

Hidden and Shocking Ending our Civilization A Metaphysical Observation

Copied and abridged from the 7th Babushka Egg book -
What is the Time Dimension (10-10-10) comparing it with
today's headliner verifying science projection?)

Our civilization will be ending shortly with an Apocalypse for reason mentioned and explained later in **Part 2**. Mankind has come to the point where Good and Evil is no longer differentiated but enforced on society to "Relativism" as a Third Option that changed worldwide the moral values emulated from an atheistic Hegelian - Marxist - Capitalist - Socialist & Elitist philosophy into a computerized oppressive One-World-System controlled by Illuminati FED bankers.

However, our worldwide society will be measured against God's standard which has become totally evil ending my story like a mirror to reflect reality what will happen in the next few years. The black storm clouds have gathered as most prophecies have been fulfilled, like the morning star announcing a day linked to a divine visit from outer space.

The dawn of Yeshua's Kingdom is on its way to govern a new civilization on earth to stop the total destruction of our environment and massive Life extinction. Since this ignorant generation of mankind is brainwashed by evolution fairytales is no longer capable to think in logic. It caused theological confusion too about the prophesied Apocalypse yet is well documented in the Babushka concept books and Pearls.

It is even dated from forgotten science, visiting international museums exhibiting ancient bronze-gold clocks linked to ending our civilization.

The creator YHWH planned His creation before the formation of this earth (**Genesis 1**) about 4488BC; you do the math applied to true Hebrew knowledge.

Satan was appointed by God to teach us evil to affect all of us, but his school is abridged by mankind's mortality. He is only allowed a certain time to expose us with evil so that we can learn lessons applied to eternity needed in the after-life. Every mortal has a preset recorded time destined by the Elohim like two birthdates embossed on our tombstone. Some is very painful more or less depending on application for higher position in his administration. It was portioned out according how much was needed for a future life on the other butterfly side as illustrated for grandkids nature's caterpillar-cocoon example teaching us the invisible metaphysical realities.

Evil is a great mystery now exposed a little in this Babushka egg applying true science. Searching professional magazines revealed some unexplainable facts difficult to make sense, but our limited mind needs to trust our Creator that all what happens on earth is under His control being allowed for a greater purpose.

To survive the Apocalypse, the creator will provide a boat again like Noah saving his family because he trusted God. Being forgiven to enter the Promised Land many will experience miracles perhaps some may get an individualized canoe to navigate a descending apocalypse waterfall. That example gives us hope. Read Billy Graham's Prayer to the Nation. (**Pearl#141**)

The Apocalypse is scary, but only God can get us through it. The golden thousand years of peace will arrive shortly after. A birthing process is painful, but will fade away as the next new civilization will take over, embedded with hope and prosperity for all of mankind. For the first time, evil will no longer be allowed in God's Kingdom on Earth. Satan's school to teach us evil will be closed down, and the teacher will be bound in the abyss. Satan is the last actor leaving the stage before the Time dimension curtain falls.

Looking behind the Time Dimension curtain reveals what is invisible to the spectators watching the major players getting ready for the final act that is the glue of the creation story. Satan has controlled two previous civilizations, but he is not allowed to mess up the last one. That third civilization for mankind is on the horizon perhaps could begin after **September 2022**, which is based on many witnesses.

You can check the Gospels recorded 2000 years ago; Satan tempted and offered Jesus all the kingdoms on earth if He

would acknowledge that he was co-equal to the ELOHIM to be worshiped. He never changed his mind and tried once more to defy God the Elohim in this civilization in utter rebellion and defiance. Satan's final time will terminate by Michael's army ending the war in heaven. Now forcefully exiled to earth will continue to war with his underworld demons to end in a final Apocalypse. He will be chained to the nether-prison as detailed in Revelation and predicted by the Hebrew-Aztec calendar after 25 July 2015?

It closes the creation theater curtain ending the story like the Atlantis Civilization in 2288 BC recorded by the Aztec culture as a fifth cycle parallel to the Daniel's stone from heaven. **(Dan. 2:34)** The prophesied Apocalypse will end in fire rain terminating our civilization and project dated with HANS after September 2015?

The Bible speaks of many more events that are detailed in my second Babushka concept book, *Mystery of Tammuz 17* to broaden our horizons and understand God's Plan for Mankind never preached in church. Mortals have been linked to Satan ever since Creation and using true science will embellish divine Revelation. It started with Adam and Eve in the Garden of Eden around 4004 BC to coexist in parallel involved in a battle of "Good and Evil" as proven with ancient clocks exhibited in museums. Historically, Satan has caused many wars to derail God's plan for mankind. The story ends with a final confrontation at Armageddon in Israel now projected on many TV programs. Most people have a vague idea of evil from the biblical perspective and its implication opposing God Elohim, the Creator.

Satan again will face Yeshua-Jesus in his last confrontation appearing shortly. The final showdown of Armageddon has been dated by using the ancient code of the Hebrew Alphabet Number System (HANS) were Satan is trying to convince God Elohim that he is superior to Jesus, His favored Son.

Please be not offended by what I observed looking behind the metaphysic curtain of the cosmos drama theater. It is acted out by the main performer from a Bible perspective, which I did not invent, as I am mortal just like everybody else, but discovered some dating out of curiosity. Similar to as a kid walking with my parents, turned over a number of rocks just to see what moved under it and have never changed my habit investigating science and religion.

However what I see under the rock is subject to interpretation to reflect the time we live in and if applying logic could see how it ends.

Satan's Final Meeting with Elohim

Toward the end of the Great Apocalypse, Satan will confront God once more and say something like this:

God you should accept that I am equal and more powerful than Yeshua-Jesus. I was number ONE named Lucifer previously highly honored in your administration, remember I used to be coequal in ancient times and ruled all the kingdoms ever since on earth. It was not my fault being demoted to control Mortals and make them do what I want. As a matter of fact guided by many of my faithful demons everywhere in strategic locations will confirm very few are still loyal to you around the world. They have forgotten your Bible oracles thrown out worldwide of every classroom.

Look around and be convinced and acknowledge the many facts that I circumvented the Babel confusion event and created once more an atheistic computerized World Order which became my willing tool to screw- up nature whatever was leftover from Noah's Boat (2288 BC).

My loyal demons achieved and succeeded in training many faithful stupid Mortals who were brainwashed and educated in my atheistic evolutionary religion I invented. Their entire scientific endeavor and resources were used only for one purpose to destroy and mess up worldwide your creation which irreversible doomed the environment for extinction. They even financed it with printed worthless money mostly applied to high technology weapons which was destined for the absolute annihilation of mankind and worse included all biological Life on earth. I made sure that they are well educated in my religion and are groomed by special demons that are skilled in deception. They were strategically placed alongside every atheistic politician and scientist and taught them my fake science a fairytale evolution version ignoring logic which was dovetailed for total destruction. My power is unequalled next to the divine laws as my demons succeeded and taught mankind once more how to genetically modify most food feature saved from Noah's Ark which made worldwide NEWS on major TV (5-21-2010).

It modified Genes in many laboratories by mixing DNA heralded as the greatest achievement of science. On one side ignorant scientists waste resources by smashing atoms with more powerful cyclotrons that started with SLAG now improved with a really stupid CERN. However others are more educated to discover that atoms, rather being smashed to junk, are controlled by an invisible embedded intelligence code forming 80,000 proteins attached to every DNA.

They think they are creating something new, which is not possible. They can only borrow energy and mix intelligence codes from what already exist being now very close to repeating what was done in Noah's time once more. They have already spliced out the reproductive genes and learned the process of cloning, and are programmed to do it again. They became successful, by starting with sheep. Now sheep are larger having lost its inclusive taste being mixed with bigger animal genes, all aiming to make obscene profit.

I financed the research, which is getting better now, since they have cloned most vegetables. But it makes more headlines when modifying cows, pigs, chickens or turkeys and to make more profit succeeded producing imitation hamburger meat. It is already used in ersatz hot dogs created from synthetic stem cells produced in many laboratories.

They are very close to modify half-human-half-animal and produce a wicked aberration once again which is reminiscent in changed mermaids. Or demonstrated in an ancient Sphinx monument, a human-lion dug up in Giza –Egypt from sand and silt will show their hi-tech accomplishment during the Atlantis civilization in 2288 BC which perished in a Flood.

I caused people to laugh and make jokes about the Bible. That was a good method for countless mortals to be lulled into complacency and to become comatose in order to deflect the danger. They are trapped and no longer care to save some original seed. I made sure that many atheistic lawyers were motivated by extreme greed in order to enforce gene patent laws that would accelerate gene modification which can no longer reproduce its specie.

A few years ago, the US Congress hotly debated genetic technology being upset when they saw babies genetically modified without arms and legs missing. But a new GMO cartel Monsanto industry was emerging at my direction using genetic body parts needed in fast budding gene laboratories.

They were at first shocked when asked by scientists if they would be allowed to legally harvest organs used for transplants and other experiments by declaring the armless and legless babies' non-human, being terminated right after birth. That ended in a compromise by allowing abortion mills well financed by subsidized taxes, which allowed them still to use aborted baby body parts skillfully divided and spliced into various useful genetic material inside the womb. With high-tech instruments they have ample supply available of the genetic material for a new emerging DNA research and human – animals' transgenic technology.

The Supreme Court decision influenced many of my demons which were helpful for the specialized new industry of many laboratories hungry for more gene material around the world. They asked and got permission for much-needed human body parts, now plentiful available from the (50) million babies killed in America which is ignoring the United States Constitution made useless becoming relative.

They have pushed the envelope for more developments of bigger body parts past the fetus stage. Check out how the US Supreme Court opened the abortion mill laws in American still killing babies in dirty facilities but now just born fully matured. It is witnessed on TV, but never upset the comatose Christians sleeping in many churches being deceived.

A less restricted technology is helping the new emerging gene industry hungry motivated for more profit now using fully developed transplant organs with embedded stem cells secretly harvested inside or outside the vulva will not matter anymore in a few years. I am looking forward seeing my plan of extinction finalized and made sure the public will never find out. The biggest surprise is waiting when people discover that original food seeds will not be around anymore. They will have been genetically extinguished by missing intelligence spliced out. The current society has forgotten about the Noah boat story saving original seeds for a future generation. Notice most food items will show a control number stuck on every fruit, vegetable or seed? Now they are much bigger in size embedded with large water cells and tasteless to fool the consumer.

All is motivated for obscene profit to keep the stock market casino busy to finance future wars. Therefore, Mortals do not even notice that the food supply became enhanced with chemicals, artificial colors and systemically embedded with pesticides and herbicides on the cell level allowed by the FDA, which are dangerous to eat. But worse yet is that the public is kept ignorant when the immune system policeman was spliced out on the cell level. It will cause many to die and get sick on strange unknown diseases, a kept hospital puzzle.

Many already are getting infected from salmonella and E-coli bacteria and many unheard viruses when the intelligence policeman information protecting the specie was spliced out. Thus my special modified bacteria combined with various viruses have now unhindered access bypassing the immune system will generate many diseases and premature death aimed to destroy all of Mankind. Worse scientists mixing new strands of superbugs cell material for the benefit of

pharmaceutical corporations developing dangerous useless drugs following my advice will make obscene profit.

Therefore the comatose consumer will never know the difference or why the food has changed because the atheistic FDA government I total corrupted is controlling everything. Consequently many groceries shelves will be empty for this generation which is terminated by my superior strategy.

To make absolutely sure my demented Geneticist¹ using modified chickens implanted with dangerous pharmacies drugs that genetically produces eggs is much more cheaply all for higher profit, should never be eaten. If you wondered why massive chickens and thousand geese were recently rounded up and destroyed by government agents dressed in white space suite and goggles searching 300 farmers in Asia and in Germany all shown on TV revealing my success.

Because humans are stupid, not deterred by a million eggs recently recalled was just a trial for a bigger impact linked to deadly embedded pharmacy or spreading lethal salmonella, E-coli bacteria, and deadly viruses accelerating big time. Many animals are now treated with massive antibiotic substances on feedlots to enhance my superbugs and Mad Cow Disease embedded in meat no longer investigated by the FDA protecting the GMO cartels. It will terminate in various cancer deaths going through the roof costing billions skyrocketing even Obama cannot fix. Once a cow has been injected with Monsanto's rBST and is mixed with strange pharmacies will produce higher milk output but causing puss in milk that can only be countered if linked to dangerous hormones to save the cow.

They will then be injected with massive antibiotics to damage the immune system of kids affecting in early death. The result is demonstrated by the medical profession being baffled as many schoolchildren are now dependent on dangerous drugs. Doctors are unable to keep track of a contagious epidemic accelerating worldwide linked to bizarre diseases. It is countered by useless, unsafe mind-altering drugs creating disabilities from early childhood. For more profit producing cheaper powerful drugs other vegetables can be genetically modified especially easy is corn, potatoes and eggs used in processed products now loaded with chemicals and outright poison and made sure that my friendly FDA will not enforce gene labeling laws being rewarded by the GMO cartel with generous bonuses. But if forced to label a simple backed

cookie has 40 dangerous chemicals embedded in very tiny print to fool the consumer ignorant of organic unsafe GMO.

The public is not informed about statistics that if GMO is introduced only one time into the environment, it can never be controlled by brainless bureaucrats. The basic food - meat, vegetables or milk production around the world will become totally screwed up by GMO. All fingers point to the FDA of former executive of Monsanto conglomerate cartel vice versa approving a hellish recipe for massive mislabeled organic grown food disappearing fast, linked to global starvation² accompanied by horrible painful deaths, all for higher profit.

In addition I made sure worldwide nobody would know that the food production could end suddenly as I exclusively united all international gene corporations in a consortium and thus created an international gene octopus Bayern cartel controlling the other deadly sisters. They are favored by a corrupted FDA which is totally loyal to me together and utterly directing worldwide every aspects of farming. The ignorant public will not know that the seed production was modified thus screwed up, embroiled in expensive lawsuits.

Therefore, the whole world is dependent on only one gigantic, global mega billion-dollar octopus cartel skilled in cloning and gene-modification changing every original seed which has permanently modified all reproduction laws of nature geared toward total destruction becoming extinct. It was replaced with terminator genes to make everybody depended only on Monsanto's cartel seed for higher profit. Once gone, the original gene intelligence is lost forever.

Thus my demons will push for inferior cloning when the reproduction genes no longer replicate the species, hence the original seeds according to nature will disappear. It surely will prove my power over mankind as many farmers will no longer grow food for the next generation terminating forever what was original created. Massive starvation will follow worldwide to end mankind.

I blinded many experts to make sure that a cartel will always pay off powerful judges, politicians or lawyers to make them instant millionaires. Not even governments and UN World Court can restrict GMO's anymore; as it will be impossible to remove the foreign embedded genes once rooted into another species. It permanently destroyed the intelligence and now damaged millions of proteins - DNA maintaining Life.

¹The 4th Babushka book, **Genetic Modification Exposed!**

²www.FreeDocumentaries.org airing *The World According to Monsanto* offers thought-provoking and entertaining documentaries on the Internet

It gets worse; global cartels will enforce their gene patents to make obscene money and introduce GMO on a large scale. Thus nature automatically will reproduce in the environment what was artificially put in like operating a computer: "Garbage in - gets garbage out". It will end with extinction in one generation assured by the natural process of forgotten Newton's Law.

Most high court judges are comatosely stupid and do not understand GMO technology enforced by powerful global cartels who will always favor gene patents to the detriment of true organic farmers. They have no choice to retain their own seed because a terminator gene was inserted which makes it impossible to reproduce the next time around in a regulated food production. *Babushka egg Book #4, GMO Exposed.*

Therefore nature teaches when original seed can no longer be obtained as seed pollen will spread over to the neighboring fields with foreign embedded genes, will contaminate the next generation of reproduction. Thus poisoned pollen will kill every pollinating insect like honeybees and many beneficial insects now disappearing. Ultimately every farmer must pay a big patent fee to the cartel if only one single gene is embedded in the whole field as tested in a Supreme Court case in Canada, even though it is impossible to prevent genes from migrating to adjacent fields carried by the wind. That alone creates gigantic profits automatically for the cartel and only needs corrupted lawyers to police compliance linked to the threat of expensive lawsuits the farmers cannot win.

It gets better protecting my willing GMO cartel in addition, every farmer must sign a contract giving up all rights extending 100 years forever and is forced to buy seeds and specially designed systemic fertilizers and pesticides only from the cartel to have a crop for the next year, which legally can be enforced by my friendly Supreme Courts following my orders to make sure my GMO extinction recipe will end worldwide the food supply forever.

My hellish GMO technology was greatly improved now to require that every cloned plant is continuously using more fertilizers and pesticides increasing the profit for the cartels because the internal gene intelligence is programmed toward extinction. It was found out by some clever Japanese scientists but it will be too late when the rest of the world faces the soon coming Armageddon as time has run out since nature is not forgiving.

The fun is on my side for a double big bang will coincide with the prophesied Armageddon war event because at my

command I will cause the Monsanto and the sister DuPont-BASF cartel to totally collapse into bankruptcy, such as experienced previously by hundreds of banking institutions and insurance companies. Remember NYC in 2009 which started my version of the Apocalypse was for me much fun to observe the international confusion by watching the global Stock Market casino to collapse invented for the class of privilege to pile up their fake printed money they never earned. It will get better when watching a US government, controlled by the NYC-FED bankers, reacting to financial chaos to increase a national US debt by a shadow Congress.

Worldwide have more surprises. There will be no more bailouts causing the world currencies to collapse when found out the Gold is missing in Fort Knox upsetting the Oil Cartel. Therefore my initiated programs causing massive extinction will totally destroy all food from this earth forever. Thus, the only place where life exists now will be forgotten through my effort and permanently end the next generation of mortals.

To make sure my program is not diminished someone published the effect of modified food "Pesticides at war using chemicals that kill. Every year 220,000 people are killed by pesticides, the glue³ of future massive destruction.

It was countered by disinformation I am good at. The public is unaware of my massive corporate caused genocide: the slow motion the killing of people through their food for super profits. To maintain these super profits, I usually spread lies to convince the experts that without pesticides and genetically modified organisms (GMO's), there would be no food. Being ignorant and stupid they believe it, hook and sinker. In fact the conclusion of the United Nations International Assessment of Agricultural Science and Technology for Development has shown that "*ecologically organic agriculture produces more and better food at lower cost than either chemical agriculture or GMO's*". I made sure it is forgotten spreading disinformation to confuse the public.

Seen on TV we see many salmonella attacks and strange viruses with massive numbers of people getting horribly sick and dying. It is caused by Monsanto's genetic modified corn and grain also used to produce eggs feed to chickens. But was successful hiding a number of tests covered up by the FDA feeding Monsanto's modified corn to rats' shows large cancer ulceration proving my food destruction program is working as planned. The list is getting longer.

³Excerpt from Vandana Shiva's, "The Killing Fields Of Multi-National Corporations", The Asian Age, July 14, 2010.

In August 2010 TV announced a million eggs recalled with salmonella greatly pleased for an early success. Followed by 2013 the CDC was alarmed by seven new strain outbreaks of Salmonella, I morphed genetically to be more potent to wreck existing drugs. It is getting much better now three months prior to that, three big factories making peanut butter family owned for a long time, was closed down in Texas unavoidable found my favored salmonella followed by tea production in San Francisco.

More was shown on TV tomatoes, jalapenos, and had fun watching my early test with spinach in Watsonville California blaming some cows on the hill when 28 people got killed mostly kids, but thousand ended sick which baffled a confused ignorant establishment not investigating the many genetic changed salmonella- E-coli bacteria side benefits.

Eating GMO vegetables cannot be avoided anymore as I made sure that stupid organic farmer do not know the difference what is organic and modified genes which caused many bankruptcy of harvest failure consequently will be killing massive people in the future believing my GMO lie?

The list is endless. GMO rice poisoned thousands in India and killed thousands sheep and buffaloes. The rest of the world is never mentioned on TV. Some people wake up when they get sick, but that will be too late as lies are more powerful which is the glue when judges are paid off with obscene profits. The roadmap was permanently redirected which will derail Your Plan for Mankind because I am superior as Jesus the Christ.

Additionally, it is getting better my demons boast controlling stupid Mortals, who literally dig their own graves. We have re-engineered toxic bacteria and strange viruses that is more genetically deadly and which has been dug up from the from the Middle Ages cemeteries graves by my loyal scientists in order to build 10,000 biological bombs, but are a thousand times more lethal. Using genetics combined with deadly cell material extracted from decomposed bones from those that died from the Black Plague.

My favored scientists build biological weapons guaranteed to finally put an end to all of mankind. I stored much poison in America which became atheistic in just one generation rejecting the Christian faith as pastors and preacher became comatose to put their congregation to sleep only interested in money. But gained more favors in the UN of my Iran-Syria protected an Islam religion worshipping me as their god. My Islam religion has grown to one third of the world population

plus the other third became atheist's getting bigger proven to be superior as Christianity, many are ineffective comatose.

Perhaps could now be merged into one **Chrislam** under my control. The Vatican has a new Pope and is open to have peace at any price. I made sure that thousands of bio-bombs stored and supervised by demented, brain-dead bureaucrats loyal to me to make certain that all biological life globally will be terminated a thousand times over at my command. Exercising my invisible power only a superior leader is able to control globally this atheistic computerized world system impossible to escape, as all have a SS control number watched by my demons.

The ancient Bible prophets were pretty good describing eyes falling out from their sockets while still alive. I can do better with modern flesh-eating bacteria far superior and will be so much fun to watch how it performs. Millions can be killed in just a few days. I am just itching to get the prophesied signal to start the Armageddon war my demons helped to prepare.

Another early success we achieved creating super cloned viruses when some of my demented scientists succeeded mixing Polio serums with my newly manufactured manmade AIDS viruses unbeknown by the UN Health organization was inoculated worldwide in children especially the poorest African population to study the lethal effects for my coming World War III application. It was meant to control unwanted population costing the UN too much money. I put the fear in the richest money moguls to finance the research believing that overpopulation is not sustainable with the health cost going up tackled lately by Obama demonstrating big time failures of an early demon caused computer collapse. The result on both fronts is massive dyeing of undesirable inferior sick and black people denigrated by the World UN planers straining the budget to finance my Armageddon war program.

It gets better more destructive to the environment globally most societies and especially universities are unaware that free electricity existed 100 years ago discovered by Nicola Tesla. When the German scientist Hoffman invented infinite hydrogen energy by splitting water with a simple method, they denied this huge energy resource for the whole world too. It took a lot of my Satan-power to make sure it was suppressed by my friendly American Government using the mighty military industrial complex linked to its police power down to the kindergarten level to brainwash people to keep the energy Genie in the bottle. They favored Oil and Coal

worse, now fracking so destructive polluting the environment easy to poison the water and air causing massive extinction I was much pleased from the result.

But for extra bonus rewarding me as their leader kept killing billions creating continued energy world wars remember the first-second World-War working toward the third getting much better destroying infrastructure, creating worldwide chaos destructive to the environment. Energy wars are aimed to destroy LIFE not found in the universe stupid atheistic scientists never figured out. Some of my demons even surprise me because they are now extremely educated with hi-technology, which was invented by mortals. When I found out, I personally supervised and directed them to build gigantic microwave antenna facilities (HAARP) in remote areas nobody knows exists. They are hidden in Alaska, Norway, Russia and China, which when turned on, will heat up the jet stream in the stratosphere, deflecting a moving jet stream containing billions of tons of water circling the earth. It can change weather patterns, with one side experiencing drought and the other side horrendous flooding.

In fact, it was checked out recently and tried several times and it works. The Chinese caused horrendous floods in America, which the Americans countered with floods in China. The Russians are in the middle and want a part of that action, too. Check the recent NEWS reporting daily that the Oil price is going down intern reducing the long-term oil contracts in spite of the US government activating all the various HAARP high frequency antenna stations to deflect the global jet stream. They hope that by artificially disturbing the weather pattern it would increase the worldwide oil consumption for higher profit, though the price is still sinking.

The ignorant public does not yet know that corrupt science and global oil interests can manipulate the weather by artificial means of sending a resonance frequency in the sky to influence the jet stream carrying the water vapor from the ocean over land for thousands of years. The disturbed weather causes severe drought in one area as never experienced before, and in other areas around the world there are horrible floods, thunderstorms, unheard of large hail, freezing temperatures in the tropical zone and a thousand reactions. The damage done to the environment runs into uncounted billions of dollars.

They all crave control of other more powerful weapons at the cheapest prices for maximum destruction.⁴ The UN Global

Warming meeting provided comic opera. The participants were confused about the weather and fought over stupid illogical opinions with each atheist scientist trumping over another - each hoping to be rewarded with a Nobel Prize rewarded now even qualified public terrorists and corrupted government officials.

Most political meetings usually end in confusion similar to a disturbed turkey farm. They do not realize when their own military government secretly manipulates the jet stream with microwaves. Only the generals watch the global reaction of confused turkey scientists blaming it on carbon gas, while fighting who should pay more CO taxes to raise their salaries. Microwaves is deflected to earth by a dome will cause earthquakes as demonstrated on YouTube videos. It really messed up Iceland the last spring of 2010. It cost billions, ashes erupting in the stratosphere stopping air traffic and damaging the economy. It can be traced to a Norwegians experiment with their microwave facility that needed a little more fine-tuning in order to make it bigger. Watch a rerun on the educational TV or YouTube if you do not believe me.

Recently, many atheistic scientists demonstrated to a ignorant public how a rock on an incline is dislodged and moved with a little microwave energy, which has never seen before and was new to me, too. Some geologists discovered that sending microwaves into rock strata would start an earthquake that could be turned off and on which surprised them greatly. Now the military use it as a weather-changing weapon.

This extraordinary technology could be implemented as soon as my atheistic ballplayers, who hate each other's guts, caused a gigantic global drought especially in California the greatest food producer now out of business. Once the jet stream is disturbed could last years for maximized effect linked to horrendous food shortage. The UN should notice the worldwide rising of food shortage caused by GMO was scheduled to end in my Armageddon food crash planned a few years later. Magnetic resonance has more applications suppressed by science which could be demonstrated by a small paper cone glued on a music speaker linked to an old junk radar generator. Touching the main steel pillow of a building and searching for a certain frequency will cause the massive structure to resonate by adding a little energy at a time getting bigger. Thus a critical resonance frequency will implode buildings by loosening bolts by amplifying energy. It is also a useful principle like Nicola Tesla discovered free electricity similar to the generation of tremendous power separating Hydrogen gas and Oxygen from water.

⁴National Geographic Magazine TV aired (5-18-10) Direct TV

I try to hide free energy from ignorant governments useful as rocket or automobile fuel not polluting the environment.

But imploding skyscrapers is more fun to watch a comatose public in NYC demonstrated on TV 9/11 and never noticed that a third IRS-Supreme Court building collapsed amazingly not hit with faked airplanes like the other World-Trade-buildings but was destroyed by a set demolition implosion?

It is still a well kept mystery how three (3) steel buildings could implode? The real reason is proven by my successful demons establishing new USA government departments not controlled by the American Constitution and at the same time lost the criminal records of people loyal to me in conflict with the law. Many court violations needed to disappear now camouflaged in the NYC incidence. In a few years, all the bugs will be worked out to eliminate a Christian-based US Constitution for a final show down. Watch NYC bankers once more starting the last war at Armageddon.

A microwave resonance deflected from the stratosphere will bounce back to earth not quite in control yet. It can start a localized fire on top of a metal tower and works like a telephone transmission antenna illustrated in a Nicola Tesla video picture. When electricity is converted to microwave resonance energy will disturb or modified the jet stream. It will create floods, draughts and earthquakes, but some will discharge in a spark on the highest top of an oil platform. It will cause an unexpected explosion reported on various TV NEWS seen in the Gulf of Mexico. (**Pearl #300** - page 2)

It caused a massive oil slick, much pleased, followed with gigantic pollution gunk needed destroying all marine life ending the food chain. It is made worse by spraying detergent with airplanes to cover up the mess being very helpful to poison all life down to the bottom of the ocean. Every leaking oil-well could be cheaply prevented by just welding together a hollow steel pyramid with a chimney on top linked with a flex hose to end in a boat outfitted with centrifuge could simply separate the oil from water. That dissenter idea was send to five TV Media stations, but made management to suppress the information making more profit from contrived disasters designed for a mindless TV. Thus Japan's deadly nuclear radiated water could have been solved being split into Hydrogen-Oxygen gas that could filter out the radiation with a simple stainless steel cathode inside a storage vessel, but I made certain the solution is never implemented. (**Pearl #176**)

I am much pleased and gave the Oil Cartels manufacturing detergent a double profit by hiding oil leaks around platforms,

which is greatly destroying the ocean environment. Even many government agencies bought massive detergent from the oil cartel really a cozy deal for bureaucrats getting paid too helping to hide the massive pollution by getting more rent. But nobody paid attention aired on Australian TV showing massive foam detergent on beaches to make sure fish-life is disappearing already horrible expensive. A once vibrant bottlenose dolphin, called "Y12" by scientists paid a terrible price for the devastating BP oil spill in the Gulf of Mexico.

And for dessert, just to make sure that all is destroyed, we have thousands of nuclear bombs assembled and controlled globally by corrupt governments even tiny North Korea and Iran working hard for an untamed nuclear arsenal. I trained demented scientists to invent the most deadly substance - plutonium ever created on this earth and needed thousand expensive centrifuges made by Siemens to be extracted.

All is ready for a stirred- up chaotic Islamic rebellion with well-trained terrorists, young stupid kids totally loyal to me. Islam elevated me to be their Allah-god. I am honored; therefore, I have promoted that religion and placed it in the center of global politics controlling the global Oil energy reserve. I made sure that free hydrogen energy and electricity is still forbidden. America has now an Islam President and his cabinet is loaded with the Islam brotherhood known to be terrorist to destroy the Christian culture from within, as most people are comatose mostly sleeping never noticed. Christians voting usually for atheist's affright of conflict have been lulled in believing in a rapture story to escape into thin air which I taught to mislead Christian pastors I trained.

Many theologians are friendly to me, so I will keep them confused. Since the Middle Ages, I've kept them divided by stupid unimportant doctrines fuelled by deceit and arrogance spread by my demon-clergy employed in seminars which helped modern Bible version to be mistranslated.

I have been very successful confusing prophecy Summit conferences blinding most fossil-theologians adhering to Christian falsified dogmas. Therefore will not listen to the Warning of a pennamed Jonah-II you send. They rather believe my twisted lie still believing that the prophesied Apocalypse is still future being ignorant of true science.

But Islam is special to me, my willing favored tool that I created. It took me 600 years to thoroughly brainwash its followers being better skilled to hate and murder now with high technology. They will even bump off their own children with a bomb strapped around their body or using cars seen

daily being blowing up following my Quran to the letter. It inspired my demons to teach every little kid how to operate a machine gun destined to end their culture useful to continue the Islam Spring destruction to be finalized in an enormous uproar around Armageddon as planned. I am looking forward to enjoy to end a Western Civilization embroiled with two billion brainwashed souls who are hot for action not equaled in history. They expect me to appear to be their leader in order to elevate Islam to a worldwide religion and wipe out the others especially Christians and Jews but they are fooled by another successful lie, which I am good at. Burning Christian churches and businesses has become a public spectacle meant for TV, only 10% still around aiming for total elimination in my favored Armageddon war.

To prove my success, notice the statistics in Iraq, Syria, Iran, & Egypt of hundreds of long established Christian's churches burned-out with many disappeared booming businesses like Bethlehem the town of Jesus birth. Israel finally gave in being managed by Islam of a mixed population 15 years ago which was 65% Christian and the rest Jews. Today my demons achieved fading to 10%. My recipe works spreading unavoidable worldwide destruction of death even sleeper cells in America will be not be an exception.

In many historic Christian countries I made sure that people especially in America and the world have thrown out your Bible oracles in every classroom and government. They are now forgotten, in just one generation. Instead, they believe my superior atheistic evolution fairytales and have become totally comatose and void of any remnant education from the past. My fake science taught to new generation kids will lose the ability to think in logic devastating to nature, hence never will know what is happening to the environment.

To further destroy a Christian culture my atheistic Supreme Court of America totally controlled and loyal to me made laws to allow killing over 50 million babies in America since 1970 copied in Europe and the world. They are ignorant not educated in fertility laws which spells out any culture below 1.8 ratios is doomed in 20 years to disappear and made sure it is now even lower 1.1 even worse 0.9 throughout Europe. But my favored Moslem populations will have (6-8) kids flooding Europe subsidized by many governments. I made sure that the last generation are mostly brain-dead and will not understand why YHWH planned an Apocalypse?

The Christians will be not be better off comatose to fool, since they still embroiled in many dogma errors from the Middle

Ages. They sold a powerful Christian faith for a bowl of lentil soup to buy comfort unequalled in history using printed fiat money of fake value of trained world-bankers obeying me.

To make it easy to slide into poverty, I created inflation like a small house used to cost \$35,000 now needs a million dollar mortgage. That made it possible and succeeded in changing a 200-year-old Christian education into my atheistic schools system, which is enforced by my loyal police force and thousand corrupted lawyers in many countries dedicated to end Western Civilization based on Christian principles.

My future leaders are honored around the world picked from the class of privilege will soon appear, allied with my mystery Antichrist, a champion to establish an international computer One World Oder System. I appointed the brightest to create political-economic planed chaos. He will be accepted like a savior known by many bureaucrats to unite my One-World-Peace-Party system to increase the membership of the class of privilege by introducing a new international currency for the Stock Market casino to flourish and skyrocket once more.

To maintain profit at my pleasure will trigger a planned gigantic orgy as usually to kill Jews and Christians to steal their property. Even America became ineffective when I succeeded and put into action the Homeland Emergency - Security State Department to enforce my presidential degrees to secretly terminate a Christian based US Constitution. At my command will initiate a premeditated, horrendous Armageddon Schlimazel to destroy all of what YHWH created to guarantee total extinction of all life-forms on earth. It will look like the original Genesis earth of bare rock, void of life which I remembered when you picked a naked, cold planet, linked once more to have the pleasure of being stripped again because I control the whole world technology.

It will totally derail Yeshua's Plan for Mankind because I am more powerful as "I" formally Lucifer never resigned my power to govern this World System enforced with equal authority, consequently "I" will decide to end it all! It will finally prove that "I am" equal and have creation power like the Elohim and should be reckoned to be co-equal to Jesus.

Watch Yeshua - Jesus answer once more:

"It is written..."

Returning to our time frame @ 2012 to discover that clean green and free **Energy** was denied for 80 years while crossly polluting our earth by using fossil-fuel-oil detrimental to the environment now fast destroying all life toward extinction.

However **God's Wrath** will surely save again his creation. It is fuelled with Free Electricity & Hydrogen energy no longer suppressed soon accelerating into a groundswell of a loud credenza waking up scores of poverty-stricken countries starving for cheaper energy. The needed firewood to cook a meal for billions of people or millions living in refugee camps is no longer available. A world population could have used free Hydrogen gas extracted by splitting water and plenty unlimited free Electricity embedded in Copper coils linked to magnetism could solve the energy problem for mankind.

Thus a pent-up Genie spirit once left the prison bottle will expand into *free Energy* never to return. The twofold energy NEWS is that every deadly poison radioactive nuclear power station will be forgotten in Yeshua's Kingdom System, as clean energy extracted from nature has a double benefit. First Hydrogen gas is easily generated with Stainless Steel tubing inside the storage containers just charged with a simple DC current will result in unlimited extraction of hydrogen-oxygen bubbles invented by Hoffman, a school teacher-scientist in Germany. Why is Hydrogen fuel still forbidden replacing deadly nuclear steam heat exchanger not needed to run electric generators? Genesis *Energy* will be restored, giving *free* fuel to mankind for a thousand years? It is even gaining side-benefit obsoleting lethal radiation. (Pearl#176)

Attention, when this technical proposal is still suppressed and denied is just demonstrating absolute EVIL hence will not escape **God's Wrath** censored on the Internet town square.

Nicola Tesla's free ELECTRICITY may take little more time as many struggling young people do not have the means to fight big energy cartels causing corruption in high places. Hopefully the last Internet bastion is re-claiming TRUTH and last a little longer before the prophesied Apocalypse is ending our civilization transformed for the next 1000 years with enough "free energy" to benefit over 700 billion people.

Challenging the ELOHIM who gave us LIFE is big time stupid (Pearl#250). Watch the sky he will return as predicted to clean up the global environmental mess and terminate an atheistic generation causing to annihilate all LIFE on earth meant for another 1000 years. Now even assaulted with toxic Round-up 10 x worse than DDT, remember Silent Spring (1962) linked to deadly GMO causing much life extinction. All is caused from the same global octopus Monsanto-Oil Cartel operating beyond the law to afflict every government.

Ignoring worldwide the evidence of Babushka Egg Pearls will justify **God's Wrath** to save Mankind over again. Lastly still following my inclination always curious reading my Bible discovered in (**Zechariah 14**) analyzing numbers overlaid with Hebrew Alphabet Number System discovered a special relationship. The number (10+4) in the Hebrew letter means HAND (A hand has 14 finger bones) matching science with prophecy noticed the prophet **Zephaniah** mentioned 14 times "**On That Day**".

But reading other prophets next to each other increased repetitions "**On That Day**" to (70) seventy events defining the ending of the Apocalypse, which took me by surprise. My next witness Pearls will prove the Apocalypse filtered out in a special code all summed up in consequences embedded in the scrolls of **Isaiah, Zechariah, Jeremiah & Zephaniah**.

On top of my list is Daniel, who is transformed in the *Heh*-dimension to witness like Isaiah the grandiose surroundings of the ELOHIM Throne assembled with millions angels and mortals to observe a metaphysic movie projection of our time maybe dated after **September 2022. (Pearl#300)**

"The Anointed" is being introduced to start God's Kingdom on Earth to clean up our earth to be restored to its former splendor. If interested, check Babushka egg Bible verses or technology forbidden on the Internet. I highlighted the most important events linked to true science of a metaphysic dimension to expand a knowledge horizon for a fuller 360° vision extracting what "**is hidden**" in the ancient Bible. Before we die, the creator will look at our "intent" which revealed our lifestyle bathed in this atheistic civilization. All will end linked to Satan's demise closing the time dimension to totally abolish the source of **Evil** perhaps in 3018AD?

Editing this Pearl after 10 years with minor adjustment woke up with a dream relative of this content. I found myself under a public shower, the water was turned off, and looking for a towel found none, even my cloth is gone. Naked, perplexed, looking for help and noticed a wall-phone. My dream situation was controlled by a great Gift we all have, like a complex infinite Mind given and copied from the Creator. Just think about the Gift and continue the dream will understand the Torah-Bible, relating the purpose of my Life. How to live in a world of Good & Evil and thousand more ... ending with my life agenda before the Creator YHWH.

"Let us make man in our image." (Gen.1:26)
