

## #17 = Victory - Starting the First Jubilee of Yeshua

It seems that the birthday of the Yeshua's kingdom was projected correctly when the Hebrew calendar synchronized and matched with (7) world calendars to align with a **Chet Age - 1 Tishri 5778. (Pearl #276)** The First Jubilee year usually will start halved to pay fully any of the outstanding legal responsibility of **God's Wrath** and to settle all leftover prophecies after **Solstice 2017** that closed with a New Covenant celebration. Thus, the Plan for Mankind will end in final victory as outlined in Babushka Book egg #1 - *From Eden to New Jerusalem*, but the Evil committed by this last atheistic civilization must first be judged. The birth pangs of the Apocalypse will now end with the verification of many science witnesses (**Pearl #250**), mirror imaged in the forbidden 6000-year old Torah-Bible. Thus, the ELOHIM selected a modern Jonah-II to warn a society again in a global town square like in ancient Nineveh proclaiming that justice must be balanced with **Wrath of YHWH** and once more impeach an atheistic civilization that grossly violated divine Kosmos Laws. When mankind again became absolutely evil corrupt, as measured against a divine standard documented by many events illustrated in history, thus will be similar judged like many examples recorded in the Bible. Everything that the Noah Atlantis Civilization did in 2288 BC (JC) has been repeated resembling in our time and presented now on the Internet in many YouTube witnesses, as this generation is no longer educated in true science. Only the Bible can widen a factual knowledge horizon. (**Pearl #228**)

When thousands true science facts were worldwide suppressed (like *totally Free Energy*) or worse believed NASA's fake moon landings or taught false Christian dogmas in seminaries and churches, it will surely end a society like Sodom & Gomorrah. Thus judgment is again repeated when a NYC cartel of psychopath Illuminati bankers still printing fiat money since 1913 and hatched a *New World Order* plan to gain absolute control. They imposed the golden rule: the one who has the gold – rules. However, it should be contrasted to divine Law now denied and forgotten, thus incurring the **Wrath** of YHWH terminating this generation to save mankind once more. When internationally the New World Order manipulated the politics of every nation and perverted globally many school systems, thus became totally corrupt and riddled by deception in fake science. It will silence historic facts to deny this generation to enjoy truth and the freedom to choose. (**Pearl #270**)

Since 1913, NYC world bankers have created countless global conflicts to gain absolute power. They have financed every world war to obliterate many Christian cultures and nations and imposed internationally a fiat money system evil designed to destroy elected governments around the world. It morally degraded many to gruesome dictatorships run by corrupt millionaire politicians. United they forbade the Torah-Bible in the public square to camouflage a corrupted system. They murdered millions of Christians and Jews to rule with absolute power through a secret global shadow government. To teach Lucifer's deception in gross conflict and rebel against YHWH's laws, thus awarded massive grants to destroy a university system with atheistic evolution theories to make a society compliant. The New World Order succeeded in derailing every democratically elected government, financed terrorists to create conflicts sinking in a bureaucratic chaos swamp. Every global dispute produced distressed sufferings and instigated massive demonstrations, genocide and refugee migrations. They exploited and robbed nations murdering billions, subsidized hi-tech weapon cartels serving a huge modern military. Those who obeyed their mandate were invited to the billionaire club to manipulate inborn greed. That fulfilled Jesus' Endtime forecast that the present would be similar to Noah's civilization, "...eating, drinking and being continually evil," hence it will end by divine judgment. Only Yeshua in his Mercy can change his 70-year date of the Apocalypse, but will not change his WORD or PURPOSE.

*18 For the wrath of God is revealed from heaven against all ungodliness and unrighteousness of men, who by their unrighteousness suppress the truth. For what can be known about God is plain to them, because God has shown it to them. For his invisible attributes, namely, his eternal power and divine nature have been clearly perceived, ever since the creation of the world, in the things that have been made. So they are without excuse. For although they knew God, they did not honor him as God or give thanks to him, but they became futile in their thinking, and their foolish hearts were darkened ... Therefore God gave them up in the lusts of their hearts to impurity, to the dishonoring of their bodies among themselves, because they exchanged the truth about God for a lie and worshiped and served the creature rather than the Creator, who is blessed forever! Amen. (Rom. 1:18-25)*

Part 2 – Explaining the **121<sup>st</sup> Hebrew Jubilee**  
1 Tishri 5777- 5778

**Yeshua-Jesus starting his Kingdom (John 17)**

This will be the last time to explain the future dating for the final judgment of a civilization which turned totally evil and so mankind will experience **God's Wrath** again for violating divine Kosmos laws. Only the Torah-Bible recorded the history of mankind since Adam and Eve. To measure time we either use (7) leftover world calendars or ancient stone-bronze-gold clocks exhibited in global museums together could decode the prophesied Apocalypse pangs projected **2008-2015** by a scientist appointed under a penname of Jonah-II. But the Hebrew 7000-year calendar date needed to be rectified by 1.8 – 2 years.

The Creator ELOHIM knew beforehand and selected a WW-II refugee from Germany educated in old-fashioned science ended with 14 free Babushka eggs and many additional Pearls forbidden in the global town square. Thus God's Plan for Mankind dating the Apocalypse **Solstice 2017** was never preached in church and forbidden in seminaries. God asked me to write in my spare time and use a Russian Babushka egg that has a number smaller eggs inside with the same painted picture face. It was a useful model viewing thousands researched science facts organized in a full 360° knowledge horizon aligned in a sequence. I compared many verses of the Torah-Bible to determine an embedded divine relationship based on metaphysic science concepts linked to HANS. John's revelation is viewed from the *Heh* heaven-dimension and Daniel prophesied from the *Daleth*-earth dimension. Both dimensions measure "Time" differently, which challenged this scientist to visit many museums to explore ancient mystery bronze-gold clocks nobody yet cracked their codes, except please read the Clock Babushka Book #3, Much is suppressed in global universities explained 14 Babushka egg like modified GMO that permanently will change most global food seeds to terminate in extinction according to the laws of unforgiving nature. Ignoring history messed up climate change theories no longer can reason brain-washed by a modern science establishment like NASA taught unbelievable big space deceptions and lies in Physics taught by Dr. Albert Einstein. This needed a different atom model as CERN died, thus searching more intensely found in the forbidden Torah-Bible a balanced truth now linked to outlawed science?

As a professional thought first that nature was defined by physics no longer taught in global universities, but soon discovered a

rejected metaphysic domain, which controls all of repressed physics. That exposed the biggest crime ever on earth perpetrated by Lucifer Illuminati psychosis NYC banking cartel not allowed and censored worldwide totally "**Free Energy**" discovered by Nicola Tesla and von Hoffman a German school teacher forbidden hundred years. Why did it corrupt governments criminal deny it to (7) seven billion people causing global misery and poverty. Now understood why ELOHIM will destroy 90% of Mankind and 1/3 of all life on Earth & Oceans being controlled by a prophesied **Beast System** totally *Evil* to end like Sodom and Gomorrah in worldwide fire. But massive nuclear radiation is globally left behind for the next generation that can be cancelled. (**Exod. 15:22-25 & Rev. 22:2**)

It became clear why God could not use theologians biased in fake denominational dogmas but chose one like in ancient time Jonah to declare the Apocalypse birth pains 2008-2015 announcing that the Yeshua Kingdom on Earth is at the front door after Solstice 2017. True historic science facts revealed a future date of God's Plan for Mankind which destined that 200 million evil demons will be cast out to earth and executed except Satan who is put in jail ending the Apocalypse. Then it will confirm many sealed prophecies matching historic facts that will fulfill most Old Testament Prophets' forecast events. Sermonized Revelation will then make sense with web-collected science proven in 14 free Babushka eggs & special **Pearls #244, #233, #278**.

During the first year of a Jubilee, any violation is reconciled in a divine Court of Law and unfinished business of any outstanding debt is paid off. It will end in a huge celebration honoring worldwide the **King of Kings Yeshua-Jesus**. A totally new **Teth-Age** will then start without Evil to give mankind a Sabbath rest governed by mini-resurrected Saints to maintain 1000 years of peace. They will not teach Satan biased church dogmas but explain the benefit of Ten Commandments to 70 reemerging nations. Israel will function truly as priests in a new Pyramid-Temple rising on a high mountain. Jerusalem was totally destroyed by an asteroid, but it will be rebuilt as the footstool of ELOHIM to start worldwide with a **New Covenant** connected to big festivals to honor **YHWH**. (After **Solstice 5777-5778**)
