Will YHWH the Creator allow it?

**Pearl #300 after Death**

Edited 4-1-2020, Page 1- 26

## Introduction to Pearl #300 (3-1-2020)

Babushka Egg concept **Pearl #300** was edited and rearranged many times perhaps amended not in logical order. Pay attention to the next coming Yeshua's divine Kingdom of Light. It will terminate Satan's domain and restrain Evil announced by the 7<sup>th</sup> **Trumpet. (Rev. 11:15)** Once more an ancient historic judgment for mankind is repeated worldwide like the atheistic corrupted society during Noah's time (2288 BC). (**Pearl #242, #269**)

The Torah-Bible is the oldest book and was written to highlight the divine purpose to eliminate Evil, not permitted in a future *Jod* dimension. Thus, the Creator appointed a willing messenger with penname Jonah-II, an old scientist inventor from Germany, to announce once more an historic **WRATH OF YHWH**, as some organs of the Body of Christ are seen in public like (Billy Graham) and some are veiled like a bitter gall bladder.

To better understand the Hebrew text (**Genesis 1**) let's compare it with true science, which could interpret some perceptions in the Creation story by repositioning verse 2 before verse 10 to reveal three (3) dimensions of a New Heaven-Earth. (Isa. 65:17, Rev. 21:1) The first is a pre-existing Angelic or *Heh* dimension followed by earthly *Daleth* dimension being the history of mortals. It will be divided by a *Teth* Kingdom of Yeshua to serve like an incubator to initiate a third *Jod* dimension. The population of mankind was destined to increase for Eternity by the chosen **Saints**, added by a mini-pre-resurrected people receiving **Probation** grace for the "new *Jod* dimension".

So the Creator amended His Plan with two (2) **Resurrections** to replace the sinful nature of mankind redeemed to a higher level changed to a Second Adam race, **the Saints** and those getting legal **Probation**. The *Daleth-Time* links to the Hebrew calendar (6000-1000yr.) with **three** planned Apocalypses.

The Creation plan foretold the termination of the 2<sup>nd</sup> atheistic world society when **Evil** spiraled to absolute as declared since 2008-2022 on the free web. Wicked Mankind this time was destined to be decimated by a divine stone from space (**Dan. 2:36**), which will end Satan's Domain after 6000yr. and usher in a prophesied Eternal Kingdom. Disastrous events in nature were predicted by the Messiah Yeshua as explained in His four (4) Gospels now shown in many YouTube videos. According to Daniel, the **fifth** changeover **empire** will end in a life changing crescendo judgment of **YHWH's Wrath**.

The Arch-angel Lucifer and his demons transgressed Kosmos Law, and worse, some were genetically mixed with the human race at Noah's time. Perhaps recessive genes will be restored after many generations in powerful giants linked to Bible history as observed by Moses in Canaan. Many large human skeletons were found in various countries, but now are censured on YouTube. Maybe they were trans-human-angels cast to outer darkness below the flat earth thus hating the Creator YHWH in absolute Evil.

Therefore, to abolish evil the divine Godhead Yeshua needed to introduce "Death" demanded by Kosmos Law, hence he died visibly on a public cross, made for that purpose to pay for all Sin-trespases. But restitution required ratification and only allowed for mankind on the temporal, material *Daleth* earth. Thus Satan, who rules the world system with his evil demons, maybe is linked to Pharisees & Scribes called by Yeshua "vipers" who could be the descendants of fallen humans-angel related to recessive genes.

They are identified in the Bible as sons of Lucifer of a beast of seven (7) heads with ten (10) horns. (Rev. 13:1) Hence demons have now the option to die if attached to a temporal *Daleth* mortality with a wicked World System.

When Daniel's Abomination on the Temple Mount was predicted months ago dated (12-10-2019, p. 23), it matched the "*death of the free web*". The computer YouTube platform removed 16 million videos suppressing Bible Truth and silenced true knowledge. Only fake science and deception is left from an evil world system. It will cause worldwide ignorance of humanity sliding back to the Dark Ages in spite of the many last warnings (2012) *Babushka egg concept book # 10 - Elohim Jod Supreme Court*.

The Creator YHWH will gather major nations together for judgment in the last Armageddon War, maybe starting Jacob's Trouble with a huge missile attack? (Pearl #120) It will take seven (7) months to collect dead bodies of a perished atheistic world system that sent their foreign armies to destroy Islamic cultures and Jerusalem. Thus, the borders of a rescued redeemed Israel will be finally established from the river Euphrates to the river Nile promised to Abraham and forecast in many Torah-Bible events. (Gen. 28:13) Otherwise, investigate worldwide nature that is permanently damaged with GMO mutations with modified animal and plant genes, causing much extinction. (Pearl #126) Thus, the last next events are two mortal Witnesses from heaven to give the signal for the **WRATH** OF **YHWH** to end Satan's domain ruled by Evil announced by the 6<sup>th</sup> Trumpet. (Rev. 9:12-20) It will launch the prophesied Kingdom of Yeshua: hence consider your destiny!

**Certain is our Death**

**Certain is divine Judgment**

**Certain is the WRATH of YHWH**

**Certain is for some a Resurrection**

**Certain is a divine Gift of Eternal Life**

**Certain is a New Heaven – New Earth the *Jod* dimension**

## Summary of Pearl #300

*Babushka egg concept books projected the birth pangs (2008-2022 AD) of the Wrath of God but used world calendars based on fake science. Only the Torah-Bible revealed: Why did YHWH create a temporal Time dimension? Thus exposed a future return date of Yeshua-Jesus with his millions Angels.*

### But many will disregard the option for “Eternal Life”!

A short *Summary* of *Pearl #300* could be important for a hi-tech civilization educated in atheistic fake science, thus can no longer read or comprehend what was written by a pennamed Jonah-II an inventor-scientist from Germany. The prophesied Endtime has now arrived, but why is the Plan for Mankind still veiled and not taught in most churches or Christian schools? Therefore divine Truth is censured on a YouTube Media with hundreds faked videos to keep the current generation ignorant. Only the Torah-Bible revealed true knowledge altered by denominations believing Satan’s deceptions. Atheistic web videos will not state Bible history like Yeshua saying to Satan, “**It is written...**” (Matt. 4:10) linked to **Pearl #233** and the last **Pearl #300 Part 1, 2, 3** plus added a Daniel’s **Addendum** recording prophesy insights which came in small stages to match the dial number of the *World Cuckoo Clock* on the last page.

- 1) The *Jod* dimension = **10** was original planned to expand with much Life.
- 2) But it became infected by Evil in a rebellion of the Archangel Lucifer.
- 3) When Evil magnified, it triggered a correction by the Creator YHWH.
- 4) To permanently remove Evil, YHWH utilized a *Daleth* “temporal time” Dimension to continue eternal-life linked to a Garden with two (2) Trees.
- 5) But Adam-Eve violated divine Law: *If sinned - will die*; therefore, Life for mankind is now detoured on earth and thus is separated by a Resurrection.
- 6) There are 2 resurrections: the Saints for a *Jod* dimension (1Thess. 4:15) and the other is given **Probation**, ruled by a Judge when Life was cut short. Many murdered souls, lots of babies’ - families will live again on Earth.
- 7) YHWH loved Mankind hence became visible for mortals prophesied in “Yeshua-Jesus” to pay for any Sin trespasses atoned on a historic cross. He fulfilled the demand of the cosmic law in a Zayin period linked to a Death & Resurrection cycle that removed Evil foretold at the Endtime.
- 8) Thus, everybody since Adam had to be inoculated with a big dose of Evil as defined by the Ten Commandments, but each is uniquely rewarded and given an **Eternal Life** gift as judged by Yeshua-Jesus. (Matthew 5, 6, & 7)
- 9) Therefore my wish is to be resurrected in the **Teth** Kingdom of Light to become a bond-slave Saint of Yeshua invited to a Golden City. (Rev. 21:10) I like to teach God’s Plan and educate that missed the Bible Truth to those given **Probation** to pass the final teeter-totter test. A Saint will be educated in divine Laws, thus specially selected to apply new Kosmos science. They will greatly benefit future societies, perhaps populating a newly created universe? Yeshua’s *Teth* Kingdom may have many laboratories purposed to redesign new life forms for a *Jod* dimension valuable for celestial Kibbutz-start-ups desiring some memorized favored pets?

**10)** In the future *Jod* dimension I would like to be trained how the Kosmos physics work to have fun in a hobby job and once more a family with lots of kids. Eternal Life will be continued perhaps occasionally is invited to the traveling Golden City, the Star of Bethlehem. Pioneering new celestial start-up communities will always celebrate a royal divine visit in a big way with an extraordinary State-party to honor the Creator and his special guest. To be seated with Yeshua at his table is a very great privilege, maybe to discuss a project for an expanding Kosmos? I think it is still a challenge when Death is obsolete and watching that “Evil” will never happens again in new earth-heaven *Jod* dimension. A royal visit of the Creator YHWH is a special honor, who became visible to created beings in Yeshua-Jesus, can be touched like Thomas and communicate to hear his voice never experienced before. It is an uninterrupted opportunity to enjoy unknown blessings of eternal Life to guarantee a *Jod* existence. Previously Yeshua said, *“It is inconceivable to a mortal Mind what is provided for his Elect.”* (1Cor.2:9) Many more surprises are waiting for those believing and trusting in Yeshua, which is the last option for mortals. To continue Yeshua’s divine race original designed with the fear of Death and the pleasure of Sex, now perverted by Satan. (Pearl #126) So question how else is the Kosmos expanded with more people to populate the new Earth-heaven? Yeshua said the angels to not marry, perhaps cloned, but read this unique **Pearl #300** promoting new science concepts [Page-15] that outline patterns of a divine kaleidoscope for a future *Jod* dimension.

The main prophecy of the Torah-Bible recorded a final divine Apocalypse of a worldwide judgment to destroy a global FED banking system like Sodom & Gomorrah and finally wipe out Evil in **YHWH-Wrath**. Most Christian denominations still teach Satan’s deception & lies based on fake science no wonder they misread divine Truth. But a falsified web linked to fraud calendars is now informed that the Yeshua’s Kingdom is shortly on the way to fulfill the second half foretold restitution of the earth. Watch soon, the predicted New World Kingdom System is initiated from the Golden Jerusalem coming from space. What can you do if a Christian? Become educated and tell the atheistic generation facing certain Death of YHWH WRATH poured out again?

#### **A Short Story of Creation - They Lie About Everything – A Flat Earth Awakening Story**

<https://www.youtube.com/watch?v=UlhSqhl0a5c>

Currently thousand of Christian YouTube videos are disappearing fast to eliminate the true Bible evidences, only fake science is allowed. Worse, the American Christian Church became comatose (Rev. 3:15) only few are awake. Please forward this **Pearl #300** amended many times revealed in small steps never preached in Churches. I suggest if the web is still around duplicate this special Pearl soon and send it to your pastor or friends to spread the Gospel underground as the intent is rewarded.

## Part 1: A Beth Mystery (Ex.3:14)

The celestial Torah-Bible curtain was opened a little to show the other side and begins Genesis with the letter “**B** - *Beth*” meaning duality or Vielheit in create *Bereshyt*. Perhaps the creation story is described from an Eve perspective revealing restitution, a rebirth of nature and restoration of all Life. Thus, a different viewpoint could explain that the invisible Light of an infinite Creator YHWH became *visible* in Yeshua-Jesus expressed in a dual nature, “*Let us make man in our image.*” (Gen. 1:26) This Pearl became three (3) parts to explain Bible concepts never preached in Christian churches. Part-1; *how the future Kosmos expands*, Part-2; *who is mini-pre-resurrected* and Part-3: *Can Yeshua’s arrival be dated with a Daniel Addendum?*

**Pearl #300** is edited once more. It was not written in logical order but as revealed in small steps. Why were the Gospels perverted especially by the Catholic Church, blemished by many preachers of denominations and worse, presently in fake science? Historically the Pharisees & Scribes rejected Yeshua in conflict with Moses causing several times the *Wrath* of *YHWH* violating Kosmos Laws. But the Creator loved Mankind even after Adam initiated Death. The dilemma was solved when the infinite YHWH became *visibly* born as the Son, half mortal – half divine in Yeshua-Jesus to introduce the Gift of Eternal Life through a divine mysterious Resurrection. Thus everyone is evaluated after death in a teeter-totter test for the last “intent”. Daniel chronicled that Yeshua was presented to the highest Court in the *Jod* dimension (Dan. 7:9-14) to reveal the visible side of the Creator YHWH now legalized in Kosmos laws. The next worldwide system will be divinely governed by Yeshua the Christ, King of Kings - Lord of Lords.

Watch for the biggest current NEWS–*The Kingdom of a Born King!* Yeshua-Jesus is at the front door! It was designed as the *Teth*-Age and prophesied to last 1000 years [JC] being governed by divine laws. It will give mankind a Sabbath rest to live in peace with subdued Evil. The King of Kings will arrive at a most critical time to save Mankind and restore an obliterated polluted earth and document the greatest predicted Apocalypse. Satan’s domain will end and Lucifer is chained in the nether prison the only survivor but his angel-demons are totally eliminated forever. Read carefully how this future society will continue in a much larger upcoming Empire governed by “*Righteous Divine Laws*” and resume Yeshua’s Resurrection extended with inserted “*Probation*” never experienced before by mankind. But some might ask, “*Who are the Sons of God?*” (Rom. 8:14-39) (Pearl #242)

**I Found My Name & Destiny Hidden in Bible Codes!** Yacov Rambsel (3-29-2019)  
<https://www.youtube.com/watch?v=wWdOANwUaTE>

Investigating the recent Apocalypse warnings, a pen-named inventor-scientist Jonah-II discovered forbidden historic facts affecting many high-tech governments destroying again mankind and nature the world over. He related the Torah-Genesis with true science showing that only two (2) dimensions exist linked to *Heh*-heaven and *Daleth*-earth. A flat earth will profusely reproduce abundant Life no longer cursed, therefore thriving with bountiful blessings for a much greater world population. (Isa. 65:17-25) Thus the future mortal society by applying divine wisdom in free schools and universities explained in (Rom. 8:1-14) will teach the **Ten Commandments** again to educate everybody in basic **Freedom** and **Morality** with **Civility**. True knowledge will reflect the character of the Creator YHWH.

He disclosed the most important issue of mankind explaining the origin of Evil to end in a temporal “Time” Dimension inserted only on earth. It started with a rebellion of the highest archangel Lucifer-Satan and incredibly one-third of the angel world believed Satan’s Lies and became wicked demons destined to live forever in outer darkness. To stop Evil budding to total cosmic chaos, the Creator introduced that “Time” is only temporary and documented the history of Evil on a 7000yr. (JC) Hebrew calendar. Only the Torah-Bible revealed the greatest event of a prophesied plan for Mankind appearing next, where Satan and his Darkness Kingdom is terminated in an Apocalypse to restore and again balance a new *Jod* dimension (1 Thes. 5:1-10)

### **A New World Order Placenta** (Zech. 5:7, Isa. 33:1)

The nature of Evil is like a placenta separated by a holy YHWH. It can be linked to a corrupt, sophisticated fraud enforced by FED-IMF Illuminati banker cartels. They print yearly zillion fiat dollars ever since 1913 and fabricated massive grants to finance every “WAR” which corrupted global politicians, setup shadow governments and funding huge military industrial complexes. Half the world’s population is employed with obscene salaries to produce horrible high-technology weapons only to recycle the illegal capital back in government bonds and stock market casinos. They have programmed everybody in atheistic fake science deceiving everybody and planned to devastate totally this earth, destroy nature and specially mankind.

If you want to be informed who rules the global village, examine some freelance, fast disappearing YouTube videos linked to the US, UN and their military EU cartels. They all cause massive destruction of the whole earth. Like NASA exposed many lies showing faked Moon landings or simulated airplanes crashing in NYC-9/11, satellites hanging on balloons, and thirty-two (32) fictitious subatomic particles to imitate science of CERN. Destructive high technology is blamed on Global Warming concealed in hundred rackets. Everything is intended to suppress Bible Truth, like mega cheap **Energy**. Why was the German schoolteacher Hoffman silenced for splitting water into a clean *free* Hydrogen gas and covered up 300 patents of Nicola Tesla to suppress extracting *free* Electricity from copper coils & magnets? But promote deadly fracking to squeeze the last dirty Oil? Many GMO patents dismally failed that modified food-seeds and animal genes. It created a world production food shortage that collapsed grocery inventories from six months to three days. Worse, employed HAARP converted to microwave military weapons aimed at the jet stream to cause enormous deadly floods or droughts and burn many California towns blamed on forest fires. It politically upset the world economy with millions of refugees walking from shattered neighborhoods to escape death. Nuclear radiation leaking from every fraud electric power station was covered up, killing all Life in the oceans. Consequently, when international universities showed pictures of modified Trans-Human hybrid aberrations mixed with animal Genes, they elevated **Evil** to a maximum. So many deceptions are produced in Hollywood movie studios to keep the world population ignorant.

Therefore pay attention! The global Illuminati bankers causing massive Life extinction determined to end an ignorant civilization, thus will only repeat a historic judgment of **YHWH Wrath**. It will all match the recent disasters of prophesied divine events exposed in Babushka egg concept books and Pearls, maybe true science could date Yeshua’s Kingdom after **2022 AD?**

## Why a Temporal Daleth Time Dimension?

The universe was planned and created exclusively by and for **YHWH**. (**Genesis 1:1**) The Creator is unseen to mortal eyes, thus revealed a deity-union in **Yeshua-Jesus** the **Christ**, identified as the Word (**John 1**); thereby became visible in human existence articulated in a {~~ℵ~~-τ} Hebrew Alphabet Number System, (1+20+1). More is shown in ***Babushka Egg concept books and pearls*** linked similar to the caterpillar-cocoon-butterfly in nature.

Perhaps a different overlay story of a Genesis creation could be illustrated in true science. (**Gen. 1:6**) describes *Mem* = 40 - “water” meaning “Time” now is embedded in an infinite designed Kosmos. Hence the Creator separated the Angel firmament *Heh*-heaven dimension like an outer eggshell, but focused on the inner yolk, a *Daleth* Dimension. (v. 2) To prepare a temporal home for a future mankind, the Spirit moved over a dark domed flat-earth surrounded with ice walls and used vegetation seeds to germinate with ∞ light on the 3<sup>rd</sup> creation day. To make it stable for life inserted a sun-moon reflecting stars (crystals) on the 4<sup>th</sup> day. It revealed the purpose for a Kosmos to be re-born and resurrected into a new upgraded heaven-earth of a *Jod* Dimension (**Rev.21**) like beautiful feather genes of a big Peacock egg.

The Genesis report is linked to a disaster when the highest ruling Archangel, Lucifer, rebelled violated Kosmos Laws. It caused chaos among 1/3 of Angels in an (Egg) universe created to live forever; thus evil-demons were judged to live under the earth. To restore a Kosmos in righteousness again the Deity Yeshua-Jesus modified His Creation-Plan and started a replacement with mortal mankind recorded in the Torah-Bible - Chapter 2.

YHWH designed a temporal *Daleth* dimension to deal with a corrupting evil opposing the divine order and utilized Satan to test mortals in “Good or Evil”. Two Tree-options were given to Adam & Eve, similar to a detour on earth, or resume Life directly to a *Jod* dimension. Thus Adam chooses the bypass now settled by a teeter-totter balance after a cocoon death before a White Throne. To show how the teeter-totter balance works read the story of Lazarus in heaven, the rich man in Hell (**Luke 16:19**) separating Mankind. Violating Kosmos laws is either ending an existence with a 2<sup>nd</sup> Death, or is rewarded with a resurrection *Gift of Life*, but many are given **Probation** during Yeshua’s Kingdom explaining the purpose in **Pearl #300**. (Page 10)

Breaking Kosmos laws is solved by a visible deity, a divine Son Yeshua who paid it in full, predicted by a supernatural birth in a town of Bethlehem, a public death on a horrible cross, to be confirmed by the First Resurrection and proven by an unbroken genealogy to Adam. Therefore mortal mankind if not evil, is guaranteed a free *Gift of Eternal Life* documented in 300 Prophecies in the oldest divine book, the Torah Bible. Every utterance by (40) prophets was recorded by a scribe like a tape-recorder, perhaps were detailed by veiled angels? Otherwise tell me how the book of Enoch, Job was recorded or when Yeshua was tested alone by Satan in the mountain, or how Revelation was chronicled and dated by different heavenly clocks?

The Creator **YHWH** will finally terminate this Satan controlled Civilization in a divine **Wrath** ending in an Apocalypse Crescendo and employ again his method of judging Evil, like Noah’s civilization 2288 BC, Fire to raze Sodom-Gomorrah, or Israelis recent Jacob Trouble, expected before 2022 AD.

## Yeshua's Kingdom is the Fullness of Time

A totally new *Teth*-society will evolve in Yeshua's kingdom after a short Apocalypse *Chet*-Age; hence Satan is finally locked up ending a *Zayin*-Age he invisible governed for 6000yrs a Darkness Kingdom. A mighty and evil Angel Lucifer is lastly judged and put as a lone survivor in the nether prison and terminated all his millions demons. Studying Yeshua's Revelation in (Rev. 9), it will end Satan's rule and every religion he created which demon possessed Islam and many Popes to murder billions of families Christian and Jews in genocide to shorten Life. Illuminati bankers obeying Lucifer's deception combined (2) religion into CRISLAM to corrupt free Salvation perhaps declared on the Temple Mount in Jerusalem? The challenge of unchanging righteous Law during mortal Life in a *Daleth* dimension is only solved with a free Life-Gift from the Second Adam Yeshua to guide us in the right divine compass direction. (1 Cor. 15:45; Heb. 10-11) Just make sure He knows your name and state ***Not Guilty*** given mercy to ***Life*** plus a great prize, a personal audience with the Creator YHWH. (Pearl #888)

Therefore embedded Evil in nature is reduced when Yeshua-Jesus comes again as promised now with extraordinary splendor and millions of angels. He will direct his divine cosmic power to establish a godly civilization to facilitate survival governed by cosmic ***divine laws*** and live with mortal Mankind for a thousand years. His footstool – a flat earth encircled with ice walls will be fully restored to its former splendor closing a *Teth*-Age designed in a mirror image of a bigger new Kosmos *Jod* dimension. (Pearl #289)

Thus, redemption begins midpoint centered in Time embedded in the Plan for Mankind. It focuses on Yeshua-Jesus being shrouded in mortality to atone for the Evil violating YHWH's creation governed by divine absolute laws. He allowed evil mortals to horribly torture his human body. They nailed Him on a cross to hear His final uttered words, "***Forgive them; they do not know what they do...***" declaring then the divine purpose applied to mankind, "***Today you will be in my kingdom.***" Satan did not succeed to take Yeshua's life, not possible, as the giver of all Life shouted, "***IT IS DONE!***"

His death was confirmed by Roman soldiers lancing his heart fearing a merciless system, but the whole town of Jerusalem was stirred by an unheard ***Resurrection*** of a labeled "King of the Jews" stated over the cross by Pilate. The unknown resurrection evidence became the biggest surprise proven in true science in an empty hollow mummy shell. (Mark 15:44-46)

Late about 3pm on the Sabbath, Pontius Pilate and the Jewish Senate were perplexed how a guarded dead body disappeared from a solid resin shell without showing any fractures. Wealthy influential Joseph and Nicodemus of the Sanhedrin donated 100 lb. of expensive material for a solid hardened mummy case leaving only a small face hole for identification. (John 19:38, Mat. 27:52) They desired to preserve the greatest teaching ever practiced in Israel. Thus, YHWH declared the greatest "***First Resurrection***" mystery to reveal a new *Jod*-Dimension where absolute Evil was terminated to balance and restore a Kosmos remembered throughout eternity. (Rev. 11:15)

### 10 FACTS - The SECOND COMING of JESUS CHRIST!!!

[https://www.youtube.com/watch?v=KR3AihxGuHA&list=PLIjOw80\\_8d9rvqq03nzsMHRZJmpOwp-gW](https://www.youtube.com/watch?v=KR3AihxGuHA&list=PLIjOw80_8d9rvqq03nzsMHRZJmpOwp-gW)

The Apocalypse survivors will get ready for a new program by Yeshua, who sent seventy (70) disciples (**Luke 10**) to tell that his kingdom is near, to heal the sick, drive out demons, raise the dead. It forecast what the Saints further educated will do for a new civilization by the King of Kings & Lord of Lords. He will rule and guide His kingdom of seventy (70) future nations and coach all people in true science by training everybody with much knowledge based on wisdom. Evil will be very restrained causing diseases, pain and sorrows to fade forever, preparing everyone for a *Jod* dimension.

Current TV videos documented detailed prophesied events (**Matt: 24-25**), but now is censored by YouTube to keep everybody ignorant until the web finally disappears. Thus hurry and copy Babushka concept egg Pearls of suppressed information. Every prophesied Woes has turned out, only Satan is still fighting a war in heaven, but his demon-angels living in nether-darkness are seeking “Death” a better option, only possible in a *Daleth* earth dimension. (**Rev. 9**) To die will evil possess mortals now occurring and favor Islam terrorist, angry demonstrators or killed by shadow governments? Just count back (8) years [C] to {9/11} starting the 150 *Heh* days. (20x150/365.24)

Most theologians still lecture false theologies evolved from the Dark Age that blinded mostly the Mind of Christian’s educated in atheistic fairytales. Fake science has been enforced by Illuminati FED-IMF banker cartel printing fiat money applying the golden rule permitted by Presidents and US Congress since 1913AD: He who has the Gold - rules. It became the most effective system for Satan to oppose the Creator YHWH to destroy all of mankind and the earth, linked to wicket mortals possessed by demons.

For one hundred years the Illuminati FED-IMF world banker cartel caused every World War and instigated many conflicts in religious societies. Many diversified cultures were shattered and murdered millions in genocide. They financed institutions supporting dictators, any evil despots or creating many global shadow governments to control worldwide every military cartel developing horrible weapons with advanced technology. Evil FED bankers paid international huge grants to every university to suppress true science teaching Satan’s lies and deception for over 100 years. It is aimed to kill all of mankind and destroy the earth, the environment of oceans, land and air.

Now open prayers and the Bible are forbidden worldwide in Public Squares to smother divinely revealed Bible Truth. To be silenced and compliant religious leaders became super rich with a tax-free status, many got corrupt. Sadly it will make the next generation of a world population brain dead, educated in fake science promoted in universities or by NASA. Said on TV, every Moon walking video got lost? What disappeared was produced in a Hollywood movie studio of faked astronauts walking on replica moon pictures with bogus globe & planets, satellites that hang on balloons tracked by a phantom space Hubble telescope? It got worse still suppressed in the NEWS: A totally **Free Energy** (Hydrogen-Electricity) unlimited in nature. Babushka concept eggs collected much evidence fully ignored by a world system and blinded theologians. Why not check the main warnings of a Jonah-II in **Pearl #242** now ending this atheistic high-tech Civilization in a great noisy Crescendo. It is dating the last **WRATH** of **YHWH** censored on a fading web, hopeful will widen knowledge horizons. A (**Neh. 8:1-18**) feast will be duplicated in **Yeshua’s Kingdom** after the 7<sup>th</sup> trumpet **2022AD**.

### Reflection on the Plan for Mankind (Ps.139, Job 27:13-23)

The Kosmos is still in the developing stage not yet restored. During the last century much of the Torah-Bible was concealed by fake science similar to when the Madonna painting was X-rayed revealing underneath an original person, or like the Shroud of Turin showing a reversed image of a crucified Jesus caused by his resurrection. Thus many atheists and theologians disregard the true history of mankind linked to Bible stories with veiled knowledge vital for the development of the next hi-tech generation. (**Mark 4:4-20**) Only the Torah-Bible recorded the purpose and echoed spiritual realities on why the universe exists. When divine Truth is rejected, one is ignorant that the Creator YHWH loves mankind but must judge Evil. Hence, they will not know how the future Kosmos will expand with Eternal Life or how nature is fuelled with *infinite Energy* (Gen. 1:3) designed to maintain complex Life. All will perish in a prophesied Apocalypse event as controlled by divine Law, especially when mankind has become evil again.

The Bible revealed that Satan and his angels were created cloned, which perhaps caused a rebellion to find out who is loyal to YHWH. But for a higher purpose He formed mortal mankind on a two (2) cycle arrangement that divided the universe into two (2) races. He introduced procreation to replicate millions of Life forms on earth, but gave Adam-Eve a superior Mind to subdue and manage nature. *Let us make mankind in our image.* (Gen. 1:26) Thus the Creator restricted Evil by inserting a temporal “Time dimension” on earth. Dual *Beth* coin sides will reveal his divine purpose linked to Good-Evil, Life-Death, Paradise-Hell and offered two (2) options: *Mercy* unto *Life* or *Mercy* unto *Death* related to a teeter-totter balance to continue the intended Eternal Life with a 3<sup>rd</sup> Saints race after the Resurrection.

The first couple was told to be fruitful but did not pass the loyalty test and chose eternal Death over eternal Life. YHWH allowed the human race to continue on a detour two-cycle system similar to a caterpillar-cocoon-butterfly in nature to give everybody a chance to live-forever. In addition many butterfly-souls have the option to assemble like in one place Mexico. Hence millions mini-pre-resurrected Souls arrived on earth to resume “Life” offered by the Creator obtained by *Probation*. It is linked to a special salvation Gift that pardoned every Sin-debt for a balanced restored Kosmos.

To show that mankind is loved, the Creator YHWH became *visible* half-mortal half-divine explained with a familiar imaged concept as a “Son”. Adam-Eve was promised a seed that became historical reality in the life and death of **Yeshua - Jesus Christ** as recorded in Jerusalem history. It verified that His “*Resurrection*” will end a *Daleth* “Time” dimension. Thus His death divided an ancient Temple-curtain revealing on the other side a divine purpose to prove and validate Eternal Life. But to control Evil, YHWH responded again with His divine *Wrath* prophesied in a next Apocalypse. Watching His Creation, He will judge this sinful generation destroying Life and Truth until His purpose is settled in a *Jod* Dimension. (**Pearl #233**)

Thus, the Plan of Mankind ended in a 7000-year Hebrew calendar rooted on seven (7) creation cycles. (**Pearl #888**) The divine Kosmos laws were reduced in a plain code of Life being simplified to the Ten Commandments embossed in stone to bless all of Mankind until the Endtime. (**2 Tim. 3:1-9**)

## Part 2: The Curse of the Earth is Lifted in Yeshua's Kingdom

The infinite Creator YHWH planned to combine a new heaven-earth specially expanded into a *Jod* dimension. He stated, “*Let us make mankind*”, thus became visible as Yeshua-Jesus Christ in a material Time Dimension. An invisible Godhead was genetic born shrouded *divine-half-human* and unnoticed grew up mortal-divine in a transient *Daleth* earth. His creation is not finished yet, maybe could continue a future Kosmos in a *Third Race* when the unusual nature birth of Yeshua-Jesus is duplicated and copied in the last misunderstood Bible word “**The Saints**”. (Pearl #888)

A *Beth* coin imprint could unlock the Plan for Mankind which centered the Christian faith on a divine **Grand-Resurrection**. It is a system to continue eternal Life after the old heaven and earth is re-melted in  $\infty$  infinite energy. (Dan. 12:9-10) Yeshua-Jesus revealed that *His Resurrection* is the birth of a *Jod* dimension that transformed *Daleth* death into (2) two stages similar to a caterpillar-butterfly cycle. His unfamiliar Resurrection became recognized when he appeared to many in Jerusalem after his Resurrection. (Mat. 27:52)

Thus Yeshua's Kingdom will start with an inserted unknown divine phase, a *pre-mini-resurrection* mystery. Cosmic Law does provide an option of “**probation**” (Heb. 11:32-39) mirrored linked to a *Second Adamic Race* designed for the future newly created earth-heaven (Rev. 21) expanding the *Jod* dimension. Maybe it was preordained for many murdered people allowed to come back on earth to pass a test for Eternal Life matching a Bible history. Some died two times recorded in the New Testament like Dorcas (Acts 9:36), Lazarus (John 11:1), dead bones (Ezek. 37), or maybe observe nature: caterpillar morphed to butterfly. For example, Ananias and Sapphira (Acts 5:1) were immediately judged when they sinned against the Holy Spirit thus losing instantly probation. But the other *Beth* coin side will focus on the very last word in the Bible ... **The Saints**. (Rev. 22:21) Perhaps they are special and selectively appointed for a higher purpose.

From ancient times YHWH appointed forty (40) prophets accompanied by angel scribes to record verbatim (like a tape recorder) the history of mankind in the Book of Books exhibited in the tundra museum of the Golden City. (Rev. 21:10) Next is displayed a large gold *Urn* filled with historic Golgotha dirt from of the old Jerusalem earth. It honors Yeshua's salvation from Evil preserving Life for a Kosmos. The pennamed prophets' mirror detailed various projections of the most important future Apocalypse. (Rev. 8:1-13) They foretold that a totally devastated earth will be restored, hence difficult for the survivors growing enough food in time. Repeating miracles will make it possible to stay alive like Moses led millions of slaves into a desert. Thus, after the Apocalypse a remnant of Israel and mortal children will repeat a Bible story when Israel found only bitter water. (Exod. 15:22) Today vast coral reefs are poisoned by nuclear radiation causing dead oceans. The bitter water was made drinkable bathed with leaves of the certain tree now is a useful application for the general restoration of future nature. (Rev. 22:2) Free *manna* Bread is given from heaven repeating (Exod. 16:4) linked to (John 6:33), mirror imaged future survival conditions of a shattered earth detailed in prophecy. (Isa. 24:1-13) But a problem of mankind sinful nature still exists passed on to Adam's children, which caused a Second Death.

## The Meaning of Probation (9-1-2019)

Eternal Life is given to mankind in two (2) groups and two (2) stages to expose **Good or Evil** linked to Satan's Darkness Kingdom. It is divided across 6000yr. by a Grand Resurrection for a *Jod*-heaven or Hell (death). YHWH selected the "Saints" to finalize his divine Plan to assist billions of Souls on **Probation** during Yeshua's kingdom passing the divine law of a judgment teeter-totter balance on the journey to the *Jod* dimension. Two (2) future Life promises were revealed in the Adam-Eve story (**Gen. 2:15**) for two (2) different dimensions. The Kosmos was planned to be colonized, but Satan spread chaos and fooled mankind by substituting salvation of Yeshua with atheistic religions, purgatory and fake science. Some may ask why was the replacement of an Arch-angel veiled on the first test? The couple had to choose under which system they want to live. Adam was created with a divine Mind, thus he could question the Creator about anything. He named the animals in his neighborhood, but was he told why, how and the future of God's Plan for mankind? Maybe the Creator showed Adam a future video of **Redemption**, the horrible crucifixion of Yeshua where "Evil" is finally judged and obsoleted by Kosmos Law never to be repeated again?

The first option offered **Eternal Life** directly to a *Jod* dimension, but the second option ends in an unknown mortality defined by a choice of "**Good or Evil**". It was attractive to Eve desiring to have children hence deceived. When Eve ate the forbidden fruit, Adam had to decide which option to follow as recorded in a **Torah-Bible**. Adam loved Eve, thus both agreed on the worst option for mankind linked to sorrows and death. They chose the mortality system for the human race to live in a deceptive wicked Lucifer Domain ending in a temporary "Time". Therefore, everyone was meant to experience Evil but is offered free atonement by Yeshua who paid all Sins on a cross. Obsoleting original Evil forever opened the door of salvation for mankind and restitution for an expanding Kosmos destined for Eternal Life.

YHWH's divine Plan is explained on the Endtime by appointing Adam's replacement, "the Saints", to the highest position next to the Creator, thus all mortals must be first tested with Evil selected across 6000yr. for a unique purpose. They will be **grand-resurrected** at the first phase of Yeshua's Kingdom to graduate in many Sainthood schools to rule the Kosmos and raise billions mini-pre-resurrected people who passed the **Probation test** for an expanding cleansed universe. Thus all mortals are inoculated with good dose of evil like persecution, wrong imprisoned, oppressed, many suffered violent death, hence will be watchful and devoted that Evil never appears again. Many Saints will desire to be a loyal bond-slave to Yeshua, similar to 24 Elders (**Rev. 4:4**) being trained to serve their master to complete His divine Plan for Mankind. They will be employed to review their past life in a time frame of 6000yr. and will pick out in celestial videos those people in their neighborhood who should get another chance to return to live mortal again for a closing test on a *Daleth* earth, if a judge granted **Probation**.

The main feature of a divine Plan is finally known "ending Evil" just follow the trail in the Esther Bible story like the destruction of Israel's enemies settled in a great historic liberation. Similarly mirror imaged on the Endtime, very few will survive His **Wrath** to witness the return of Yeshua-Jesus in great power with his holy space angels to begin His everlasting Kingdom.

### The Golden City (Star of *Beth-lehem*) Rev. 21:9

A *Beth* coin-side could connect the dots of the biggest event from space linked to an immense **Golden City** observed when Christ was born. YHWH-Yeshua created a Kosmos headquarters to display divine Law and history for an expanding *Jod* dimension. It is a portable space-city called the ***Bride of the Lamb*** and becomes the source of future great blessings traveling perhaps between millions X-planets for a newly created Kosmos.

The Star of Bethlehem is a radiant city with intense ( $\infty$ ) infinite light linked to a monument or library adorned with (12) Pearl-gates of gold named after the tribes of Israel. The foundation commemorated twelve (12) Apostles to remember the New Testament linked to precious stones of luminous streets shining like the sun. A tundra museum displayed prominently a large gold ***Urn*** filled with historic soil from Golgotha of a terminated-old-earth of Jerusalem. It honors Yeshua's salvation from Evil preserving Life for a Kosmos. The portable YHWH space residence has no temple and is organized by eminent loyal Angels-***Saints*** uncovered by Daniel and John.

Thus, let's investigate the special grand-resurrected ***Saints*** set apart being trained to govern an expanding *Jod* dimension with special characteristic to honor and worship YHWH. Yeshua's Kingdom has graduated millions of ***righteous Saints*** of both genders, which could duplicate the Garden Eden event and copy an Adam-Eve born system to colonize the universe and populate many planets like huge Antares, **Babushka Egg Concept Book #5**. (p. 52-53) Hence, a future expanded Kosmos *Jod* dimension is settled with new societies replicated similar to a Noah's boat story but now in huge space cruise ships transferring domestic animals and special seeds to develop like the first Israeli kibbutz growing to nationhood. It could repeat a Babel history of many nations mirror imaged in a new ***Third-Saint-Race***.

Therefore grand-resurrected female Saints could duplicate a mortal birth method, but without the placenta & blood, like illustrated in nature shown in ***queen*** bees or ants? To prevent future genes being altered explained in Enoch's book, maybe Yeshua's divine-half-mortal (x) chromosomes are paired to a female (y) DNA Saint. Thus blood is obsolete for eternal Life that was originally type RH-0, but was split to A & B when Cain was ***cursed*** for killing Abel. (**Gen. 4:10**) However, the curse is lifted during Yeshua's Kingdom reverting back to RH-0 to cure all diseases and sicknesses similar receiving a new body explained by Yeshua. (**John 3:1-16**)

Let's examine the eternal *Jod* body of Yeshua-Jesus after his resurrection. He can eat, talk and communicate with a Mind, go through solid stone walls indicating a timeless metaphysics dimension and seen seconds later in another place. (**Luke 24:12-35**) Please note that Light (**Gen. 1:3**) should have been translated ***infinite*** to fuel a Kosmos with free energy, described in **Babushka egg concept book #9 and Energy Lessons for Dummies #1, 32, 33**. It will change the physics of food, perhaps dissolved in thin air on a lower frequency scale. A billion people will use levitation obsoleting wheels, but gravity is still helpful for a pleasant environment during the *Jod* existence.

The Kingdom of Yeshua will continue eternal Life perhaps procreated with female partners of grand-resurrected Saints. Only mankind inherited from Adam & Eve a belly button to signify the temporary *Daleth* dimension birth-death system. To expand the *Jod* dimension could give birth maybe with a navel as shown to Tomas on Yeshua's side? Thus multiplying Saint-children could be born somehow with a bellybutton used as a reverse birth canal as a reminder of the old birth and death system. To initiate children just call some Saints to lay their hands on a Saint-woman (1 Thes. 4:14) practiced by Yeshua's disciples now blessing a future Saint-child? Thus the original plan of Mankind is repeated for new Kosmos locations dedicating a baby after (8 days) to honor Yeshua in pyramid sanctuary worship centers (described in Ezek. 40-45) multiplied on many planets. (Pearl#174)

Thus Life is continued in Yeshua's Kingdom on a higher level by the appointed Saints to oversee Evil and to graduate in management of a *Jod* dimension government. (Rev. 6:9, 7:9) Only sovereign Saints have access to the Golden City to gain special insights to learn how to rule mankind trained by a divine King of Kings. They are invited to expand a Kosmos with a **Third-Saint-Race** and speak to dead bones. (Ezek. 37:5) Hence many more will be resurrected by **Probation** evaluating everyone by a righteous judge.

Every religion around the world worship idols or the sun will be obsoleted and forgotten in the Kingdom of Light. When "Time" was changed by *infallible* Popes (as prophesied in Dan. 7:25), was the truth confirmed when all died? They misrepresented the commandments of YHWH; therefore, the Sabbaths will be restored to honor the Creator. He will introduce a future totally different World Order to govern mankind directed by a Torah-Bible to reflect the eternal life for Mankind. (Eccl. 3:10-15) When Satan rebelled against the divine Laws and attacked the sacred honor of a Holy Creator, it caused "Sin" embedded in a placenta passed on to Adam's mortal race. Reconciling a fallen mankind became the *major subject* of God's extraordinary plan to save as many sinful people being judged with eternal Death. Thus when no "Lies" will be taught in Christian churches, perhaps a **Beth** mystery could introduce **Probation** embedded in Kosmos Law linked to a **mini-pre-resurrection** to live again on a temporary *Daleth* Dimension. It will give extra grace to billions of disadvantaged Souls.

It finalized the greatest free salvation story for mortals introduced by a choice: **Mercy** unto **Life** or **Mercy** unto **Death** offered to everybody to become his children. The Creator judged evil in every angel and invited his mortal replacement to live in His amazing new *Jod* Dimension. Hurry and choose the best option or end like demons without a name in a Fire-Sea.

To summarize: Why was Yeshua-Jesus tortured to death? The Torah-Bible revealed the reason of unchanging Kosmos laws, hence YHWH linked it to (2) two **Resurrections**. A General Resurrection raised everybody being judged on a teeter-totter balance to see the good-evil intent or get **Probation** in a mini-pre-resurrection separating a Hebrew 7000yr. calendar into (2) cycles. The first period of 6000yrs will select the Saints destined for Eternity and the last cycle is Probation in the 1000yrs Kingdom of Yeshua-Jesus the Christ. It is ending "Time" on the *Daleth*-earth now exchanged to a *Jod* dimension according to Kosmos laws. Chose the right "C" option. (Page 4)

## Why was a Pre-Mini-Resurrection Inserted for Mankind?

To recap, every human is judged at the White Throne dividing those who became evil from those receiving Eternal Life. (Ecd. 3:16-27) Mankind was ruled 6000 years by a Lucifer Darkness World Kingdom from the first born murdered Abel reaching down to our time. Sadly, Satan slaughtered billions causing untimely Deaths for many. The dilemma of Evil will end in Yeshua's 1000-year Kingdom designed for a bigger population to bequest many with Eternal Life. Adam and Eve were told they will be judged with the First Death for sinning. Thus, divine Law was tailored by the birth and death of the Messiah Yeshua. He atoned for Sin and substituted death with a **Gift** of Eternal Life - only given *once*, to expand a *Jod* Kosmos. (Mat. 7:13) Thus countless murdered people could be given a second chance by applying **probation** of divine Law received in a **mini-pre-resurrection**. Yeshua's Kingdom function like an incubator will dispense extra Grace given to live again and subdue recessive Evil genes in nature for 1000 years.

Thus, divine Law could apply **Probation** to disadvantaged mortals who died during the 6000-year domain of Satan. Billions of mostly children missed a choice of **Mercy** unto **Life** thus could be mini-pre-resurrected to live once more a mortal Life until the *Daleth* dimension is ended. Thus the Saints who are the Body of Christ are co-resurrected for a **Third Bible Race** promoted to higher level? Being trained in righteousness will expand divine knowledge in gigantic Sainthood Universities to learn how a future *Jod* Kosmos is govern and fully restore the earth to a final splendor. (1 Thes. 4:15) Yeshua's Saint-disciples will duplicate the same miracles demonstrated in (John 11:1-44, Acts 9:36) like the resurrected prophet-Saint Ezekiel was asked to speak to dead bones thus raised back to life described in Ezek. 37:1.

Therefore billions of souls will be given **probation** thus mini-pre-resurrected supernaturally earth born again, raised by the divine Spirit (John 3:5, Acts 2:3) to reside in the Kingdom of Yeshua. They are predestined helping to restore the earth and rebuild in stages their former ancient cultures but then without Evil to reveal again the Creator YHWH's divine purpose for Mankind.

All mortals from Adam are born with a Sin-death sentence, but some will get **probation** explained by Yeshua with (10) ten virgins. (Matt. 25:1) Only 50% will pass the test of Eternal Life for the celestial *Jod* dimension. Many Christian and TV leaders will not get probation (Matt. 25:41) corrupting Grace will buy honored position like the High-priest Caiaphas or Ananias-Sapphira (Acts 5:1), Simon Magus (Acts 8:18), or sell their ersatz Bible books. Everyone will arrive on the most important crossroad for eternity to be evaluated of the last "good or evil" **intent**. It will end in a divinely selected judgment to receive eternal Life or face elimination - Death. (Ecd. 3:16-22)

Like a divine molder forming various clay vessels, the Creator YHWH will know your name, chosen to fulfill your destiny recorded in His royal Golden City. Thus, why not review the forthcoming Apocalypse where most of mankind will be judged, linked to a cast-out Satan losing the war in heaven. Everybody transgressed Kosmos Laws and need forgiveness being saved from Adam's Death sentence. Consequently, choose wisely. The Torah-Bible book reveals His coming **Divine Wrath** and predicts that billions of atheistic people will soon perish, thus look for His safe Exit.

### A Privileged Resurrection Concession:

Many American denominations make their pastors millionaires to preach what tickles the ears (Matt. 25:41) and falsify Christian faith, like the rapture story avoiding death or gay church membership. (Matt. 24:24, Eph. 3:9-10) The Elect is warned of a coming great deception causing betrayal of Truth exchanged for ignorance to trust in fake science taught in every school. Most pastors postulate that only privileged Christians will be saved not knowing that Sainthood is by appointment only for a specific calling. Many will die in the Apocalypse that prophesied the end of Satan's Evil domain.

The Creator YHWH planned to rebalance His mystery creation and restore mankind, so every mortal is reviewed in a timeless **Grand Resurrection** before the White Throne, and those rejected will end in a Second-death. (Rev. 20:11) Yeshua said, "**Fear the one who has the power of the Second death**," (Matt. 10:28, Rev. 20:6) Note "Resurrection" by definition requires "death". (1Thes. 4:13-17) Thus... **caught up who are alive will not precede**... but will die and instantly be resurrected leaving a dead body behind returning to dust. (Dan. 12:1-4) **Daleth** mortality could be extended by Saints to cause a pre-mini-resurrection during Yeshua's kingdom. Disputing a profitable rapture story could lead to a loss of salvation for many Christians believing a lie.

This last Pearl reveals for Christians forbidden concepts educated in atheistic relativism. The coming Apocalypse will not only to end Satan's domain but judge a corrupted Christian church and a rebellious nation of Israel. Prophecy foretold that this wicked world system will perish by the Creator's **Wrath** in the coming Armageddon war. Thus, the theological mystery of **Probation Law** is settled by a **mini-pre-resurrection** related to Hebrew letters to articulate the spoken WORD. (John 1:1, 1:14; Col. 1:15-20)

**Hidden Bible Codes Reveal Incredible Message to Humanity!** (Yacov Rambsel)

<https://www.youtube.com/watch?v=4KSIBFWQqsE&t=1s>

For example, Yeshua told the story of the rich and poor men. (Luke 16:19) The rich is in Hell, and Lazarus on the good side predetermined to be evaluated before the White Throne. In history billions of mortals got murdered by Satan using an Islam religion to kill and cut life short. Hence many are mini-pre-resurrected for a special purpose in Yeshua's Kingdom (Acts 5:12-16) so that one can choose **eternal life** as a second reality in the future **Jod** dimension society. Introducing **Good & Evil** revealed a mortal journey for Mankind governed by absolute Laws. But an exclusive purpose ended with the grand-resurrected **Saints**, who are redeemed and become the replacement of demons as foretold to end Evil. I discovered that the Creator loved me and preserved my Life many times, similar to innumerable persecuted mini-pre-resurrected mortals for a last chance. Adam & Eve were tested by Satan, predestined to suffer evil. But God's Love turned a new page and will in time terminate Satan's Darkness Domain linked to the Apocalypse prophesied in the next months. Therefore, His original **Plan** of Mankind will be concluded during Yeshua's Kingdom by the resurrected chosen Saints. They are specially selected and ordained across 60 centuries to be leaders for many celestial start-up townships to establish how to live in a renovated Kosmos.

To remove Evil for an expanded universe, YHWH designed His Plan for Mankind in a temporal **Daleth** Dimension. It is extended and populated by selected redeemed Saints and forgiven mortals with a salvation Gift from Yeshua the **Christ** to be enjoyed forever planned for **Infinity to Infinity**.

### Part 3: A World System is Ending Once Again

Urgent! Many Christians will be shocked from the greatest prophesied Apocalypse attempting to wipe out Christian cultures by an evil global Elite. A 21<sup>st</sup> Century Civilization controlled by Satan is now terminated to repeat Noah's historic divine judgment, billions died in the **Wrath of YHWH**. The Christian Church became corrupted like Jezebel hence refused the counsel of the Messiah Yeshua standing ready at the door. (Rev. 3:15) Thus most Jews and denominations believed Satan's lies blinded by atheistic fake science and misread **Revelation** addressed only to "**bond-slaves**". Most do not comprehend ancient servitude when Yeshua-Jesus was bought with thirty (30) silver coins for the lowest price of a slave. He gave many ageless warnings that have an ear to hear and urged to repent, or search for the highest position to be a **bond-slave-Saint** for the King of Kings **Yeshua**. But witnessing to Truth has consequences like his disciples and many Saint-Christians got killed linked to a bloody Catholic history started in **Jude 1-25**.

Mankind in the Endtime will again experience the meaning of absolute Evil as nature is unforgiving. Currently the environment is assaulted and severely polluted, oceans poisoned with nuclear radiation. Rachel Carlson (1962) warned us in her bestseller **Silent Spring**. Much information was collected in **Babushka Egg Concept Book #4 - GMO Exposed** showing that gene patents irreversibly damaged the intelligence structure of animals and plants. Conflicting with Divine Law caused recent worldwide starvation. Thus practicing absolute Evil is linked again to a **World-Judgment**. (Luke 21:10)

[https://www.youtube.com/watch?v=zcCh\\_7sP66c](https://www.youtube.com/watch?v=zcCh_7sP66c)

Therefore Yeshua's Kingdom is truly an incubator like a Petri dish to train mortals for a New Earth-*Jod*-dimension and improve Life for a special unique purpose. When Adam and Eve did not pass the loyalty test and chose death for all, the Creator YHWH-Yeshua the Christ continued Life linked to His atonement on a cross that redeemed a higher species of mankind. The Bible revealed a mysterious divine **Third-Adam-Race**, but to safeguard his Kosmos inoculated everyone against "evil". He used the same method of His Resurrection converted to **Pre-Mini-Resurrection** to secure **probation** for those disadvantaged during Satan's 6000yr. Domain. It asks in **Pearl #300** has the Creator predestinated Life-Death for every human or is it fixed by individual choice? So being exposed to Evil maybe mortality was shorter like the age of presidents (35yr.) in the US Constitution? (**Pearl #126**)

While waiting for the coming global judgment, watch for the last signs like the deletion of all Bible web-videos to repeat the Dark Ages and Two Witnesses from heaven to announce **The Wrath of YHWH** once more. Future Israel is not replaced but will be the head of nations during Yeshua's Kingdom. (Please read **Isa. 30:18-26**.) Accordingly, trust only Yeshua who atoned for our sins on the cross and make the right choice. Why not ask to be chosen to join His royal Sainthood circle, discover your Gift and the great prize? (**Pearl #888**) To widen knowledge horizons, watch before the web is removed or quickly copy some Babushka Egg concept Pearls information. The Kingdom of Light will soon appear after the *addendum* of Daniel's 2300 days (**Dan. 8:14**) to restore a different sanctuary now dated on **page 20**.

### Nun = 50 Jubilee in Prophecy

Before retiring as an inventor, I managed my own high-tech million-dollar corporation in California for twenty (20) years and learned much from scientific journals. But studying the Torah-Bible gave me a balance to discern metaphysics laws from physics. Yeshua's Kingdom has not yet arrived from space; hence let's investigate 120 Jubilees in history of 6000yr. Now adding 20 Jubilees could still end the *Daleth* dimension in 3018AD? Moses introduced the 50-year Jubilee, which gained importance initiated by the Shekinah Glory. (Lev. 9:23) Selected Bible verses were copied in a table **Babushka Egg Book #1** that dated Shavuot **24 May 2018** with a prolonged *Time+Season* (Dan. 7:12) like an addendum. It is confirmed by ancient clocks exhibited in museums in **Babushka Egg Clock Book #3**. Revelation measuring time in heaven is dated on earth 20 times faster, like a bronze Antikythera clock is compared to Fahrenheit-Celsius temperature scales.

A 7000-yr. Hebrew calendar projected the center of Time at 518 BC, which should be linked to (Rev. 11:1). The Bible recorded that a portion real estate of three (3) Ayin Temple destructions is given to gentiles for forty-two (42) months to close a Time Dimension 3018 AD. [ $3\frac{1}{2}$  yrs. x 1000 = 3500]. (2 Pet.3:8) Perhaps is exchanged for another real estate in the Golden City measured by a special angel too. (Rev. 21:15) Thus correlated a different worship center prophesied by Ezekiel (Ezek. 40:1) like a pyramid reproduced many times in a new *Jod* dimension that outdated a Solomon Temple. (Pearl #247 & #174)

A faulty Hebrew calendar was updated ten years ago in the first published Babushka egg concept book to match Daniel's Ayin (7x70) cycles still dating "Time" from 518 BC to 3018 AD. Make a horizontal line but split the diagram into two parts (6000-1000) to connect a 120<sup>th</sup> Jubilee on 2018. Now mark some important dates on a horizontal line: 518 BC, 70 AD, 1948, 1968, **2018**, and 3018 AD. Maybe the 120<sup>th</sup> Jubilee is further corrected by an addendum of extra years (Dan. 12:11) shifting Jesus Christ's birth BC-AD calendar to extend a date [**@2018**]. Perhaps the Return of Yeshua is adjusted at the right time to terminate absolute Evil and Satan dated after **2022 AD**?

Thus, the Creator YHWH will not watch Satan gloating to destroy his footstool "the earth" with concealed high technology (Pearl #233) like secret HAARP to devastate the environment by *manmade* earthquakes, floods, droughts and failing GMO patents endangering nearly all Life. Beyond any doubt, God will be consistent and terminate a heinous atheistic World Order financed by FED-IMF evil bankers as most prophesied Apocalypse events have passed witnessed on censured disappearing YouTube videos. Only the Two Witnesses have not yet appeared from heaven to confront Satan, as a world is deceived imitating creation intelligence in computer TV robots.

Very few will survive **God's Wrath**, but notice, a clock in heaven is faster! Thus the sun - moon will darken by one-third for 10 hours. (Rev. 8:1) [ $\frac{1}{2} \times 20$ ] In the clouds the world will see a huge levitating 1800-mile Golden City (Star of Bethlehem) and hear earsplitting noise from seven Thunders. (Pearl #242, Rev. 10:4) It is similar to the movie *Close Encounter* (1977) as Yeshua is coming back from space with millions of hostile angels. Read the response of many atheistic world governments shocked by the next foretold woes of the Greatest Apocalypse (Rev. 6:15-17) arriving at last, being warned in **Babushka Egg Concept Books #10-14** and many Pearls, revealing Truth.

### Ayin = 70 in Prophecy?

When I looked closer at the Hebrew Alphabet Number System (HANS) and focused on the letter *Ayin* (70) symbolizing **eyes** to express: *the sum total of this world*, it opened prophecy of Daniel & Revelation linked to the Hebrew calendar of 140 Jubilees matching 14 Daniel Ayin (7x70) cycles. Reviewing the Gospels, I assumed that Yeshua's generation could also be Ayin-70yr. when Israel became a nation (1948-2018) linked to seven (7) yr. Apocalypse birth-pang warnings (2008-2015). Yeshua-Jesus said in the Gospels (Matt. 24:34) that all apocalypse events will pass in one generation; hence, I question if that generation is Jubilee-50yr. or Ayin-70yr.? Perhaps the answer is only found in the Bible when he returns to earth, (Verse 37) which is difficult to date because many calendars are fake science taught in every university. I trust His Word and re-researched prophecy for information as the addendum is not projected by calendars to date Yeshua's return **2022**.

Therefore this scientist-inventor with a pen-name of Jonah-II has warned of a coming Apocalypse to end the corrupt New World Order or Beast system directed by a seven-headed dragon with ten horns matching a Hebrew calendar of 7000yr. not dated by atheistic science. (Rev. 13) Looking through the lens of Bible history, the Creator will this time save more of this civilization (Matt. 24:30) by levitating a huge 1800-mile satellite City. The Golden Revelation City works like a gigantic harvest machine, perhaps the ½ hour silence before the Throne in heaven (Rev. 8:1) is turning the flat earth like a winepress. (Rev. 14:20) Upfront will resemble the dream of Jacob's ladder with angels ascending and descending (Gen. 28:12) collecting mostly babies and people saved from four (4) death angels. (Rev. 9) Only angels can kill millions of wicked demons, many hiding in possessed politicians destroying the last civilization. And towed behind the satellite is a plow causing huge tectonic quakes to prepare the earth for the Kingdom of Light.

Dating the Apocalypse is not possible with fake science consequently Yeshua said *watch* the unusual signs (Matt 24:37). Therefore, the Torah-Bible revealed two mystery calendar systems, one is solstice for Gentile nations and the other is moon cycles for Israel specially appointed as a covenant people to record the history Mankind and commandments desired by YHWH. A Gentile solstice calendar will measure time (Dan. 7:25) 1T+2T+½T, or 42-month (3½yr.), and for Israel (Rev. 12:14) is given in moon cycles 1260 days the same length (3½yr.) with an extra addendum "season" 1290, 1335 (75) days. (Dan. 12:11)

Hence dating without a calendar could be linked to sun-solstice showing that the moon on Google is 27 days short. (365.24 – 27 = 338.24) Converted to recent days (7yr.x 360 = 2520) could calculate how big is *Ayin* in prophecy? (2520 – 338 = 2182) Overlaying Bible references of the coming 1000yr. Kingdom (Gen. 1:14, Luke 21:25, Rev. 12:1) reveal *Ayin* in a teeter-totter equation (6000/2182 x 338.24 = **930yr.**) Maybe **70yr.** is related to a reborn Israel [1948-2018 AD] linked to an addendum, or projected the Endtime 3018 AD? Only Israel growing to nationhood guided by the Creator YHWH recorded many divine interventions to control evil. They chronicled how a universe was created in six (6) periods and fuelled the Earth with totally free *Infinite Energy* suppressed in universities but is featured in free **Babushka Egg Concept Book #9** sent to President Obama 11-11-2011. (Pearl#199)

### Daniel's Addendum will prove the Apocalypse Date (Dan. 12:11-13)

Any Court of Law requires two witnesses now similar presented in many *Apocalypse Warnings* by a modern Jonah-II under a penname. They were ignored by most Christians when it was dated, because original calendars do not exist. Thus a forbidden Bible was investigated, the oldest book on earth. Educated in fake science, I assumed a 7000yr. Hebrew calendar checking a dozen ancient bronze-gold clocks (**Babushka Egg Concept Book #3**) exhibited in many global museums only collecting dust. Worldwide true history is suppressed by every atheistic university to deceive everybody in deception and outlawed forbidden Bible knowledge in public squares. But truth was researched by an inventor-scientist pennamed Jonah-II decoding divine Bible prophecy linked to Daniel's and John's Revelation applied to calendars linked to museum clocks. Only recently discovered that the "**addendum**" of Daniel's 2300 *Heh* days may operate **20** times faster in heaven as earth clocks? (Rev. 12:6) Thus recalculating the "**75 Heh days**" is in conflict with theological doctrines taught in many Christian denominations.

Let's get a 2<sup>nd</sup> historical outline of the Genesis report overlaid with a cuckoo clock dial. The Plan for Mankind started with *Daleth*-earth = **4** (Gen. 1:2) linked to a *Heh*-heaven = **5**. Thus the Creator employed Moses to chronicle mankind's early history = **6** and Daniel to reveal the Endtime 3018 AD = **7**. The Great Apocalypse was exposed by John to explain how *Evil* is terminated in the fullness of time = **8** and judged with a *Wrath of YHWH*. It will usher in a divine Kingdom *Teth* = **9** of a new civilization divinely ruled in righteousness restored forever for a future new *Jod* = **10** dimension.

Dating the transition time is a paradox. The Gospel Mark 13 declared, "...no one knows the day and hour, but only the father." (v. 32) But when Yeshua rules as King of Kings, he will terminate Satan's domain by a hidden 2300 *Heh* days **Addendum** (Dan. 8:14) of 1260+**75 days**+965 days. Perhaps the Apocalypse could be amended by correcting the 120<sup>th</sup> Jubilee now scheduled with (70+4.106+52.84 [JC] yr.). **Daniel** 12 reveals two (2) resurrections, which raises a question, "Is it dated 2018 AD, 3018 AD or both?" Since no original calendar exists, Yeshua said, "**Watch!**" Will He come back to earth in an **addendum**? (Dan. 12:11-13) The Plan of Mankind will end with the temporal Time dimension (1T+2T+½T) in an added "**season**" referred to as "**75 Heh days**". Thus, if heavenly clocks tick 20x faster and are linked to John (Rev. 11:3), then Yeshua's divine Kingdom could start with an accepted 120<sup>th</sup> Jubilee on Page 23 (4/18/2018 + 4.10yr. [JC]). The prophet Ezekiel (Ezek. 40) revealed a prophecy of a bigger worship sanctuary restored in New Jerusalem thus obsoleting Solomon's Temple, now is centered on a pyramid structure not understood. (Pearl #247) It is replicated for a reunion of Saints in an expanded *Jod* dimension. To survive *YHWH Wrath*, focus on a hidden "**addendum**" dated next page **5-28-2023**.

**Hidden Bible Codes Reveal Incredible Message to Humanity!** (Yacov Rambsel)

The Hebrew Alphabet Number System of twenty-two (22) letters is framed by Yeshua: [1]+20+[1] "**I am the Alpha and Omega**" (*Taw*) associated to Daniel's Hebrew calendar (14x490 = 6860yr.) with leftover time of 140yr. (2x70) which dated the Endtime with Revelation [98+2]x70 = **3018 AD**?

## A Final Discovery Date of Yeshua's Return – after 2022 AD?

Daniel an influential Babylonian official revealed history how Evil will end. Only the Torah-Bible will enhance reality and could question: why would YHWH destroy a civilization again similar to a judgment like Noah's Flood 2288 BC? The Creator completed the purpose for mankind either by the chosen people of Israel being saved like the Esther story, or (**Mark 13:30-33**) The Hebrew calendar [page 25] proclaimed the Endtime 3018 AD to 518 BC (**Dan. 12:7**) which is 3500 Julian years, as Daniel's Time = "1T" is 1000yr.

$$1T+2T+\frac{1}{2}T = 3500\text{yr.}, 42 \text{ Months or } 1260 \text{ days} = 70\text{yr.}, 1 \text{ Week} = 7\text{yr.}$$

The End of Evil can also be dated with three (3) Jubilees: **119<sup>th</sup>** (1968AD) and **120<sup>th</sup>** (2018 AD) projecting the restoration of a "sanctuary" (**Ezek. 40**) in a rebuilt new city Jerusalem linked to **121<sup>st</sup>** Jubilee (2068 AD). Maybe Daniel's addendum of **2300 Heh** days (**Dan. 8:14**) is solved [1260+75+965] by adjusting 1260 days to **Ayin** with a reborn nation Israel of 70yr. (70 x 360 = 25,200 Daniels days). Hence it seems that clocks in heaven (**Dan. 10:13**) are 20x faster calculated (25,200 / 1260 = 20), which equals [70] + **4.10** + 52.84yr. Thus, the deciphered 75 Heh addendum days (30+45) is on earth **600** [JC] days (30x20), which could be linked (4/18/2018 + {1yr. + 7 mo. + 22 Days}) to an **Abomination** on the Temple property. Watch the city Jerusalem or the World NEWS (**December 10, 2019**)?

Then [1290-1335] added 45 days (45x20) = **900** [JC], totaled to **1500** [JC] days (1500 / 365.24) = **4.107** yr. Daniel foretold that the nation of Israel will face a dreadful Jacob's Trouble - perhaps related to Israel's Independence Day (4/18/2018 + 4.107yr.) and settled on Yom Yerushalayim, **28 May 2022**.

The first two Babushka egg books were translated in four (4) languages and found they were regulated by Jewish holiday cycles (70+50yr.) on a 7000yr. Hebrew calendar, which was corrected only by 35yr. Julian calendar at (BC-AD) to project birth pang warnings of Yeshua's 2<sup>nd</sup> Coming. By calculating Daniel's addendum in moon cycles (2018 AD), it was short a solstice 27 days starting with Adam @ 6000yr. linked to finish the Endtime 3018AD. The last 15 years (50 - 35 = 15) is embedded in the final 1000yr. (1000 x 70 / 6000 = **11.666**) with leftover time being short by **3.334** yr. (15-11.666) matching a 120<sup>th</sup> Jubilee with converted fraction of four (4) months. It could start the prophesied **Seven Sealed Thunders** (Pearl #242) on Independence Day Jerusalem (4/18/2018 + 3.334) related to Rosh Hashanah **7 September 2021**.

Mankind's schedule was dated (24 May 2018) on a **Seven Year Apocalypse** Table of the first Babushka egg concept book [p. 489] utilizing "T1-Time" (**Dan. 7:12**) plus a "**Season**" matching (**Rev. 20:5**) could be the missing addendum of (75 Heh days) short by 4 yr. on the 120<sup>th</sup> Jubilee. Moon cycle fractions across 6000 years of a Hebrew calendar designed for **Ayin** of 70yr. should be corrected at Adam (4004 BC) by 2yr. plus 2yr. at (588 BC) to match the Endtime (**Dan. 12**) now finalized (+11.6yr.) on **3018 AD**. To project the fullness of Time employing Moon cycles (5/24/2018 + 4yr. + fraction) will predict a 2<sup>nd</sup> Apocalypse again matching Yom Yerushalayim **28 May 2022**.

**Yeshua's civilization** could start with Hanukkah, the Jewish holiday. Customarily after a Shemitah year all survivors of Israel plus strangers will gather to read the Torah-Bible every seven years by a "King" in Jerusalem. If the disparity of the 120<sup>th</sup> + 121<sup>st</sup> Jubilees is added (2 x 2.84 - 4.10 = **1.58** yr.), it could start with Hanukkah matching a Jewish holiday = **19 December 2023**.

## The Apocalypse is Ending in a Huge Crescendo

Forty Bible penwriters recorded many warnings concluded in Revelation. In addition, countless divine Genesis facts were discovered by an old inventor scientist pennamed Jonah-II examining suppressed fake science and ersatz calendars. Perhaps the next generation might ask, “Why is a worldwide population destined again to be judged in a historic destruction like Noah’s Flood? Maybe it is similar to Christians not responding to current human disasters (**Matt. 25:41**) - millions of desperate starving families escaping death like South America to Mexico. History again is linked to a coming judgment of **YHWH Wrath** comparable to Sodom & Gomorrah.

Educated in fake science, I did not know that a Hebrew calendar is different and synchronized Moon cycles in (19yr.) to solstice, is short by 190 days. An extra Adar-II month of 30 days is added every three years. ( $19/3 \times 30 = 190$ ) Because the 120<sup>th</sup> Jubilee is not correct ending in **5778**, a ratio is handy to convert the 190 days since Adam (6000yr.) using very sensitive fractions. ( $19 \times 364.24 = 6939.56 / 7129.56 = 973350389 \times 6000 = 159.89766 \text{ yr.}$ ), thus all Jubilees settled with leftover **9.897666** years only corrected by 35yr. @BC-AD linked to Yeshua’s Kingdom. [ $35 + 9.897666 + 5.102334 = 50 \text{ yr.}$ ] **2King 20:1-11** stated that a solstice was lengthened by 10° (@ 360) totaled 9.89yr. counting the extra 5yr.-37days to same event date (4/18/2018) Yerushalayim, now **5/28/2023**.

Consequently, the very heart of this prophesied Apocalypse will terminate a 6000yr. old Satan Domain plaguing mankind to end in fire. Worldwide all of his demons-angels [*condemned forever to outer darkness*] (**Rev. 9**) will seek a better Death option offered only in the *Daleth* earth dimension where mortality exists. (**Mark 5**) Yeshua prophesied it will be the worst time ever for a high-tech society collapsing in a climatic crescendo caused by demon possession on a murder rampage. Only Satan is put in a nether-prison as a lone survivor, so that mankind will no longer be controlled by “Evil” opposing the Creator on a temporal earth. It is countered by the greatest NEWS event from the White Throne, a **Grand-Resurrection** of a special Saints-race to populate the universe. (**Heb. 11**) They are members of the Golden City; hence exempt from physical laws and mortal Life. Thus countless resurrected Saints who lived across 60 centuries will raise many from death in their neighborhood that agreed on a verdict **Probation** of a *Jod*-Court now tutored in eternal Life for a new home in a *Jod* dimension.

Therefore this current wicked atheistic World System will end once more in a prophesied Apocalypse with the loudest **Crescendo** caused again by the highest Arch-angel Lucifer now finally judged by Kosmos Law linked to **YHWH’s WRATH**. His atheistic hi-tech FED-IMF banking system to control mortals is abruptly ending in a huge cataclysm by an invasion of millions of loyal angels. It was started by two (2) ancient mortals belonging to a royal registry before the White Throne serving 1260 **Heh days** to represent the status and purpose of the mortal human race, like Michael the Arch-Angel is for Israel. Prophecy exposed that **Clocks** or **Time** in heaven are 20x faster, not realized by theologians misinterpreting seven (7) years, hence **YHWH’s** judgments are very short if linked to the Seven Seals ending in Seven Trumpets. The earth will once more be tectonically shaken, totally destroying Jerusalem and all its religious buildings replaced by a single Pyramid worship complex. (**Ezek. 40**) Therefore, consider the greatest Gift of **Eternal Life** known to Mankind offered by Yeshua. His Kingdom System is at the very front door to be worshiped by survivors and crowned World Emperor in a redeemed Israel after **Solstice 2023** or **1Tishri 5783**.
