. Please, check every day the NEWS in Jerusalem or many Bible verses?

The New Kingdom is Totally Different (Pearl #215)

The Apocalypse will end by an invasion of million angels in space-vehicles. John 5 explains why there is **Evil** and perhaps why there's Probation? The story opens with awful sick man being healed. It is similar to a video, *Pretty Woman*, as Yeshua is meeting a resurrected Saint to discuss all the mistakes made through Life, hence merry her. Besides unite Israel (corporation) and be separated by Ten UN nations (*10-year lawyer*) after the Apocalypse. He will counter a future personal plan for her to live happy and worship the Creator YHWH. Please read the last amended **Pearl #142 & 215, Babushka Egg Concept Book #2, Mystery of Tammuz 17** [p.239] parallel to HANS. (10+7)

1. After Yeshua's Resurrection lasting 50 days will continue Mankind in a future divine system without wars, conflict, police or hospitals, and "Evil" will be terminated to experience genuine eternal Life.
2. A new society will be created with fantastic economy obsoleting money or ownership during His Kingdom and *Jod* Dimension.
3. YHWH allows only one true religion to worship him and unite a future education system divinely taught for a superior civilization.
4. Mankind consequently will speak once more "One language" like before the confusion of Babel recorded in scripture. (**Gen. 11:1-2**)
5. Nature is fully restored to pristine conditions without recessive evil genes (**Num.13:33, Josh. 3:10, 5:13**), which poisoned GMO causing Noah's Flood.
6. Perhaps a future resurrected Mankind will eliminate the fertility rate (**Pearl #126**) controlled by the atheistic Elite, as the Torah-Bible will point out that people can eat Food from heaven without a digestive system (**Rev.22:1-5**) which is new for mortals & animals. (**Isa. 65:20-25**)
7. The economy is fueled with **Infinite Energy** discovered in the Torah-Bible and described in many Babushka egg concept books & Pearls.
8. The Kingdom will be organized in a computer driverless taxi system of levitated minibuses without wheels. Consequently the resurrected Yeshua going through walls or closed doors thus obsoleted modern physics of natural laws to continue Life. (**Luke 24:36-49, John 20:19**)
9. Therefore every of Mankind will be separated by **Good** versus **Evil**. (**Rev. 22:10-15**) Those made righteous by the Creator will live forever without a Time system, hence ending in a new *Jod* Dimension.
11. Thank the Creator that the Apocalypse Judgement Wrath is only seven days long, therefore is condensed throughout 18 chapters of Revelation.
12. YHWH loved diversity as many resurrected Saints will exhibit their old cultures across 6000 years in the newly built Jewish kibbutz villages.
13. A recent discovery in divine Law gives **Probation** to many people not Evil (**Mark 12:25**) like children who died (**Pearl #300, Part 4**) with the resurrected Saints to restart Eternal Life. (**Pearl #888**)
14. Mankind will be given overlooked Probation granted by the Creator YHWH thus creating a bigger increase of a population spike. **Pearl #126**
15. Thus in a new heaven-earth (**Rev. 21**) will end "**Evil**" and expand with the 2nd Race of Yeshua of resurrected Saints in the *Jod* Dimension.
16. Therefore, an infinite fellowship Gift is given to Mankind by YHWH, like his Son Yeshua, Messiah - King linked to two Commandments.
17. Hence the Creator YHWH became clothed in a human mortality for a new universe creation to be eternally forever worshipped. (**John 21:25**)

Part 3. The *Jod* Dimension Revealed in the Torah-Bible?

This is the last Babushka Egg concept Pearls postulated by Jonah-II. It described why mortal Mankind dying in YHWH's Wrath of seven days as many people who were not evil acquired **Probation**. The Creator revealed on the first page of Genesis a world judgment when He created the *Daleth* Dimension on Earth with Time cycles of 120 Jubilees about 6000 years and said, "It was good." It was not mentioned on the (7th) seventh day, "Why"? To continue Mankind Yeshua added a last book Revelation creating a totally different new universe to reveal a huge *Jod* Dimension. (Rev. 21:1, Rev. 22:10-13)

Humanity will forever live in eternity, therefore during Yeshua's Kingdom all will be changed in Divine Law. Thus **Death** and **Evil** are obsoleted because He is the author of all Life therefore will silence "Evil" as stated in many Bible verses. Consequently is linked to Resurrection receiving Probation of quiet people and special Saints. Thus Revelation (*not meant for Christians*) will confuse theologians trusting in false denominations finalized in seven days of 18 chapters matching the **Wrath** of YHWH. Followers are taught in church that the Apocalypse is *seven years* of a pre-middle-post tribulation not accepting that "Time" in heaven is 20x faster than on a *Daleth* Earth.

The new universe is populated with Saints having families again. But many people receive **Probation** after the Great Resurrection as *good & evil* is not established for everyone. (Pearl #126) Perhaps Probation will house millions people in many today's cities with empty apartments and vacant skyscrapers now banned in YouTube videos? The Yeshua's prophesied Kingdom will start a pyramid Temple facility (Ezek. 40 - 45) to close the Endtime of the *Daleth* Dimension. Thus Cherubim angels who serve and guard the Temple area is described by the prophet Ezekiel with four faces (Ezek. 10:14-22): that of man (Servant), lion (Law), ox (Government) and eagle (Scribe).

Hence worldwide many languages are reduced to "one" like before the confusion at Babel. (Zeph. 3:19) Also future Mankind and animals will eat no meat as **Death** is obsoleted (Rev. 22:1-7), linked to an eternal bodies is totally redesigned without digestive systems. Thus Money will finally disappear, no more hospitals, prisons or police stations are built, and horrible world armies eliminated. It is recorded that the Sun and Moon no longer exist, which is produced by **infinite energy** to fuel a hi-tech civilization and *Jod* Dimension. Hereafter strange lights will universally radiate from walls or streets to restore nature with a different environment of Physics – Metaphysics for a new universe.

Hence His Apocalypse passed the spring Equinox as more current events are viewed connected to a short Wrath. Therefore the Star of Bethlehem will be seen again, like a big golden satellite City, which is a traveling residence for the Creator YHWH? (Rev. 21: 9-27) There are two Cities, one on a *Daleth* earth perhaps NYC (Rev. 18), more are found in a new universe. Many people, maybe you will forever honor the Creator YHWH and worship His Son Yeshua in His Kingdom, linked to *Jod* Dimension or Babushka Egg Concept Books & Pearls.
