

Part 1. Yeshua's Kingdom - 7 Days Wrath 2024?

Jonah-II is still alive and amended his last Pearl on *Solstice 2023*. Watch the atheistic NEWS, is also taught in every university, like everyone else is educated in current "Fake Science", suppressing Truth, hence they will not predict many Torah-Bible verses. (**Matt. 24:36**)

The Creator YHWH designed His universe (6000 yr.) with 120⁺ Jubilees. His original Plan documented *Heaven* and *Earth*, but an Arch-angel Lucifer-Satan *Evil* existed before Adam will continuous. (**Gen. 6:5-8**)

He created a future Yeshua's Kingdom of two (2) *equinoxes 2024* and end in seven (7) days of WHWH's **Wrath** of His Torah-Bible. Thus watch a movie - *The Russians are Coming* by sinking to escape. It is linked to Babushka Eggs like the Czar Alexander Romanov (1885) detailed on the Web in 15 concept books of many Pearls. (Pearl #211)

They explain many current events to support present information to the past and future of Mankind. Many Babushka Eggs state theories of history defining why and what will happen. Yeshua's Kingdom will show a special economy never before on a *Daleth* Earth. Consequently, you can confirm many Torah-Bible verses on the Internet to decide if Yeshua-Jesus stands at the door for the final (2) Apocalypse. (**Rev.3:15-22**) Please examine *page 2-#5*, one language will be taught because is King of Kings & Lord of Lords (**Rev. 19:16**), which is a sign (**Ezek. 20**) at the Endtime of YHWH's Spirit among His neone. His schedule is checked every day with two Bible verses (**Rev. 9:14, Rev. 19:17-21**) on a Passover (**Matt. 27:45-54**) linked to "Evil" by Islamic Terrorists. They will terminate a program (**2 Thess. 2:1-12**) and close a Babushka Egg verses to start Yeshua's Kingdom. (Pearl #905)

Jonah-II found recent answers that "Fake Science" will be removed, as Yeshua changed His arrival schedule to seven Holy Days starting the last Passover on two equinoxes of a New Hebrew calendar. Becoming an old witness, he will consider a purpose of current killing by Islamic terrorists. How can migrating birds tell time over Israel? (**Rev. 19:17-23**) Let's continue Mankind's history for the same reason like Noah's judgment for creating humanoids of recessive genes, now explained by huge giants by Moses & Joshua. (**Num. 13:33, Josh. 3:10, 5:13**)

Free Babushka Egg Pearls have difficulty to know the arrival of Yeshua and the start of His Kingdom to save the world again, which matched some fake science events with many Torah-Bible verses. Perhaps His Equinox birthday is defined in 21 September 2023 to correspond to museums of World Cuckoo Clocks, Pearl #903 - Page 3, scribed in a mystery scroll (**Rev. 10:2-11**) to be killed. It was meant for two billion people like one third of current atheistic Mankind. Children who died early will be granted *Probation* to live in now empty housing? (**Rev. 9:12**) Yeshua's Kingdom (**Matt. 27:26-54, 28:18-20**) is given to an Archangel Satan in (2) judgments (**Rev. 16:17-21**) by 7 days **Wrath**, continued with 4 Death-angels. (**Rev. 9:14-2 Kings 19:35**)

Heavenly angels will arrive in millions of space vehicles. Maybe NYC is judged with nuclear destruction in an hour (**Rev. 18**) as a godless generation will perish. (**Matt. 24:40**) Thus Federal Bankers ignored and not permitted free *Energy* (electricity-hydrogen). They still print money to buy all the Gold to support Satan's *Evil*, seen videos. The Creator YHWH will close a corrupt system on *Daleth* Earth. It links to an echo of Yeshua's Kingdom at the Endtime for Mankind (**Rev. 20:1-3**) settling an empty abyss (**Rev. 9**) for the new *Jod* Dimension (**Rev. 21:1-8**) and a future Golden City (**Rev. 21:17-21**) of Yeshua's Kingdom.

The New Kingdom is Totally Different (Pearl #903, p.2)

1. The infinite Kingdom of Yeshua is linked to a diverse eternal *Jod* Dimension.
2. After Yeshua's Resurrection lasting 50 days will continue Mankind in a future divine system without wars, conflict, police or hospitals, therefore "Evil" will be terminated for Mankind to experience genuine eternal Life.
3. A new society will be created with fantastic economy obsoleting money or ownership during His Kingdom and *Jod* Dimension.
4. YHWH allows only one true religion to worship him and combine a future education system divinely taught for a superior civilization.
5. Consequently Mankind will speak "One language" recorded in a *Heh*-heaven like Good & Evil and once at Babel *Daleth* dimension. (**Gen.11:1-2**)
6. Nature is fully restored to pristine conditions without recessive evil genes, which poisoned GMO causing Noah's Flood? (**Num. 13:33, Josh. 3:10, 5:13**)
7. Perhaps a future resurrected Mankind will control the fertility rate distorted by an atheistic Elite. (**Pearl #126**) The Torah-Bible (**Isa. 65:20-25**) will point out that people can eat Food from heaven with no meat without a digestive system as Death is obsoleted for mortals & animals for a *Jod* dimension.
8. The future economy is fueled with *Infinite Energy* discovered in the Torah-Bible described in many Pearls and Babushka Egg Concept Books.
9. Thus the Kingdom will be organized in a levitated driverless computer taxi minibus system which is built without wheels. Consequently will obsolete automobiles and continue Life with advanced physics of eternal laws going through walls or closed doors. (**Luke 24:36-49, John 20:19**)
10. Therefore Mankind will be separated by **Good** versus **Evil**. The Creator will give righteousness or *Probation* to live forever without a Time system and consequently is ending in a new *Jod* Dimension. (**Rev. 22:10-15**)
11. Thank the Creator that the Apocalypse Judgement Wrath is only (7) days long, therefore condensed Revelation in 18 chapters. (**Rev. 9:5**—150/20=7.5)
12. The Creator YHWH with many resurrected Saints loved diversity, will exhibit their old cultures across 6000 years in the newly built Jewish kibbutz villages.
13. The resurrected Saints valued a recent discovery of divine Law to give *Probation* to many people not Evil (**Mark 12:25**), like children who died early (**Pearl #300, Part 4**) will restart Eternal Life. (**Pearl #888**)
14. The Creator YHWH granted overlooked **Probation** to many people of Mankind, thus creating a bigger increase of a population spike. **Pearl #126**
15. Consequently a new heaven-earth (**Rev. 21**) will end "Evil" and expand in a 2nd Race of Yeshua for the resurrected Saints in the new *Jod* Dimension.
16. His Son Yeshua, Messiah King will provide fellowship while displaying compassion removing pain & diseases for Mankind. (**Matt. 4:23**)
17. Hence the Creator YHWH became clothed in a human mortality for a new *Jod* universe creation to be eternally forever worshipped. (**John 21:25**)

During His Kingdom my Californian residence will be converted to a Babushka Egg Museum. It will be maintained with a bird-faced angel-scribes (Page 2,#5) and oxen-faced angels collected Golgotha Earth for His golden Um, being exhibited as He is King of Lords. Conversely, you should read the Torah-Bible, the oldest book on Earth, to know Yeshua, who will rule as the future Messiah King. (**Rev. 19:11**) Please check your web like the two prophets from heaven; Enoch & Elijah that are hidden from the Jerusalem NEWS because of Islamic missiles sent into Israel, positioned in crowded hospitals and schools. Jonah-II should have the patience to find when, but Yeshua has the freedom to come any time, will close Babushka Pearl # 905 with Passover and (2) two verses (**Rev.19:17-21, Matt, 25:1-13**) in a Torah Bible..

The Torah-Bible is the oldest book on Earth, a collection of forty Prophets since Adam & Eve. It chronicles the history of Mankind being written in one language during Babylon's time now is changed. Many people became corrupt again linked to Noah's judgement (2288BC) on a fake calendar. Jonah-II revealed the date of Yeshua's Kingdom to begin with YHWH's **Wrath** of seven (7) days; therefore, just follow the events of our present time. Yeshua prophesied and shortened the **tribulation** on Earth (20x) on *Daleth* "Time" (Matt. 24:21-22) - now at the Endtime for Mankind! Yeshua is not allowed to reveal the date of his Kingdom. (Matt. 24:36) Therefore a scientist-inventor Jonah-II in California was appointed by the Creator YHWH to teach History of current Mankind. Now retired (92) he found that "Time" is running **20x** faster in heaven.

Yeshua will start his Kingdom in seven days of WRATH which is shortened and split for 3 days privileged Messiah & King (Matt. 24:22). Therefore the sequence for the Plan for Mankind will add four more Woes, total 7. Two for Satan (judgments) and continue Mankind specified two, the anti-Christ Pope & His priesthood to finish His *Daleth* universe with (7) seven Bowls in a lake of fire. (Rev. 15: 7-8) Please check Page 2 # 5 and watch some current videos? (Pearl#211)

1.) He projected on the first Woe two witnesses from *Heh* Heaven (Enoch - Elijah), 2.) Millions of Angels will arrive in many noisy space vehicles, 3.) Next four Death Angels (Rev. 9:14) ending up by killing all evil people. 4.) Globally ignoring cloning GMO-food will resolve no more Seeds. Perhaps 5.) NYC will be nuclear destroyed with a financial banking system in one hour. (Rev. 18) He learned that the US army has the best health system in the *Daleth* world, while examining artificial intelligence. Hence Jonah-II discovered two Apocalypses of seven days of YHWH's WRATH. His Kingdom will be delayed stated after the 120th Jubilee for the last recent events (Rev. 19:16). It will change Revelation causing erroneous denominations. Many Christians are confused by it being condensed in 18 Chapters; thus they believe in a faulty dogma of pre- middle & post tribulation causing in seven years, being ignorant of stated Truth (v.17) - "It Is Done" (Rev. 16:1-21) which destined two Judgments to eliminate Satan's *Evil* in the *Teth*-Age. (Rev. 9:1-21)

Accordingly, when reading the Torah-Bible, you should investigate true knowledge that is always suppressed, like Yeshua's Shroud in Turin, Italy, because "all of" Mankind is educated in "Fake Science" now on the Internet. I put many Bible verses in an unfinished Pearl#903 that is linked to 15 Babushka Egg Concept Books searching for amended Pearls diving in a Bible-Ocean on a current Web. (Isa. 26:3)

Part 2 - #17 = Victory - Starting the 120th Jubilee of Yeshua

It seems that the birthday of Yeshua was projected correctly when a New Hebrew calendar is synchronized equivalent to a *Chet* Age ending Satan's *Evil*. **Pearl #903** Perhaps should add **Part 2** to amend ***The Bites in front of the Abyss of God's Wrath***, TU B'Shevat (1 Feb. 2024) daily watching the NEWS dating Yeshua's Kingdom? (**Pearl #101**) It is like when ancient Jonah got angry because God changed his mind about 40 days of Judgment for the powerful King in Nineveh.

Therefore, the ELOHIM selected a modern Jonah-II to warn again a global society in a town square, proclaiming that justice must be balanced with Wrath of YHWH. It will once more impeach an atheistic civilization that is grossly violating divine Kosmos Laws. When the history of Mankind became absolutely corrupt again, it will measure evil and document events against a divine standard. Once more is judged of many detailed Bible verses stated in a Torah-Bible.

YHWH prophecies and started with His Wrath to warn everybody of a new covenant or any outstanding legal responsibility to settle leftover after Spring **Equinox 2024**. Thus the **Evil** from Satan and his last atheistic civilization must first be judged. Thus the birth pangs of the Apocalypse will now close with the last population spike. (**Pearl #250**) Jonah-II being 92 years old, every morning is reheating coffee from a thermos bottle and make new one for His old wife. It started a ritual reading the last Pearl # 905 revised it numerous times and opens the window for a young cat Gatito. Because Yeshua will start His Kingdom on page 2 to be better informed. Please check before the Web disappears with true Science. (www.apocalypse2008-2015.com)

Just (2) Babushka Egg verses (**Rev.19:17-21** & **Rev.9:14-21**) will educate you. The Islam Mullah Regime attacked recently many Jewish homelands and forced Israelis into shelters. Over 300 ballistic missiles and drones were fired wasting "**mortal Life**" for the Endtime. We in America doing the same. cloning **GMO** producing no seeds and have forgotten a best seller book **Silent Spring** by Rachel Carson (1962) of deadly DDT insecticides. It became true in my garden this year 2024 like numerous insects. birds. will not see a single bee on many flowering trees of my street void of any Life? Only the Torah-Bible can widen a factual knowledge horizon as this generation is no longer educated in true science. When hundreds of true information facts are suppressed like total **Free Energy** (**Pearl #228**), or worse – NASA produced fake moon landing videos and Christians teaching false dogmas in church and seminaries. It closes this atheistic society like Sodom & Gomorrah and is ending His universe in a lake of fire.

Therefore judgment by Satan for Evil is repeated once more by many Illuminati Federal Bankers who still print fiat money since 1913. They hatched a plan to gain absolute control over every country, and imposed the golden rule: "the one who has the gold" will rule the old World Order. However it should be contrasted to divine Law incurring the Wrath of YHWH now denied and forgotten. When an atheistic international Elite manipulate the politics of nations and perverted worldwide many universities, hence will terminate this evil generation of Mankind. They became totally corrupt in Satan's lies and deceptions producing fake science on a modern Web. They silence historic facts, like my recent study on how **NYC** is destroyed by a nuclear bomb? (**Rev. 18**) This generation will deny the freedom to choose a purpose and enjoy Truth, please read **Pearl #270** and **2Thes.2:14**.

Part 3. Yeshua-Jesus starting his Kingdom after (Rev. 9 & John 17)

This will be the last time to explain dating future final judgment of our current civilization that totally turned evil. Mankind is violating once more YHWH' **Wrath** of the divine Kosmos laws. He recorded the history of humanity since Adam and Eve in His Torah-Bible. To measure 'time' we either uses like a New Hebrew world calendars or ancient stone-bronze-gold clocks exhibited worldwide in museums. Perhaps could decode birth pangs of the two Apocalypses projected after the spring equinox 2024. A scientist - inventor was appointed by the creator YHWH under a penname of Jonah-II. But a fake Hebrew calendar needed to be rectified by eight (8) *Chet* years.

Hence the Creator YHWH knew beforehand and selected a refugee of WW-II from Germany now 92 yr. old with a difficult problem which used a massive amount of stool-softener of a screwed bite? He was educated in true old-fashioned science ended with free 15 Babushka eggs concept books of additional Pearls forbidden in a town square on a Web. Please read Pearl #904 - **The Torah Bible**.

Thus God's Plan for Mankind dating the Apocalypse was never preached in churches or not permitted in seminaries. In my retirement God asked me to write and use a Russian Babushka egg concept that has a number smaller egg showing the same picture on the inside. It was a useful model viewing numerous researched science facts aligned in a sequence and organized in a 360° knowledge horizon.

I compared many Torah-Bible verses which determine an embedded divine relationship based on metaphysic science concepts linked to HANS. It viewed John's Revelation from the *Heh* heaven-dimension and Daniel prophesied from the *Daleth* earth. Both dimensions that measure a different "Time" challenged this scientist to visit museums to explore ancient mystery stone-bronze-gold clocks nobody yet cracked their codes. Except please read His Clocks, described in Babushka Egg Concept Book #3. Much explained in Babushka Egg Concept Book #4 is suppressed in universities worldwide, like cloning GMOs that will permanently terminate most food seeds becoming extinct, while they should agree to unforgiving natural laws. Ignoring of history messed up climate change theories, so brainwashed Elite can't reason anymore, using modern fake science. A disappeared NASA establishment taught many unbelievable Moon visits of deceptions and lies in Physics, now is updated by Albert Einstein given a doctor title. It needed a different new atom model as CERN died. Thus **Free Energy** was stated in Babushka Egg Concept Book #6 with more research forbidden Truth, which is linked to outlawed science to balance the Torah-Bible? (**Rom. 1:18-25**)

Jonah-II, a professional inventor – scientist defined physics operating nature that is no longer taught in our universities. He discovered a short **Wrath** to define Sound Bites in front of the Abyss? (**Rev. 9**) A prosecution in 2010 presented criminal evidence of a Supreme Court - **Babushka Egg Concept Book #10**. It was written in a metaphysical domain to control all repressed physics, which exposed the biggest crime ever perpetrated on Earth by the Archangel Lucifer.

I pray, still mortal, that the Lord would disclose His return schedule. Many Bible events were denied by corrupt criminal governments, causing misery and much poverty to seven billion people. Now it's explained why God will destroy *Evil* and terminate Life for 1/3 Mankind, like Sodom & Gomorrah and matching a prophesied Beast System of the Arch-angel Satan. The Creator's universe will close Sinfulness ending in an empty Abyss (**Rev. 9**) for the final Endtime.

Fukushima - Third of Sea Life - DEAD! (Feb. 6, 2017)

<https://www.youtube.com/watch?v=VO5d5WETIWI&t=27s>

It became clear why Yeshua delayed His schedule and did not utilize theologians (Christian - Hebrew) in denominational fake dogmas. He declared and the foretold birth pains of the Apocalypse 2008-2015. Perhaps nuclear radiation blaming Israel is left behind NYC linked to **Rev. 18** for a final corrupt generation (**Rev. 22:2** or **Ex. 15: 22-25**), stated by Prophet Jonah to a Nineveh King: "40 days you will be judged!" confirmed in Yeshua's Kingdom after the winter solstice 2023?

The Plan for Mankind is dated with true historic science with two Apocalypses that end Satan's *Evil* and put him in jail. I wonder if current events should be collected in true science, like **Pearls #244, #233, #278**. Now Revelation will make sense being seven days short of YHWH's **Wrath** similar to seven (7) Holy Days of a New Hebrew calendar between two Equinoxes. In Revelation - chapter 9, like 200 million *evil* demons will be cast to *Daleth* Earth and executed.

Therefore the new *Teth*-Age will give Mankind a Sabbath rest without Evil for the last 120th Jubilee year. His wedding could wait for many resurrected Saints and five (5) righteous virgins. Countless people (not evil) will secure *Probation* (v32, v15), now described in John 5 with many events (v.19-47), and continue train 144,000 high priests in Israel for Pyramid Temples linked the new *Jod* Dimension. (**Rev. 7:4**) The city Jerusalem is destroyed again (**Pearl #211**) like the recent video "Esther"- **Purim** [3/23/2024]. The Creator prepared a footstool (**Ps. 122:6**), which is required by reemerging nations to honor YHWH with big festivals and the New Covenant (p.2 - #6) It will end radiation in Revelation after chapter 18. (**Rev. 22:3**) Hence Yeshua's divine Kingdom will arrive after midnight; consequently, be better informed. You will see the Star of Bethlehem again, which is linked to the Golden City. (**Rev. 21:9**), and reduced Revelation to 7 days of **Wrath** preordained like **Gen. 7:11** for the new *Teth*-Age Kingdom.

Look for Yeshua, the King of Lords with privileges and knows about *Evil* and *Death*. He will arrive at the right time (**Rev. 19:16**) like Two Witnesses (Enoch & Elijah) from *Heh* heaven to continue mortality linked to (Jonah-II & Christopher) of a *Daleth* Earth to finish Pearl #210 in the Endtime. His Kingdom (page 2) planned a huge celebration to the new *Jod* Dimension (**Dan. 7:9-15**) now exposed in **Babushka Egg Book #2, Mystery of Tammuz 17 (page 117-Web)** [a book bought is 237] – and many Pearls #142, #215. (**Rev. 11:4-14, Rom. 8:18-39, Ezek. 39:1-29** [571 to 623 BCE])

(*LIVE UPDATES in Israel "at war" after the Hamas surprise attack*)

Yeshua's Kingdom prediction will remove "*Evil*" of an Arch-Angel **Lucifer** with a disputed first miracle (**John 2:1-11**) with his boss Yeshua like me had a glass red wine after dinner. The Creator will close similar to (**John 19:1-42**) and His universe in a lake of fire to start a new *Jod* Dimension. (**Mal. 4:1-5**) Please watch the collected videos. (**Pearl #212**)
