

Babushka Egg Concept Book #13

The Last Day 28 September 2015

Rosh Hashanah

This will be a last opportunity to discover some new concepts only found in Babushka eggs, repeating once more what is denied in atheistic universities and foreign to most churches and synagogues. Notice **God's Wrath** will appear suddenly: it is very short lasting only ten (10) days to make global history.

Please take the time and check out that the intense 150-day birth pangs of the Apocalypse were planned **MAN-MADE**. Atheistic **Bankers** created a computerized **One World Order** that will totally destroy our civilization, which has become absolutely evil and will sink like the Titanic. They willfully control technology with fiat money to utterly devastate the only planet in the universe where LIFE exists. These climaxing Last Days maybe shown on the Web or TV NEWS and finally prove the many previous YouTube videos that the Creator did not originate the worldwide collapse.

The ELOHIM will permit anything to a point. A summary of what Mankind has invented in high-technology science was collected in **Pearl #233** by technical inventor Jonah-II. Many witnesses were gathered to demonstrate why the earth's environment will completely disintegrate terminating Life. Every witness this scientist presented is linked to mankind's mismanagement, ignoring Noah's forgotten divine covenant with God. It has grossly violated this divine contract again, becoming totally EVIL. When mankind's evil is accomplished to "absolute" levels, having reached the final consequence of willful devastation, then the ELOHIM will counter with the law of nature as confirmed with a big blast from space.

It will end the madness of global suffering by divine Mercy. To save all Life on earth, God will once again use an asteroid. He needs only one pure species-pair or seed not modified by GMO to start over again like Noah's ark. But this time an emerging Third Civilization will be different, as all EVIL will be removed from the Kosmos. Even Satan is bound in the netherworld to show angels that mankind's sinful nature can be redeemed, to live in perfect intended harmony and greatly increased knowledge for peace.

ELOHIM the Creator will start over again and save some of mankind who are worthy to continue LIFE on EARTH once more, but this time without evil. God's Plan for Mankind needed what can be learned from science, linked to an inserted immune system embedded in our mortality to be inoculated with a good dose of evil. It will safeguard a resurrected Life in the new Heaven-Earth **JOD** dimension, never to appear again. It is similar to a well-functioning immunity against viruses-bacteria like Ebola or Cholera. It will forever prevent corruption linked to death, as every mortal once infected with Evil will then be protected.

Most people seeing EVIL in the rawest form will be terrorized, perhaps scream in pain, "Why and where is God supposed to be Love?" Watching a thousand year history on TV of a Islam religion continuously robbing, stealing and murdering their neighbors being obedient to Satan their god-Allah, demon-possessed genocidal butchering millions of Jews

and Christians, God's covenant people, with their families over and over in so many countries for centuries, I was stunned and num watching the video. Most surrounding mighty world nations were ruled by evil, corrupt political leaders who were compliant, making business deals with the murderers right up to our present time.

As a young refugee myself escaping the Stalin persecution, I now late in life still feel the depth of sorrows repeated worldwide in refugee camps again by the millions duplicated the history so many times, as Satan's Islam religion never changed since the Middle Ages. Committing genocide again and again as the Western Governments manipulated and used them as pawns to make the money selling the latest modern hi-tech weapons, destructive equipment to kill more efficiently. Watching a history show on TV, I was shocked at my ignorance. It tested my Christian faith to find some answers.

Jesus in the Gospel said that Satan's domain is ruling this earth ever since Adam. Jesus demonstrated it while on earth by healing and helping to wrestle back what the Kingdom of Gods had lost. All the painful diseases, weather calamities, earthquakes, wars and pestilence are caused by Satan explained in the Book of Job.

Now I understood why God confused the language at Babel and divided mankind in separate ethnic cultures so that Satan cannot possible kill all at the same time. As he kills thousands and millions of God's people on one side ever since Cain murdered his brother Abel and continued for 6000 years, so God in his oversight makes other prosper on another corner and have children to increase the population to balance again. Check the history dated by wars.

Gods Plan for Mankind must be viewed in a bigger picture. God designed our mortality small or old and must be inoculated with a good dose of evil to pass on immunity to the other (butterfly) **Jod**-dimension side. When arrived after the cocoon must first pass the White Throne test perhaps there will get the answer why was I singled out and killed so young and had to suffer so intense? Evil will be judged in detail, nothing is forgotten as books are opened like YouTube video all is replayed to the detail on the last day **Daleth** earth.

To get my answer of the other butterfly side, God urged me to check out his book - the Bible and read the story and notice Yeshua-Jesus life story is like a replayed TV movie of the Son of God who is the Creator of mankind decided to be born on earth **Daleth** dimension too. Not even 2 years old his parents had to flee to a foreign country to save his life just in time as 2000 babies were killed by soldiers in his village Bethlehem.

Growing up in a poor hill country environment but determined to become scholar, he memorized the whole Torah not having money for books before he was 12 years old. In his public 3.5 year ministry, he was surrounded by thousands of poor people when they found out there is free food and healed their sickness driving out the demons that caused so much suffering.

When he send out 70 helpers to announce the Kingdom of God had arrived, only 12 came back to stick around. Wherever he went, he was closely watched to be trapped by the fanatic religious establishment who were jealous, fearing loss of prestige and revenue. They accused him openly, everywhere as being demon possessed to heal the sick and feed the poor.

God's son Yeshua came to redeem mankind, offer forgiveness of all sins and to remove Satan's chain by making available the free choice to live forever in God's house in a newly prepared heaven-earth. There will be no longer pain, sickness or death if you pass the test accepting His Mercy unto Life. But do not think that corrupted evil people will share those blessing being warned and deliberate rebelled against God's Grace and provision even denying his existence became evil and teach their children evolution religion lies.

It was a high price to pay for Yeshua-Jesus to show that the ELOHIM is absolute LOVE to become subjected to a low life creature trained by Satan's permitted to torture the author of LIFE. It demonstrated that God has absolute Love for his creatures when he allowed himself to be horribly abused, flogged and crucified. At the end of the Time dimension, everyone who died will see a video of Jesus life and witness the shocking evidence still seen on his back, the nails and side wounds forever visible against the background being a blessing to thousands of families. Worse, he was rejected and betrayed by his friends even being forsaken by his heavenly Father, bearing all the evil and sin for the whole creation. The movie will cover the full Gospel account of his life on earth and the purpose why God created mankind for everyone to understand what was suppressed.

If you were unjustly murdered and persecuted even as a child could compare that the creator stepped so low on the same base of our level too suffering under evil to experience the same and showed the way out to God's Mercy. If you died young and exposed with much suffering perhaps your life-movie is played back maybe projected further to show a worse possibilities to discover that God's mercy prevailed and cut it short. It reveals truly being loved only found out on the end? Yes, death is the enemy of life, as God did not spare his son to save me and pay the price for my sins. Jesus explained that the consequence of death will be abolished as stated in Rev. 20:1.

Once Mortals pass the White Throne balance test with the Book of Life opened and qualified for a future *Jod* existence will live forever privileged in God's house. The ELOHIM wanted intimate fellowship and share all he can create with those who trusted him during evil rebellious time. Check out the events collected in the last Babushka Pearls, forbidden in church and suppressed in universities to widen knowledge horizons on how to be better educated.

One thing is sure that even Satan stripped naked and bare will finally asked ELOHIM take my life away too to experience Mercy as only the creator can give or take life. God will ask Satan the final question, "Where are your friends, why are you alone, why has everyone abandoned you on their own choice and took my option offered to anyone being created in my image?"

"You, who were created as the mighty highest Cherub-angel surrounded with power and prestige, why have you rebelled and caused evil? Why? The Creator fixed a KOSMOS problem in a temporary Time-dimension but cost the most he had. He sold all and bought a field with a hidden treasure buried, forsaken, unknown and found me?"

"See, I am coming soon; my reward is with me, to repay according to everyone's work. I am the Alpha and the Omega, the first and the last, the beginning and the end." Blessed are those who wash their robes, so that they will have the right to the tree of life and may enter the city by the gates.

Outside are the dogs and sorcerers and fornicators and murderers and idolaters, and everyone who loves and practices falsehood.

"It is I, Jesus, who sent my angel to you with this testimony for the churches. I am the root and the descendant of David, the bright morning star."

17 The Spirit and the bride say, "Come." And let everyone who hears say, "Come." And let everyone who is thirsty come. Let anyone who wishes take the water of life as a gift. The grace of the Lord Jesus be with all the Saints.
